DEFINITIONS.—The publishers of that "Great Unabridged" Hawkins called Webster's Dictionary have been adding new words to it and among others this:

"COPPERHEAD.—A Northern sympathiser with rebellion."

Very good Mr. Yankee Skulk. Here is another lot that you can add to your Humbug;

LOYAL LEAGUE.—An association of northern skulks to support the business of stealing negroes at the South.

PATRIOT AT HOME.—A man who is in favor of the war, but skulks the draft by a draft on his neighbor's pocket.

MEMENTOES.—Silk dresses and jewelry stolen from secesh women and sent home to your wife.

TROPHIES.—Books *captured* from a Southern Preacher's library and presented to a Northern Preacher engaged in doing Divine Providence on slavery.—*Urbana Union.*

FIVE DAUGHTERS.—A gentleman had five daughters, all of whom he brought up to some respectable occupation in life. These daughters married, one after another, with the consent of their father. The first married a gentleman by the name of Poor, the second a Mr. Little, the third a Mr. Short, the fourth a Mr. Brown, and the fifth a Mr. Hogg. At the wedding of the latter, her sisters with their husbands were present. After the ceremonies of the wedding were over, the old gentleman said to his guests:

"I have taken great pains to educate my daughters, that they might act well their part in life, and from their advantages and improvements, I fondly hoped that they would do honor to the family; and now I find that all my pains, cares and expectations have turned to nothing but a *poor, little, short, brown, hogg.*"

——An exchange says Ben Wade is a "regular radical fire-eater." Another remarks that it knows nothing about his ability in eating fire coals, but that he has few equals in the feat of storing away "fire water."

——It is reported now that Mr. Bancroft is a candidate for Collector of the Port of New York.

NEW SKIRT FOR 1866.—The great Invention of the Age in HOOP SKIRTS.—J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC, (or double) SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge making the toughest, most flexible elastic and durable spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex elliptic skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress,

A lady having enjoyed the pleasure, and great convenience of wearing the Duplex elliptic steel spring skirt for a single day will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

The hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all single steel hoop skirts. The three bottom rods on every skirt are also double steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc. which they are constantly subject to when in use.

All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical skirt ever made

MEDICINAL.

LINDSEY'S
BLOOD SEARCHER.

LINDSEY'S IMPROVED BLOOD SEARCHER

IN LARGE BOTTLES,

Is particularly recommended for use during the Spring and Summer,

when the blood is thick and circulation retarded by unhealthy secretions. This perfectly safe though powerful Purifier cleanses and renews every portion of the system. It is the only genuine and original Blood-Searcher, which for years has performed the most wonderful, yet permanent cures, in confirmed cases of scrofula, old sores, tetter, tumors, boils, and all kinds of scrofulous eruptions.

It is also a reliable remedy for salt rheum, ring-worm, scald head, and kindred diseases.

As a general tonic its effects are most benignant, and cannot fail to benefit where used according to directions.

We make no claim to having discovered a "Panacea" or "Universal Remedy" for all the ailments to which flesh is heir; but we do claim what countless facts have fairly and fully established, that in the

BLOOD SEARCHER

the afflicted will find a "standard medicine," one upon which they can rely as a sure specific for all diseases for which it is recommended.

I have this day, October 7th, 1864, disposed of my entire interest in J. M. Lindsey's improved BLOOD SEARCHER, to R. E. Sellers & Co. together with the right to use my name in its preparation. The only genuine article will hereafter be prepared by them exclusively.

One Trial Will Convince!

Baltimore, Fairfield Co., Ohio,
January 29, 1859.

Mr. R. E. Sellers—Dear Sir: I am entirely out of your "Imperial Cough Syrup." Will you send me, say six dozen? I do not want to be out of it, as it is the only medicine that will come so near raising the dead. It will cure the worst cough immediately. I have recommended it to persons and given them one bottle on trial, and in every case they have given clear testimony that it gave immediate relief.

I have used it in my own family, and find it a sure cure for coughs and colds in all cases. One trial will convince any person that it is a sure cure for the worst of coughs and colds.

I am yours most respectfully,
T. A. DIMMONS.

The above is strong testimony, and offered without solicitation, in behalf of the best cough medicine of the day.

The Great Curative!

PITTSBURG, *April 19, 1856.*

R. E. Sellers: I have been troubled with a cough for the last ten years, by reason of which I have frequently been unable to sleep more than half the night. I tried many remedies, but all in vain. I heard of your Cough Syrup, and resolved to try it, and now state that the use of a few bottles has cured me entirely. I cheerfully recommend it as a safe, speedy, and pleasant cure for coughs and colds.

Yours respectfully,
WM. WOODS.

This is strong testimony, and given voluntarily.

JOHNSON'S
RHEUMATIC COMPOUND
AND
BLOOD PURIFIER.

THIS GREAT

INTERNAL REMEDY

is the best medicine ever offered to the public For the effectual cure of rheumatism, gout, neuralgia, dyspepsia, and as a blood purifier, it has no equal; for all diseases arising from an impure state of the blood, such as scrofula or king's evil, scald head, tetter, ring-worm, female complaints and all break outs on the face and body. The vast number of rub-on medicines which formerly have been used for those diseases were merely temporary in their effects, and of doubtful virtue, but the

RHEUMATIC COMPOUND

reaches the source of all trouble, and actually banishes the disease from the system by its tonic and alterative action on the blood. We advise one and all to give it a trial, and become satisfied of its wonderful power.

Mr. R. E. Sellers—Dear Sir: I think it well that I owe to you and the public generally, to state that I have been afflicted with Liver Complaint for a long time, and so badly, that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by Mr. H. Sharp, West Liberty, and recommended to me by my physician, Dr. Daniel Y. Smith, I concluded to give them a fair trial. I purchased the box and found them just what they are recommended. The last Liver Pills that I used, and after taking four boxes, I feel the disease has entirely left me, and am now perfectly well.
