BELLEFONTE, PA.

FRIDAY, MORNING, AUGUST 10, 1866.

TERMS -\$2 per year when put in advance 2,50 when not pald in advance, and \$1,00 when not paid before the expiration of the year. FOR GOVERNOR.

HON. HIESTER CLYMER.

## OF BERRA COUNTY

Opporatio County Convention. The Democratic voters of Centre County will set at the regular places of holding borough lay of Algues as executed and four clock P. M., to elect delegates to appear at a convention to be fell at the Court. If uses at Bellefonte, on Tunolay the 14th day of August, 1866. Which convention will put in normalition one candidate for Congress, (subject to the electron of the conference of the 18th Congressioned distract gene candidate for Vecenbly, one can lidate for Sheriff one candidate for Prothosofters, one candidate for Register and Recorder, one candidate for Commissioner, two candidates for Associated Judges on candidate for Auditor and one candidate for Croner. The number of delegates to which the electron districts are respectively enfitted is a follows:

Billefonte, 2. Michard 1. I noncille, 1. Phillipsborg, 1. Howard Borough, I. Benner. 2. Bogg, 2. Burnside 1. Certin, 1. Fergin. Bellefonte, 2. Succession of the Philippedrug, 1. Howard Borough, 1. removed 2. Boggs, 2. Burnside 1. Cartin, 1. Fergusin, 2. Gregg, 3. Hames 3. Habita on 1. Harris, 2. Howard, 1. Huston 1. Liberts 1. Marlon, 1. Miles 3. Patton 1. Penn 3. Pot fer, 4. Rush, 1. Snowdon 2. Spring Y. Tsylor, 1. Canty 1. ORV 16. Page 1. Canty Constitution, 1. Walker 2. Worth 1. JOHN II. ORV 162.

#### The Congressional Question

It is not news to university by to many of our residers, to know that a few of the "wire pullers and piles Domocrats of this district arb I by the disaffected of the abolition party are mak ing strenuous efforts to d fe it the Congress, and place on the test in season thereof, so no half fields I abolitionist cotton, and power or "Johnson Republican as they see proper to term them. That the effort keep voil families and they give you keep voil families and they give you That it should succeed none believe. That it should survey now good and arryon names to survey on but that class of individuals whose political principles are in asimal by the property was taxed to raise. longth of their niks and who would, as some glore over the repensal of right well a trap was laid and the Digno give vottle death the dualt ters marched matter. It is needless for They fed you, on wormy bissuit cloth

men, who fivor such a movement would hess be as foolish as to talk H brow to a prely the most insanc on that could be im- off with resolutions of thanks and last agined. In the district as it now stands ling gratitude there are some twelve thousand Demo:

They let your comrades rot in the priscrats, eleven thousand five hundred about on sof the south rather than admit that obtains and fiveen hundred. Johnson you and they were fietter than a magner. Republicans." This litter class assert! They showed their appreciation of your assert is true, then then simple refusal him an exter bounty of \$300 while you to vote at all, will leave a Democratic | are put off with \$100 ninjority of upward of five hundred while! their strengh if given to the Democratic crats should have nothing to do with a from candidate they might choose. So the The gifts that were sent you through Democrats have no humans to bare any could get their worth before you thing to do with them

No half way work will do ! No now-youlitical confidence of the Democratic par says and believes these things. ty And if they cannot vote for Democratic men and Democratic measures, how measures? Will some of the individuals

district see to it that these men, are not placed in the position to again sell them out, as they did four years ago

congressional district, there never was brighter producets of the success of a of the Democracy to answer

MUST BE GRATIFYING .- The fact that out of the earnings of the toiling sweating white men of the Northern States Twenty millions of dollars is taken annutoo indolent to try to keep themselves, must be a source of considerable gratification, to the thousands of the honest but deceived laboring men, who assisted abolitionism to bring this state of affairs this time In spite of its apparent confi about. They will no doubt tote for the donce, the Congress which has just adparty that compels them to work for the journed is the most radical that will ever nigger. If they do, they will vote for JNO. W. GEARY.

lieves that a negro is just as good as overthrow of that crime stained party in topping times. The President is dehimself. We admit it, and ask the and of all who are, by birth or adoption, termined to have none of his enemies in white voters of Pennsylvania, if under of that same kith or kin. the circumstances they might not just as well vote for some big Congo nigger for \_\_\_\_\_ The nogroes candidate—John W. GRARY. Governor of Pennsylvania.

