It is casepte, easily managed, re liable, duraffle, compact and cleanly to work by, not as dusty as the common to realing machine, it is permanently fixed on two wheels for hauling and threating, and one man can more or shift it about in a barn floor more easily than a common threating machine. It is adapted to any common four horse or two-horse tread power, and requires leve hands and to more power than a common threating machine and shaker; it actually runs lighter and enables you to threating a common threating two horses and clean your crop in one half the time, it will deceed and to lead in the distribution of the common threating to be responsible if it does not come up to to all that is claimed for it. For the truth of the shore statements, I sould Fifty all perfors to the undersigned, who have purchased and used them for some time.

THE WORLD-RENOWNEI singer sewing machine.

There can be no greater evidence of its superiority over all others, than the simple fact that all of the faulors, without an exception, and all of the milliners, without an exception, in Contre county, are using it in preference to any other, thus is a fact that cannot be disputed. There are also hundreds of private families and farmers is cvery jownship in this county who can and will testify to its unrivaled merits; in a word it is the only machine that will rew all kinds of goods, from the beaviest to the finest, and all kinds of thread. This I will warrant it to do, or me safe The Singer have been lately im roved so as to make it diseast moiseless, and simple in the extreme, and the price reduced It will eitleh, quilt, hem, fell, braid, tack, cord, gather and sew an the band at the same time; any child can operate it, and it it is warranted in to get out of order I give full and complete practical instructions on the mare inc to every purchaser. Call and see them.

KELER'S LANCASTER GRAIN DRILL, AND STEEL TOOTH HORSE RAKE.
There two machines are so universally used in this county, that they need no explanation further than to say that I keep them for sale.

The remainder of my stock thesists of BECKER'S PATENT MEAT CHOPPER,

Wolf's Patent Complanter, the best Fanning Mill in use, which is a perfect Separator and Chaffer, Corn Shellers, Churn, Plows, Cultivators, Monoce's Rutary Harrow, Farm Bells, Ice Cream Freezers, Washing Machines and Wringters, Hay Rievators Culer Mills, Porks, Shovels, Hoes, and everything that pertains to farming or domestic machinery. Those desiring the most fruitful

SEEDS AND FERTILIZERS. are requested to give me a call.

THE CELEBRATED TRIPLE

This power is all made of tron except the arms; it needs no recommendation, as its grad-nal introduction into all parts of this county es-tablishes its great supeniority over all others.— It applies to either belt or graned machinery.

Extra parts of machinery for lepairs are al-ways kept on hand for the speedy repair of any machine purchased at my store.

These plows are warranted and given on trial; they are manufactured at Centro Hall foundry, and kept at my store, also a full stock of shears and extra parts. Try one and you will find it runs lighter, steader, do better work and last longer than any other plow in use.
