Democratic Watchman

SENATOR WILSON.—A Southern journal draws this pen and ink portrait of one of the fanatical and mischievous Massachusetts Senators: In person Senator Wilson is not an exception to the general rule that a man's passions are always stamped upon his exterior. Somewhat above the average height, with a full figure generally arrayed in sanctimonious black, except the vest, wherein he apes the buff that so well became his noble predecessor, the great Webster; slightly bald, with straight black locks fringing the sides and rear of a head on which the phrenologist would discover egotism and obstinacy, cunning and acquisitiveness as the four cardinal points of his character; with a high, flat forehead; large vulgar ears that stand out with assinine suggestiveness; a keen dark eye that never seems to dare to look into yours, so restless and wandering is it; a large mouth that looks incapable of the utterance of a tender sentiment; a clean shaven face which exposes the flabby muscles of a fat dyspeptic; a form utterly destitute of grace; a voice wanting in sweetness; a countenance void and unlovable in its expression; a glance destitute of one shade of sympathy or affection; such are some of the personal peculiarities of the individual who, at this moment, aims to control the President and the National Legislature of our country.

CAN YOU SWALLOW IT?—We believe there are a good many well-meaning men in this State, who have heretofore voted the Republican ticket under the honest impression that they were voting to maintain and support the Union. They had no idea that they were voting to place the negro on an equality with themselves. If they were called upon to-morrow to vote on the question of negro suffrage they would vote against it. These men are deceived and cheated. It can no longer be denied that the Republican party is a negro equality party! It is the determination of the leaders that Sambo shall vote, that he shall sit in the jury-box and hold office and enjoy all the privileges of the white race! White men, let us make ready to meet them at the vital point, and reward them for their treachery and their infamy when the next election comes!—*Sunbury Democrat.*

NEW SKIRT FOR 1866.—The great Invention of the Age in HOOP SKIRTS.—J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge making the toughest, most flexible elastic and durable spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex elliptic skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.

A lady having enjoyed the pleasure, and great convenience of wearing the Duplex elliptic steel spring skirt for a single day will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

The hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all single steel hoop skirts. The three bottom rods on every skirt are also double steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc. which they are constantly subject to when in use.

All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lighest, most desirable, comfortable and economical skirt ever made

MEDICINAL.

LINDSEY'S
BLOOD SEARCHER.

LINDSEY'S IMPROV'D BLOOD SEARCHER
IN LARGE BOTTLES,
Is particularly recommended for use during the Spring and Summer,

when the blood is thick and circulation retarded by unhealthy secretions. This perfectly safe though powerful Purifier, cleanses and renews every portion of the system. It is the only genuine and original Blood-Searcher, which for years has performed the most wonderful, yet permanent cures, in confirmed cases of scrofula, old sores, tetter, tumors, boils, and all kinds of scrofulous eruptions.

It is also a reliable remedy for salt rheum, ring-worm, scald head, and kindred diseases.

As a general tonic its effects are most benignant, and cannot fail to benefit where used according to directions.

We make no claim to having discovered a "Panacea" or "Universal Remedy" for all the ailments to which flesh is heir; but we do claim what countless facts have fairly and fully established, that in the

BLOOD SEARCHER

the afflicted will find a "standard medicine," one upon which they can rely as a sure specific for all diseases for which it is recommended.

I have this day, October 7th, 1864, disposed of my entire interest in J. M. Lindsey's improved BLOOD SEARCHER, to R. E. Sellers & Co together with the right to use my name in it preparation. The only genuine article will hereafter be prepared by them exclusively.

One Trial Will Convince!

Baltimore, Fa rfie d Co., Ohio.
January 20, 1859.

Mr. R. E. Sellers—Dear Sir: I am entirely out of your "Imperial Cough Syrup." Will you send me, say six dozen? I do not want to be out of it, as it is the only medicine that will come so near raising the dead. It will cure the worst cough immediately. I have recommended it to person and given them one bottle on trial, and in every case they have given clear testimony that it gave immediate relief.

I have used it in my own family, and find it a sure cure for coughs and colds in all cases. One trial will convince any person that it is a sure cure for the worst of coughs and colds.

I am yours most respectfully,
A. L. SIMNONS.

The above is strong testimony, and offered without solicitation, in behalf of the best cough medicine of the day.

The Great Curative!

PITTSBURG, *April* 19, 1856.

R. E. Sellers: I have been troubled with a cough for the last ten years, by reason of which I have frequently been unable to sleep more than half the night. I tried many remedies, but all in vain. I heard of your Cough Syrup, and resolved to try it, and now state that the use of a few bottles has cured me entirely. I cheerfully recommend it as a safe, speedy, and pleasant cure for coughs and colds.

Yours respectfully,
WM. WOODS.

This is strong testimony, and given voluntarily.

JOHNSON'S
RHEUMATIC COMPOUND
AND
BLOOD PURIFIER.

THIS GREAT
INTERNAL REMEDY
is the best medicine ever offered to the public For the effectual cure of rheumatism, gout, neuralgia, dyspepsia, and as a blood purifier, it has no equal; for all diseases arising from an impure state of the blood, such as scrofula or king's evil, scald head, tetter, ring-worm, female complaint, and all break-outs on the face and body. The vast number of rub-on medicines which formerly have been used for those diseases were merely temporary in their effects, and of doubtful virtue, but the
RHEUMATIC COMPOUND
reaches the source of all trouble, and actually banishes the disease from the system by its immediate action on the blood. We advise one and all to give it a trial, and become satisfied of its wonderful power.

Having heard of your celebrated Liver Pills being for sale by A. E. Shorb, West Liberty, and recommended by him by my physician, Dr. T. Smith, I concluded to give them a fair trial. People wanting stoves would do well to call and see their stock before purchasing elsewhere, as by neglecting to do this, many have been sorry in the end. Jan. 17-'66. HAUPT & CO.
