FOR GOVERNOR. HON. HIESTER CLYMER. OF BERKS COUNTY

The Only Way to Restore It.

We can imagine no position in which a people can be placed worse than the one we now occupy. A mere faction, a miscrable minority, has complete poaccomplishment of their own base purposes of robbery and murder, while they

No one of sense can doubt for a mo yet the minority is in such a position as majority from being heard. A great mgh partions the motives and purposes section of our country is deprived of all of the invader might be. It is true Canalle death to da is a British province, but she is, in bilitated man, and his treatment since them, more than to all others, for the thou, many respects, left free to do as she that time has been everything rather vory reason that they best understand thouses, and on all questions of domestic than that which might result in his restoeason that they best understand chooses, and on all questions of domestic why reason that the best understand then the motity, acts independently of the mother ration to bodily convalescence.

against the minority in power \ \ \text{revo} \ \text{revo} \ \ \ against the minority in power A reco [country]. Hence, she was not the point lationary body has been sitting at Wash [at which the first blow for Irish independent which they are trampling under foot and that too, in such a way as to effect injuriously the very persons who are excluded from representation. The Constitution declares positively that each number of representatives so great that, if they were admitted, the legislation would be the very opposite of what violation of the Constitution, and subversive of free government? Or can of the South without destroying our own, we have little to say. The prople may yet have to enforc upon them the lesenough of our people are reasonable men to save us from the curse which is attempted to be put upon us. Is it not plain to any man of sense that if we con struct's Constitution which must inevitably work only evil to the South, there can be no union between us. We can not always hold them by force, and if we could, we would have neither Union nor a vast number of mem at the North, a nillion and a half at least, are in sympathe with the South, so that a majorita our citizens would be opposed to the fundamental law. Then, the fundamental law would have to give way to the people, which would be anarchy, people must give way to it, which would

We deny the power of this Congress must do it, cost what it may, or suffer evils in the future of which those of the past are but the type. When our fathers framed the Constitution, they recognised the existence of great natural principles which controlled them in adjusting the balance of the Union. The party now in power despise those natual principles and all their efforts to form a Union are in direct opposition to them Union must be so formed that the people of all the sections will be happier and more prosperous within it than they could be outside of it. If it is not, the section injuriously affected must, in the nature of things, forever struggle to overthrow it: and while such a strife is Why should we seek for some new besis on which to form a Union. their ranks the greatest harmony and good feeling prevails.

This magazine for July is upon our table, good feeling prevails.

If Grinner, had been caned by a Dembra tag react man he would have become! What a how it would have become! What a how it would have become! What a how it would have become! What a how! it would have raised from the ranks of the Puritans to whom he belongs! What proof it would

It is just the soul. It is just

Dr. CRAVEN, the physician of ex-President DAVIS of the Coafedersey, has nians look with mortification upon this written a Book. A book, too, that will result of their first endeavors to free Istantian the people of this equatry, when land from the thraidom of the oppression the horrifying details, therein given, of To a cool looker-on, however, any oth- that unfortunate man's prison life uner result was impossible. With the der the administration of HALLECK, military strength of the Canadian Gov. Stanton, Miles & Co. Dr. Chaernment and the neutrality laws of the VNN is a conscientious, bold man, corn cribs, pig stys and stables a few United States to militiate against them, and the history he gives in this years since, to disfranchise all foreigners, book of the horrible persecution and tyranny inflicted upon Mr. DAVIS, will leaders been wise enough to ponder the stir, with remorse and indignation, the reasonable chances pro and con, they would never have lead their enthusiastic in the country, north and south. Dr. Chaven was a volunteer in the army Much as the United States Government and rose to be a lieutenant colonel. Be-people whom, but a few years since it did may sympathize with the Fenian Brothing now out of the service, he is a free its utmost to ostracise, needs some clear man, and can afford to tell the truth; and this he does in the plainest and most one we now occupy. A mere faction, a miscrable minority, has complete possion of all the machinery of government, and is unscrupulously using it to the propertuate the power of a sectional political menor, and is unscruptly using it to the power of a sectional political menor, and is unscruptly. There, President Johnson was justified in enforcing the law against them, and know." And we esteem it a fortunate suited them whenever an opportunity perpetuate the power of a sectional political party. And while they thus hold in enforcing the law against them, and know, and we escent to a continuous fine and incorruptible physician occupies a positive out of office, had he done otherwise. not the slightest regard to the spirit of the government. It is as though a horde of pirates had seized upon a noble has no more sympathy with England's cusing witness of the last no more sympathy with England's cusing with the last no more sympathy with England's cusing with the last no more sympathy with England's cusing with the l horde of pirates had seized upon a noble has no more sympathy with England's cusing witness of the infamy and malig-A venal and partizan press might have were heaped upon Mr. DAVIS,, but now the infamy stands recorded in black and the overwhelming shame of the abolition