#### A few Facts for Soldiers.

If men cou'd live on declarations of love, or keep their families on resolutions | 10 of thanks, the soldiers would be the best # Philadelphia, Convention provided for class individuals in this mot and accomplished the purpose, for broad land. But alas, windy professions good or evil, for which it has been call-won't buy flour or paper resolutions pur-edd together. What effect it will have howgiver, that abolitionism would have Democratic party is yet to be seen. We them live, for with all their pretensions do not hope much from it, but we trust of the soldiers, they have done nothing | sults about what they would do and pass windy resolutions of thanks and "lasting grati-

abolitionism will take the trouble to reflect, calmly and cooly for a moment up-on this subject, they will find that what we assert is correct. So far as the abo will use its influence and power to bring lition party is concerned, it has don't nothing and will do nothing for the soldiers It has been in power eyer since the war began, and if any one will point to a single act that its representatives have passed salgulated to benefit the soldier, which

washfor tacked on to the tail of some bill have hitherto made against it, and shall to emich speculators, or to further the in-terests of the abolition party, we will adunit that it-has done more than we have actuated by an honest desire to heal the ever given it-credit for From the day bleeding wounds of a four years struggle of the enlistment of the first soldier, to the surrender of the last confederate forthe surrender of the last to federate for-ces, the record of that party is nothing but a history of hypogrisy, transhery, and fraud, towards those who were fighting its battles and winning its victories. Is this not a fact? We ask you soldiers, to entangle that organization in the to answer us plainly, yes or no?

ors of the same magnitude as Bexum-ARNOLD and THADDELS STEVENS The only way for this Philadelphia Convention to make its a sembling a benefit to the country as for it to unite with the Democratic party and under the banners of that glorious olderganization. bald gander. Their erves 'policy' and the essent erse and emolument when you light the battles of the Constitution igninst the iniscrable hordes who are now trying to destroy the ancient landmarks of the people's liberty. We want no new party. The President does not need a new party. As long, as he ad ministers the laws of his country ande the Constitution, he will not lack suppositively, that they cannot and, will not , sorvious, by deslaring that the negro bore porters ; and ; in the performance of support the nominee of the radical port the palm, and they have proven that this duty, the democratic party will close tion of the aboltion party. If what they they believe I what they said, by voting around him like a wall of fire, and hull defiance at his enemies. If the Johnson men are enimestly desirous to over throw the fanaties who have brought so much misery upon our country let them come into the Democratic ranks and help elect Hieser Clamer In this way the good cause will be upheld, and a sur path opened up through the dark and

#### the certain progress of right and justice A Likely Story !

The abolition papers are making a to rible hellibellew about some woman in Virginia who hould have according to their story whapped three or four or should like to know how this occurred with its hundred of agents to take its of the negroes, to maintain which the white men of the Northern Scares, pritwenty millions of 4) has annually. They have the civil rights bill, and all the oth er laws that negro monomamae could invent together ath Gen Terry and the good hand only knows how many negto man has a ring for next, and white soldier soldiers to protect them, and yet in spite of all these one WOMAN could a hip to death rock in goods? Progspile story

that abolitionists are circulating so de terminedly can be imagined after on recollects that in the State of Virginia, there has not been's negro held as a "slave" since the fall of Richmond, and it is not very likely that any negroes, m matter how poor or dependent, would hang round their former mistress until

hang round their former mistress until four of them would be whipped to death But admitting that the report is true, which it certainly is not, why is the woman not punished? We have no account even yet of her arrest. Under the laws of Virginia, when negroes were held as servants, an act of this kind would have been punished with imprisonment for life. And yet under the enlightened (?) in the light (?) humane (?) and moral (?) administration of abolitonisms nothing at all is done, to satisfy the demands of justice, but paradocthe matter round in newspapers? We such a state of a flar readly exist in the state of Virginia, right under the mose of the officers of the county and in it, right under the mose of the officers of the nearest of the state of Virginia, right under the mose of the officers of the nearest of the state of Virginia, right under the mose of the officers of the round in newspapers? We such a state of the nearest of the county and legation with old musics, in the shape of a Sooch bugpipe, were followed by large of the officers of the county and legation then out of the county and legation with old musics, in the shape of a Sooch bugpipe, were followed by large of the officers of the pooks trains brought fare?

cratic party is yearly forsaking itsold grounds and crossing over to the doc-trines of the abolition party. The other says that the Democratic party was once honorable, great, and good," but that now it is "corrupt, treacherous and unworthy the support of any man." The only conclusion we can draw from this kind of talk is, that the greater the amount of abolitionism that is instilled into it, the mo e corrupt, treacherous, and unworthy it became, Certainly

these two papers together, don't say much for the abolition party. -Since the adjournment of the disunion Congress, the heads of radical office holders are dropping like corn stalks office, and he is right. It is the most insane folly for a man to feed and father a pack of fellows, who devote their entire time to villifying and traducing him.

### What You Vote For.

Every vote cast for Joun W. Geart. Philadelphia Convention will have the transcury robbers, public planderers. president revilers, and the whole host of political thieves who are now filling their pockets at the expense of the people. Every vote east for JOHN W. GEARY. is an endorsement of the party that has declared the constitution, a covenant with death and a league with hell-shat violated its oaths-inaugurated war-burnt cities and desolated valleys-filled prisons with innocent patriots, the ground with dead white men, and the ountry with widows and orphans-ounpoverished the people with debt, and enslaved them with taxation—ravished white women and murdered white men -made the rich richer and the poor namer, and mut in the few hours it was ot robbing or committing outrages, upon the recorde, Luighing at sumity lokes

and obscohe stories.

Every tote east for Jony W. Gevny, s in favor of negro suffrage - negro equalty-amalgamation and hybridism--in rupt and debauched bongress that are Soldiers Come ' Hursa't ' Hursa't ' benefit negroe

Every vote east for John W. Geary s in favor of disumon -of taxation with out representation -of consolidation-of war, anarchy and the total destruction or

the American Republic

Every vote cast for John W. Geary, s in favor of exempting the wealth of the bond holder from taxation -of compelling the laboring men to pay them large interest for the money they have loaned to the government and then tax es besides - it high tariffs and the exorbitant prices everything conjugately today and of compelling the laboring classses to toil on, to maintain idle niggers

of this State, and do great injustice to the late
delender of the Constitution and the Union.

defenders of the Constitution and the Union, therefore he it.

Resolved, That we, the authorized representatives of our late companions in arias, do repaid at the proceedings of the Pittsburg Consention of the 5th of June, because they do not represent the true sentiments of the officers, and diets and section of Pennsylvaina.

Resolved, That we hold the same belief now, that we dot when we took up arise in 1864, that the war was a war for the Union, and for in other purposes, that the dayon, made with the government when we took up arise to defend her a good armset rebellion is found in the joint resolution of Congress, adopted July 22, 1861, which declares that this war is not prose uted on our part in any spirit of apprecision, not for any purpose of conquester within garner, but to defend and inscolute.

Resolved, that we repudiate the action of the Resolved, that we repudiate the action of the Resolved, that we repudiate the action of the Resolved, tongree, which is an insulpting-searcy offices, which and seeman Who were the tested and the three constructions of the redefined from the resolved in the redefined and yellow the redefined that the enemy could not divide the Union, and the frinks of our tool and blood bought victories that our tool and blood bought victories that the redefined from the sages, and as further made known to the country in the treatment of the States lately in rebellion. We believe it to be just and better daupted than any other known policy to restore those States to their constitutional seistions to the Union, and bring renewed peak happiness and prosperity to the country. It is to keeping with the generous treatment which a migniminous via tor awards to a brave fee.

Resolved, That the action of Congress in robusting seats to the Senators and members from the South without her consent strikes at the vital principle of constitutional theiry—that there can be no ita various without representation.

Resolved, That we are opposed to negree suffrage, and all legislation that has for its object the resing of the negro to seein and political equality with the white man, or to make Aun the pet of the nettern, meets our unqualited disapproval. He and his friends should be satisfied of constitutional thery—that there can be no ita various meets our unqualited disapproval. The wear opposed to negro suffrage, and all legislation that has for its object to remain of the negro to seein and political equality with the white man, or to make Aun the pet of the nettern, meets our unqualited disapproval. He and his friends should be satisfied to constitutional theory—that there are be no its various means of the country.

Resolved, That we return thank

Nem Adhertigements.
