On Wednesday, Hon. JAMES R. 1900 LITTLE, was chosen permanent Presiden of the Convention, and in an appropriate and eloquent speech, assumed the duth But we do not mean, to of the Chair.

enter into a detailed account of the proceedings of either this day or the day following, when the convention finally adjourned. It must suffice to say, that the transactions of the Convention were in entire harmony with the spirit that distated its call, and history, we think,

will class it among the most emmently patriotic, country loving and conserva tive bodies that have ever assembled in any country Its main features are its resolutions and address, which we hope

animus of the men who composed the convention, and are the joint production of some of the ablest and most emment minds of both parties in the land. We append the resolutions, and shall publish the address at our earlist convenience.
