THE PETITION OF THE CONVENTION FOR THE P JEFFERSON DAVIS.

ent of the United States.

MILLEDORVILLE, GA., October Steh, 1805.

The his Eddlerey Andrew Johnson, Presi-

The delegates of the State of Georgia, in onvention assembled, do carnestly invoke

the Executive elemency in behalf of Jeffer-

son Davis and Alasaddes He . Stateday and

of James A. Seddon, of Virginia; A. Q. MoGrath, of South Carolina; William Al-

ison and David L. Yules, of. Florida, and

II. W. Mercer of Georgia, now confined 'as prisopers at Fort Pulaski, and of all other

prisouers similarly circumstanced. Your Sztellenog has been pleased to restore, Mr.

Stephana to his liberits He returns to the grateful people of his Stata as a soluton pledge of the maguanimity which rules the

public councils, and his great name and is-

facace will be potent to revive the amily of

the past and to fructify the wife and gen-

rous policy, which your Excellency has in-

augurated. Emboldened by this example, impolled by the purity of our molives, and

stimulated by the prayers of a "numerout

people, de append for elementy is behalf of the distinguisted persons we have named.

Restore them to liberty and to the embra -

ces of their families, translate them from

captivity to the light of freedom and of

ope, and the gratitude of the prisoners

will be mingled with the joyful acclemations

which shall ascend to heaven from the

Mr. Davis was elevated to his high povi-

tion by our suffrages and in response to our

sishes. We imposed upon him a responsi-

bility which he did not seek. Originally

opposed to the sectional policy to which

ublic opinion, with irresistible power. fin.

ally drove him, he became the exponent of

our principles and the leader of our cause.

He simply responded to the united yoice of

bis section. If he, then, is guilty so are we.

We were the principale, he was but affini, Lat not its retritution of initiality, mation be visited upon his band, while we, who urged him to his chefiny are suffered to

sscape. The liberal elemency of the gav-

erement has been extended over us. We

breath the sir and experience the blessings

f freedom. We therefore ask that the lin

der, who, in response to the designitual in-stingts of his flature, the principles of his

party, and the solicitation of his section.

because the head and front of our affending shall sigt ow be braised for our iniquities

punished for our transgramions. Mr. , Days

vis was not the lasder of a faeble and temp

porary insurrection; he was the represen-

tative of great ideas and the exponent of

principles which stirred and consolidated a.

umerous and intelligent people. This

people was not his dupe. They pursued

the course which they adopted of their own

free will, and he did not draw them on, but

followed after them. It is for theze tha-

in his behalf. His frame is feeble, his health

is delicate all broken by the storms of Stals.

He languishes ont in capitrit 1.4 fictificual punishment for the sets of his people .----

Thousands of hearts are touched with his,

distress. Thousands of prayers second to Heaven for his relief. We inyoke in his

schalf the gonerous areraise of the prerog-

ative to pardon which the form and princi-

ples of the constitution offer as a beneficent

instrument to a merciful Executive. We

ask the continuance of that career of plan ;

ency which your excellency has begun, and

which alone we earnestly believe can secure

the true unity and the lasting greatness of

the nation. Dispensing that morey which, is inculcated by the example of our great

Master on high, ydur.name will be trans-

mitted to your countrymen as one of the

benefactors of mankind. The Constitution

of our country, renewed and fortified by

your measures, will once more extend

protection over a contented and happy

ons that we invoke the Executive cleff

hearts of this people.

Tis rainy weather, my darling, Time's waves they beavily run; And taking the year all round, my doar, There's not a cloud more than sun. We are old folks now, my darling,

Our heads are growing gray; And taking the year all found; my dear You will always fud a May ! ded-that is, to ignoble persoots. Tell

We have had our May, my darling, And our roves, long ago; And the time of the year is coming, my dea For the slient angle of snow.

And God is God, my darling, And we feel and know that we can go Wherever He leads the way.
