IRON IN THE BLOOD!
It is well known to the medical profession that Iron is the vital principle or life element of the blood. This is derived chiefly from the food we eat; but if our food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupify the brain, will obstruct the liver, and will send the disease producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.
The great value of
IRON AS A MEDICINE
Is well known and acknowledged by all medical men. The difficulty hitherto to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist has been attained in the Peruvian Syrup, by combinations in a way before unknown.
THE PERUVIAN SYRUP
Is a protected solution of the Protoxide of Iron. A new discovery in medicine which cures all the results of disease by supplying the blood with its vital principle of Life Element—Blood.
THE PERUVIAN SYRUP
Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.
THE PERUVIAN SYRUP
Infuses strength, vigor, and new life into the system, and truly is up an "Iron Constitution."
THE PERUVIAN SYRUP
Cures Nervous Affections, Female Complaints and diseases of the Kidneys and Bladder.
THE PERUVIAN SYRUP
Is a specific for all diseases originating in a bad state of the blood, or are unpeopled by Debility or a Low State of the System.
Pamphlets containing certificates of cures, and recommendations from some of the most eminent Physicians, Clergymen and others, will be sent free to any address.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by which every sufferer, no matter what his condition may be may cure himself cheaply, privately, and *radically.*

MEDICINAL.

The peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or reproduced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, *the depressing vices,* and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, *dyspepsia, and liver complaints;* on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla
Is compounded from the most effectual antidotes that medical science has discovered for *this afflicting distemper, and for the cure of* the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies
