BELLEFONTE. PA. FRIDAY MORNING, OCTH9, 1866.

TERMS -\$2 per year when paid in advan 2,50 when not paid in advance, and \$ 1 00 when or parl before the expiration of the year.

No Despondency.

If there is one thing more than anoth er that should easse the hears of party of the country demanded higher duties to make higher prices and it has battled being expressions of the country demanded higher duties to make higher prices, and it has battled being higher prices. late election. Although in one susse of the word they were defected although the country discriminated against being and for the widthy, by loading the la mans had come to the conclusion that borers of the country with taxes in order success was certain and a results inding that its wealth might be exempt. When issues again of which was of the most importance to our country, and our time importance to our country, and our and gave him to meessaries of life at and gave him to meessaries of life at wital importance to one counts and our race—were deerled around hem get there is no discourage neon, no feeding like gring up the field manifested any where on by this one who has issued to higher point in finite manifested any where on by this one who has issued to higher his and single field. The mands of the country to pay their own. It prevented his labor from come every section of the subsect of the country to pay their own. It prevented his labor from come every section of the subsect of the country to pay their own. It prevented his labor from come in the proposition of the grian hors of the subsect of the country to pay their own. rious redungs of the greate hots of Di-morary rallying to their organization, and preparing for another light. The form of the return, of the the of October nod preparing for another light. These me in the returns of the short October making fews to protect his rights and that their a such as a surface making fews to protect his rights and prevent them being over ridden by Corands and that how a surface making fews to protect his rights and prevent them being over ridden by Corands and their love will be invited been money power. In every way at all money power and contained and communities the to the fright to despend on and determines and under full encumstances the minution of their opponents. Good men true men, homest men as tens of thousands have need them seeds east fall and in place of polling 25.749 cores the number polled in 1800 to make depose handed thousand

who will stand by their country and race those who would make them in a server who will stand by their country and race i and crush them with their oppressions -three hundred thous and white men! where is the power to verside them or the poor men, those who voted for alle in these figures to dish arten any Domo crat? And it is because the figures are the choice they have made we shall be the choice they have made we shall be those they have made we shall be the choice they h show that the people the reading, resion of eighty thousand rive men that ng and going into another conflict with renewed energy and determination

Through the importation of votes from other States, fraudy, bribery and other species of political chicanety, the enemies of our Ropublic of our Umpn of our race, have succeeded in keeping up their show of strength but it has only been a shore, for let them stand upon their own merits and strength, without the means to cheat and deceive, and they will not have a shadow of a chance have excited in the minds of their delugan abolitron paper gives the following ded followers will be dispersed by facts a somable advice to its readers. on hiresies that emanated from the desendants of witch burning puritainsm with no record to is her to butfa record of hes, impressed upon the memory of the people by the wongs and outrages they inve heaped upon them, with a future that promises nothing but a harvest of blood, anarchy and desolation howers they expect in thing but defect and

terminations strengthened, with the belief in the righteousness of our cause more firmly impressed upon our memo-

The State Senator and two members of the Legislature.—
The State Senator and two members of the Legislature in Philadelphia, one member in the Lycoming district, and one member in the Adams district. Another hand or two of this kind will give them a majority in both branches of our State Legislature, and place our grand old Commonwealth all right.

Legislature are grant and place our grand old Commonwealth all right.

Democrate have the consolation of ___It, is again reported in Washington knowing that it is better to be always that Messes Sewerd and Stanton will soon leave the Cabinet. --- Democrate have the consolation of right than always victorious.

The Laboring Man's Party.

White we have no desire to recriminate, and certainly no intention of chal lenging the hone to lthough we doub it very much - of the great masses who voted for the representative of puritan abolitionism at the late election, yet we cannot help thinking to what extent pas on and prejudice will lead men too The Democratio party has ever been the party of the poor man. It has held him up and helped him along, when the bloated aristoctat, who fattened on tariffs and subute wrung from the laboring menof the country, did then best to trample him down It has stood by his interests when the pampered manufacturers of for his rights when the law makers of gi and old Democratic party the party of the country and of the people, stood by names poned in 1800 to a have dep is used in the ballot row upward of their whom it has protected and defended and fed have allowed the pitiful projudice in moneya mousanet.

Is there anything decompaging in that? Stilled into them, during the personal forms of them. A marginal them to assist its enemies brave men in the Old Keystone State and place themselves under the fingers of those who would make them then slaves.

Where is the power or crush them down? Is there anything the poor men crush them down? Is there anything the poor men crush them,

usiderably disappointed. If their preju be secan be kept embitten dand their flecting mass at a convergition selve un-oughe side of Benegation and right be-the side of Benegation and right beon the side of Deathers, and right because the users which worst engines that during the last year the Democratic ranks in this State have been increased by the right sound frighty thousand right much that dice and prejudice out, that induce poor men to vote for their oppressors. principles would lead them the other way -back to the party libar has stood by them, the party that comade up of mentaloring for the common interests of all laborers the pairty that is battling the combined powers of monopolics cor-portions and bloated aristocial conference glorious old Democratic party

Fruits of the Result.