> When the truth is known, as it very soon will be, it will be found that the imprisonment of Mr. DAVIS has been a patrotic purpose to insert the independence and restablish the nationality of treland. series of petty annoyances and infamous tyrannies, calculated to break down his herrous system and wear out his health. He came to Fortress Monroe a weak, debilitated man, and his treatment since that time has been everything rather.

his mearceration a story got out that President DAVIS had been put in irons. ington for months calling it of the Congress of the United States while one third of the States are excluded from the states are exc ocratic party. But President Jourson papers delied most positively that any attempt had ever been made to manacle Democratic party, nor is the Democratic the ex-President. But the Democratic papers reiterated the assertion, and though not many believed it, yet there was uneasiness in the public mind, and t' e very fact that such an idea had been thought of, carried with it a vague sense of dishonor.

But Dr. CRAVEN'S book reveals the whole story-gives the occasion, the date and all the circumstances of the ironing of the great state prisoner. Captain Titlow, a courteous gentleman, and a citizen of our own state, was the officer charged with the execution of the infamous order The brave soldier blushed to his eyes at the dishonorable duty, and evinced the utmost delicacy and respect for the feelings of the unfortunate captive And such a scene as that was! Americans in foreign lands will blush to have this infamy of their government tles of the Republic in a foreign land, a son-in-law of Zachary Taylon, a man in feeble health, chained like a dog in his kennel-treated like the basest male. factor in the land Well may we blush for our Government, and exclaim

"O, justice!. thou art fied to brutish beasts, And men have lost their reason."

The treatment of the great NAPOLEON ment, bad as it was, was not equal to this. ne tree!
Let all read Dr CRAVEN'S book . the free!

His Position.

While the editors of the disunion or we do, yet they know as well as we that he is a Johnson man, or that he favors the policy of the -President, in prefer ence to that of the negro suffrage silvocates—Stevens and Sumner. They know that some eight weeks since when Gov. Curtin was visiting his friends in They know that he told the associate editor of that paper, in the office of W. P. Summer and the radical faction of that not for them, we could have peace and union any day They know that one

half just as warmly supported him. While it is of little importance who or what Gov. Curtin supports, as his his health, will prevent his support has no more stability about it an active part in the political canvasc. temptible lies to which abolitionism will resort, in order to leave the public under the impression that harmony and good facilities properly within the ranks.

This magazine for July is upon our table,

Before the abolition journals, that are now attempting to make capital out of the late Fenian failure, go to much more trouble to make honest Irishmen believe the only friends they have in this country are to be found in the abolition party, they had better inform the public, and Irishmen in particular, when they abjured the oaths, taken in hen roosts, and prevent them from enjoying and rights, except the right to be taxed fo the benefit, of "American Knownothing ism." The record of this dark lanters

organization, which is now attempting to gain a blace in the affections of th people whom, but a few years since it did ing up before Irishmen or any other fo eigners will listen to its hypocritical unvarnished manner. Everybody knows cries of sympathy. Think of a party sulted them whenever an opportunity offered, claiming now to be the exclusive friends of Irishmen and Ireland! Could impudence or insolence go farther? Another little matter which needs ex

planation, just at this time is, why the abolition members in Congress, voted down the following resolution, offered by denied that these unnecessary indignities Mr. Ancona a Democratic representa tive of the 7th Pennsylvania district which would have rendered President white, and all the world may see and Joursson's neutrality proclamation know the dishonor of the Republic, and null and void, and have given the Fenians an opportunity of invading Canada to their hearts' content .

