FRILOW DENOCUATS, show your love for Democratic principles and measures, by exending a trifle yearly, in the furtherance of the cause you profess to have at heart

FATAL ACCIDENT —We understand that Mrsz Erb, wife of Joseph Lib, esq., sr.; residing a short distance above l'ine Grove, while passing down the stairs at her hom r Friday last, tripped and fell, injuring herself so severely as to cause almost m

Por Visir -Mr D & Dennan, editor of the new 'My Policy' paper the Luna Republican, at Williamport, paid us a pop visit on Tuesday last Barring his politics which is an admixture of Johnson, Cowan, agd some other kind of abolitionism. Dex HAM, is a pretty good fellow, and gets up

A Spraken -Mr. Charles Faubanks, stranger who arrived in town on Monday, addressed a number of our estizens, on two different occasions, on the issues of the day ground, and threw some beavy shot into he camps of abilitionism. He is evidently well-read man, and his speeches indicated ability of more than ordinary character

Nor Counker - The rumors in circulation here last week, as to the probable death of Rev. Mr Shipe, by foul means, have since been ascertained to be untrue. His pocket book was found in his pocket untouched, and there was no bottle found by his side His death was undoubtedly caused by beby violently thrown from his sulky, and perhaps dragged a considerably distance This will set at rest the minds of those who that his decease was the result of ruffinally

has lately displayed his mechanical skill, to good advaninge, in lettering the "Bro kerhoff House" with the name of that fine hotel The letters are all gut in wood, seperately, nearly gilted in face, with blue edges They are 22 inches in height, and show handsomely from the street. The job is a good one, and reflects credit upon Mr. irtz s mechanical skill. We submit that while our up-town cotemporary makes but an indifferent abolition editor, he would make an elegant engraver. He had better

LIDERBERY WISE -We know that our thing readers will thank us for the following plague, to know that the annoyance of these ot for making this excellent beverage :-- The berries should be gatherkerosene oil and two thirds lard oil applied ed when perfectly dry, and if one is very particular in regard to flavor, the beiries to the legs of horses oxen or cows, with a feather or, brush, or what is better, but separated from the stems, mash fine, then add two gallons boiling water to one of pu mace, and let it stand until it begins to fer After pressing out the juice, add oxen, having it applied twice a day, on three pounds sugar to each gallon , put intheir going out to work-morning and noon to clean casks, jugs, or demijohns, fill them full, and ke p them full as it tends to fermentation : then cork us air tight, or bothorse, uneasy, ficting and stamping, be-comes, after the application, at once quiet. Those who sympathize with the noble an tle off It will be fit for use in four to six months, but will improve with age. If the quantity to be made is small, it may be pressed in a course stininer, or a piece of them from these pests, will be glad to use ourse cotton fiannel, or, what is better, a any narmless remedy which will spare in strong cask with holes thickly bored through it, and put under a hand cider mill or cheese press

DELEGATE ELECTION -To-morrow (Sat- cd Cows will give better and more milk urday,) is the day for the holding of the from the rest that they will get from the use of this mixture

and whope wise and judicious selections may everywhere be made of delegates to at tend the convention, which assembles in the court house, in this place, on Tuesday, the 14th inst. Let out Democratic voters all turn out, so that a fair expression of the will of the party may be had at the primarity election. We want everyting to work harmoniously, and to this end we must thive men in the convention who will consider the interest of the pirty as of more aconsequence than the individual interest of samp particular candidate. We believe that if some party may be fall at the primary particular candidate. We believe that if some party particular candidate. We believe that if sure best men be sent to the convention it will give us candidate whom we will be proud to support, and under whose banners we can all yally with at enclusions.

Business Notices.

Associated May Provided Fallows provided the friends of Maj John Neff, or Centre Itall, have provable on him to have his name announced as conditated to Associate Judge. Knowing the Major to be an unfallering Democrat, when the first primiting admits the first primiting admits the primary leading the position of Associate Judge. We have had communication with him this morning, and he consents to serve providing the people would elect him but he would not put forth any efforts. Now the would not put forth any efforts. Now the would not put forth any efforts any perforts and under whose banners we can all yally with at enclusions the support, and under whose banners we had not prove the proposed of the democratic party are and the primary perforts of the democratic party are and the primary perforts of the principles of the democratic party are and the primary performed the primary remove danderiff and the primary performed the primary performed the primary performed the primary performe delegate election throughout the county, use of this mixture

THE SCHOOL -Just at this time the ques tion of who shall be the Principal of our High School this season, seems very diffi-cult to answer. The Board are at a dead lock, and can come to no conclusion. At the last meeting there were three for Mr Woods and three against him, and as neith-Solution and the other grades have been selected, and the only obstacle now in the unsy of a speedy opening of the schools is the question of who shall be a considered.

son for his retention that both citizens every pimple, and made her face as smooth as avory. These are facts. and scholars have pelitioned for his return. This, we believe, is true A petition, sign-

WE request the attention of our readers to the ed by forty or fifty of our citizens, is now card of Burns & Smucker, wholesale grocers in the hands of the Board, asking that Mr. and produce and commission merchants, No 605 Woods, may be retained, and there is also Market street, Philadelphia. These gentlemen one from his pupils to the same effect. It own one of the largest and most extensive esis certain that the return of Mr. Woods tablishments in the city, and as a consequence would be satisfactory to probably the majority of our ottisess, but it is equally certified will do well to call on Barns d. at; that there are a large number just as Smucker when they go to Philadelphia for their

BAGGER
has no equal It is simple, easily managed, rehindle, durable, compact and cleanly to work by,
not as durty as the common threshing machine.
It is permanently fixed on two wheels for hauling and thresing, and one man can move or
shift it about in a barn floor more easily than a
common threshing machine. It is adapted to
any common lour horse or two-floorse tread power, and requires less hands and no more power
than a common threshing machine and shaker,
it actually runs lighter and enables you to
thresh and clean your crop in one half the time;
it will thresh and clean all kinds of grain thoroughly clean by one operation, ready for market, no matter hay filty. Give it a trial. It
is corrusted to give satisfaction, and Tam willing to be responsible if it does not come up to
to all that is claimed for it. For the truth of
the above statements, I would refor all persons
