IM VAL I DEN It is well known to the medical profession that Iron is the vital principle or life element of the bleod. This is derived chiefly from the food we sat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the opposition, or if, from early educated, the whole system suffers. The had blood will irritate the heart, will olog up the unique will stupify the brain, will obstruct the life of had will send the disease producing elemen I to all parts of the system, and every one will suffer in whatever or gan may be predisposed to disease.

The great value of IRON AS A MEDICINE

-- IRON-AS-A-MEDICINE Is well known and exknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point; says Dr. Hayes, Massachusetts State Chemist; has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP

Is a protected solution of the Proxetide of Iron. A new discovery in medicine that strikes at the root of discase by supplying the blood with its vital principles of Life Element—Blood.

THE PERUVIAN SYRUP Cures Dyspepsia, Liver Complaint, Propey, Fever and Ague, Loss of Energy, Low Spirits, THE PRRUVIAN SYRUP

Infuses strength, vigor, and new life into the system, and builds up an "fron Constitution." THE PERUVIAN SYRUP Cures Nervous Affections, Female Complaints and diseases of the Kidneys and Bladder. THE PERUVIAN SYRUP