war in which the Republic has been engaged; And Watercus, The British Government, against whom they are struggling, is entitled to no other or greater consideration from us as a nation than that demanded by the strict letter of international law, for the reason that during our late war she did inguest, by her conduct repeat her neutrality laws,

And Whereas, When reparation is demanded

And Whereas, When reparation is demanded for damages to our commerce, resulting from her stifful neglect to enforce the same she arrogantly denies all responsibility and claims to be the judge in her own case;

And Whereas. The existence of our poutrality has of list compels the executive department of this Government to discriminate most harshly against those with whate ever been faulful, in to only to the general principles of county which is abuild exist between friendly States, but also to the written law of their own matter may be the subject; therefore,

But a color, That the Committee on Foreign Affairs be, and they are hereby, instructed to report a bull repeating an act approved April 20, 1818, ontitled "An act in addition to an act for the punishment of certain crimine against the United States," and to repeat a law, and the first of the punishment of certain crimine against the United States," and to repeat the act therein mentioned, it being the neutrality law, under the territe of which we Possident's proclamation against the Fenians was issued.

These resolutions, it will be recollect-

These resolutions, it will be recollected were voted down by the representatives of the abolition party, by a vote of 87-all, abolitionists-to 35, nearly all Democrats. After the journals of abolitionism explain why these resolutions Irishmen that they are not the men who a few years ago did their utmost to disfranchise them; after they have asked the forgiveness of the Irish laborers of our country for the thousands of inshits and outrages they have heaped upon flouted in their faces, and in all the ages them, and have proven by their acts, to come, the people of this country will that their efforts as Knownothings, to execrate the names of Lincoln, Stanton place them beneath the negroes of this and Halleck. Here was a celebrated withintry, were only a sham, then it will statesman-a renowned leader-a chris be time for them to prate of sympathy tian gentleman, captured in honorable for Ireland. Until then, it is the basest warfare, a man who had fought the bat- hypocrisy, the most bare faced impu

JOHN DINGRS.

nucle lower shall they are losing and the poof suffering are allike due to the factious disunionism prevailed in Congress.—Kr.

— Horace Greeley mays in the Tribuna, June 4th: "When President Lincoln, on the surrender of Fort Sumter, cailed 75,000 men to arms, there was not the shadow of a statute to justify his demand Down to the meeting of Congress in July, he scarcely did a Constitutional act." For saying just that, Democrats were threatened with hanging at the time Lincoln commutical his illegal deeds. The hearity of Lincoln's crime in thus over-riding the Constitution was death, had be been legally fried by the authorities he made war upon Before the law he was a felon, even by Mr. Greeley's own confession—Old Guard.

THE EXCELSIOR ACCEPTS! THE EXCELSIOR ACCEPTS of More, sognet for the Hubbard Resper and Moves, to Reaper agents to a trial of their respective machines in grane by grain, as agent for the Harcelsior, I hereby give notice that I accept said challenge, and as my time is too much occupied to maste it in running over the county, will choose the place of Irial at or near Centre Hall, the day to be decided upon as soon as the grass or grain will permit of cutting. A fair trial to be given in all kinds, light, heavy, lodged and standing grass and the same in grain. The Breelsior is known by very one who has used it, to be the best Reaper and Mower in the market. The following are a few of its many excellent qualities:

market. The following are a few of its many excellent qualities:

1st. It is duraphe, and for simplicity of construction and contrivance has no equal.

3nd. With reaping attachments and all, it can be folded together in two minutes to the side of the machine, so as to pass through gates, bars, or from place to place, with as much case and as little room as a common cart.

3d. It is a double drive wheel machine—has the driving and a faguible cutting ber-and adjusts itself to the uneveness of the ground.

4th. Its gards are of the best charceal fron, faced with steel.

fore, (self dropper and all included.)

16th. A boy that can draw a team properly,
can manage the machine.

The following named gentlemen, with many
mure, in this county have used the Excelsior, allof whom are willing to testify to its merits. James Boal,
