And a series day of the series of the series

And he mang to, himself this nong : De wind higher sold, but, The done wid toll, And lef de cotton patch, I grees old Masse tink is count De skickens fore dig hatch. I biter no more de histy load, Nor drives old Missestround; I wonke who det's gwine to get 'To work de patch of ground.. Dis am de jubilee; Dis rahn inyy come; de wind may blow, But brees de Ford I's five.

But I tink last night as I tried to sloop,

Upon de muddy ground, While the snuddy ground, (And de wind was trippin on my head; (And de wind was whistin 'rond, I'd live to hab my light'ood fire, Ard my sahup back again, For de wedder's gottin berty vold Out here in all dis rain. But den I's done wid rake anit hee, Dis em de jübilde

Do rain may come, de wind may blow, Rat bress de Lord I's frea.

De rain may come, de wind may blow, But bross de Lord I's free.

De odder day when Pinky died, I tink it berry good,
 Dat de dear Lord should take hôr off Bofore die oold wind blowds;
 But den ivras hard to see her die— I wisbyhe'd not been be?n— I'se 'fruid, sho perished; for she asked About the rice and coth. But den i's done wid rake and hos, Dia am de jublice;
 De rain may come, do wind may blow, But bross de Lord i's free.

And Dinsh sits dere on de ground, And looks so thin and poor; She cannot sing the song she sung About the cabin door, About the cabin door, Her poor old limbs are almost bare, Her check bones comin' froo, T almost wish de Lord would come And take her sp dor too. But don sho's dono wid rake and hee, Dis ani de jubiles; De rain may como, de wind may blow, But bress de Lord she's free.

I drem't last night old massa come And took us haues wid be,
To de log oabin dat we lof
When first dey sot us free;
And der i built the light 'od i firs,
And plina cooked the yamDey say dat drems are sometimes true;
I wonder if die one am.
But den I's flung away de hoe To hab s jubiles;
De rain may come, de wind may blow;
But bress do Lord I's free. - Exchange.

BILL ARP ADDRESSES HIS CONSTIU-ENTS.

Respektabul People : i address you on this okkishtin with a profound admiration for the great consider stion and the nice disormination which baused you to hongr me by your votes with assent in the Sinate of Georgy. For two momentus and inspirin weeks the Logisla. turd have been in colemn session, one of whom Lam proud to be which. For several days we were engaged as skouts, makin a socier of re's mys mae to sas wheater Georgy was a State or Lojna territory-whether we were in the old Un-ton or out of it-whethme and my fokes and you and your fokes were somebody or nobody, and lastly, but by no means leastly, whether our poor inno cent children, born durin the war, were all illegal and had to be born over again or not. This inst pint are much unsettled, but our women are advised to be kalm and sereen.

eat setaras frequent.

My friends, out aim hav honesily been to sit you back into the folds of the gloryousuld Unvion. Like the prodygal son, we have

THE WIND AS A MUSICIAN.

The wind is a musician by birth. We extend a silken thread in a crevice of a window, and the wind finds it and sings over it, and goes up and down the scale upon if, and Paganini shust go somewhere the for Yant Secretary Ohandler and How Harvey Wat-terson have been very state on a significant state of the grant and the secretary of the secretary of the secretary of the secretary of the secretary secretary of the ern Slates to investigate scany oharges of fraud scalast theme is the sector is at being while the sector is at being walkes againant theusing the second s fax lingths winter and the start or care a start has not have of the hop and it does not diedein to try wint mit af
