Mu. H. T. Hulmbold :

Dear Sir.—In regard to the question saked me as to my opinion about Buchu, I would say that I have used and cold the against in various forms for the past thirty years. I do not thight there is any form or preparation of it I have there is any form or preparation of it I have not used or known to be used, the the various diseases where sight medicate, agent would be indicated. You are aware, as well as myself, that it has been axtensively employed in the va-vious diseases of the bladder and kidneys, and the reputation it has conquired in my judgement is warranted by the facts.

I have seen and meed, as heaters massed, develop form of Bucha-the powdered leaves, the simple decoction, thiotare, finid extracts,—and I am not cognisant of any wiseparation of that plant, at all equal to yours. Emelve years experience ought, I think, to give see the right to, judge of its merits, and without prejudice or partiality, I give years pheedeace were all others. I do not raise a thing according to the healt, if I did, other Buches would out-do your, but I hold to the deciral shat bulk and quantity do not make up value—If they did, a seppen sent went be porth more than happingholler.

and the flesh only I wild your Beine for its offer on palled.
I have eared with it, and have men baried with it, and have men baried with it, and the season of the bladder and hidsery than it have even eared, with any offer Beating of my other proprietly; wempound of affaithree mane.

Respectfully, yours, de " CHO. H. KRESEN, M. D. 140 Wood Brant, Pittinungs, Pa.
