A RCANA WATCH.

AN ELEGANT NOVELTY IN WATCHES.

AN ELEGANT NOVELTY IN WATCHES,

The cases of this Watch are an entirely new invention, composed of six different metals coinbined, rolled together and planished, producing an exact initation of 18 carat gold called Arcana, which will always keep its color. They are as beautiful and durable as solid gold, and are afforded at one-eight the cost. The case is beautifully designed, with panel and shield for name, with Patent Push Pin and engraved in the exact style of the estevated Gold Hunting Levers, and are really hundedness and desirable, and so exact an imitation of gold as to dely detection. The movement is manufactured by the well known St. Jinser Watch Company of Europe, and are superbly finished, haying engraved paleps, fancy carved bridges, adjusting regulator, with gold balanced, and the improved ruby a welled action with line dial and skeleton hands, med is warranted a good time keeper. These watches are of three different sizes, the smallest being for ladies, and all are limiting Cases. A case of six will be sent by sail or express for \$125 00. A single one sent in an elegant morroogo case for this will reach the fire ost. We are the sole agents for this Watch in the Unified Elector, and some all with the different sizes, the which do not bear our trade mark.
