MUSICAL INSTRUMENTS

RYNDER'S MUSIC STORE,
CORNER MAIN AND MILL STREETS,
LOCK HAVEN, PA.
T. P. RYNDER TAKES PLEASURE
in announcing to the citizens of Centre County that his music store is now
IN SUCCESSFUL OPERATION,
and that he is prepared to furnish them with Musical Instruments
OF EVERY DESCRIPTION,
on the most favorable terms. He takes particular pleasure in calling the attention of the people to the superior qualities of the celebrated
CHICKERING'S PIANOS,
These Pianos have universally taken the first premium over all others wherever they have been brought in competition. They have only some seven years ago been introduced into this country, and their manufacturers have succeeded so fully in competing with those of the most distinguished makers of a good piano, viz., brilliancy, power, depth, and the
ORGAN LIKE RICHNESS OF TONE
which is absolutely indispensable in an instrument for accompanying the voice. They are also celebrated for
STANDING IN TUNE.
This quality is always desirable, but it is especially so to persons living in the country, where it is not convenient to get professional tuners but seldom.
