Dear Sir.—In regard to the question asked me as to my opinion about Backs, I would say that I have used and sold the artists in various forms for the past thirty years. I de not think there is any form or preparation of it I have not used or known the he mad, in the various diseases where such mediates agent menid be indicated. You are aware, as well as myself, that it has been extensively employed in the various diseases of the binduct and Ridneys, and the reputation it has acquired he my judgement is warranted by the facts.

I have seen and used, as before stated, every form of Betha—the powdered leaves, this simple decection; third the powdered leaves, this simple decection; third then, said t entracts—third I, sam not cognition to fany preparation; of that plant at all equal to yours. Twelve yours experience eagled, I takink, to give me the right to Judge of its partitud, and without preparation or partialities, I give yours precedence over all others. I do not write a thing according to the balls, if I did, other Betches would outside yours but I held as this excitate that balk and quantity do nytypapen my value—if they did, a corper can't within a third partial that balk and quantity do nytypapen you have been all the deciral that it is the deciral that it is the deciral and the partial that it is the deciral partial that it is the deciral properties.