WE have no doubt but that it will be Circumstances will not always favor them good near to those who voted for high as they were favored this fall. Money trusts and high prices to know that the to purchase the purchaseable will not all advance has already begun. Since the ways be as plenty. Prejudices that they degion of Geary the Circimsti Times.

ded followers will be dispersed by firsts as a sounds advice to its readers that will be apparent. Funds to import solves in which will be apparent. Funds to import solves in which into a control of the solves and before the control of the contro

ling to the men who work halt the year fact—the certainty that the feelings the wishes, the desires the confidence of the time have nothing to do. They will no people are not with them and the assu doubt feel elated to learn that prices of care not with them and the assu-that had they "played an honest without appealing to passions without appealing to passions."

So than they are now and that labor directively, and in two or three degrees on the passions without appealing to passions. game, without appealing to passions and prejudices or resorting to frauds and deceptions, that they would have been beaten at least thirty thousand—that them nore like the finger of destiny—sympathize with the hard first disappointed. nursday, November 2)th Set Apart Thanksgiving Day--Proclamation by the President.

the Baltimore lingette says

the Baltimore lincette mays.

The celebrated Du. Chailin, the Exqueh explorer of the interior of Africa, and the discarcier of the Gorilla, gave last week. Before the British Association, at Notinghom, a full and highly interesting account of his discoveries in Wrica. It will be remembered that great doubts were thrown upon M. Du. Chailin s narrative when it was first related, and Du Chailin s. (Gorilla was looked on as a good joke. Srf. Roderck, Murchison, before W. Du. Chailin addressed the authence at the treent meeting fook occasion to clinde to this fact and to make known that W. Dr. Chailin had fitted out a ship at his own costs, and revisited the.

W. Du Chaillu then described an immense. hakes their apparent victory sognition with the hard first of about the hoars of bridge of destiny pointing downward to the defeat that even now stares them in the face, than the harbinger of hope to there them on They know it is their host "victory.

They know that their lanks are only kept full by the basest frauds and victs deceptions, and it is this howledge that childs more than their success cheers.

And looking upon the result just as it is, with a full knowledge of all the means used to bring it about, have not the Democrats good reason for encourage ment? Wrong may triumph for a while but right must-succeed and with our determinations strengthened with the her finds.

The official returns for this distributions of the desired principle of "a tooth for a tooth. No fill lowance was made for accidents; If one serve the harbones of a constitution of the past They believed in witcherial returns for this distribution.

The official returns for this distributions and their with them.

The official returns for this distributions are considered in a constitution of the decident that the hard first distort for the hour tree was in a primitive who votes to make his kiping come as the primary distortions who votes to make his kiping come as the primary distortion the hard first distort for the hour tree was in a primitive who votes to make his kiping come as the primary distortion who votes to make his kiping come as the primary distort. All law was in a primitive who votes to make his kiping come as the primary distort. All law was on the castillation for this time for this only a tree was always which and they work. Man was in a primitive who to the primary distort tree was always which and they work Man was in a primitive who to the fort them on the forthis tree fast in these regions. All law was on the castil about tree was larged to took for them on the forthis marks are only and the hard tree was always which in the forthis tree was laways which in the fortions of the forthis marks are only and they work. Ma

before the righteeness of our cause more firmly impressed upon our memories, with our hopes beighteened by the results of the late election, and with the certainty of success awaiting our renewed efforts we will go must be battle again, feeling that although defeated we are not conquered.

Every patriot must regret the result in the certainty of success awaiting our renewed efforts we will go must be battle again. The prophet of the district if he had been not conquered.

ONE WAY or Dotyn Ir—One of the ways by which the negro split agents as cured the election of the form of Smekers or the ways by which the negro split agents as cured the election of the form of Smekers or the form of the form of Smekers or the form of the form of Smekers or the form of the form of the form of Smekers or the form of Oregon and the Amendment.

shall give strength to be people the blessing of page.

Lord shall give to his people the blessing of page.

In witness whereof. I have hereunto set mylhand and caused the seal of the United States to be affixed. Done at the City of Washington, this eighth day of October, in the year of our Lord one thousand eight hundred and sixty-six, and of the independence of the United States the mily first.

NDREW JOHNSON

By the President

WILLIAW B SKWARD, Secretary of State

The Negro "as he was," Before "Reduced to the Control of the City of the Control of the City of th know you are doing a great wrong. The congregation had hired you, it has built a house for you, and you promised to preach them the Gospel. Are you doing it? Notake and of the bread they bargained for you have given them a "stone," instead of the fish, you promised them jou have given them a "stone," instead of the fish, you promised them jou have given them a "stripent" that stings to the very depths of soul. One word to your congregation and we are done. You that are Democrasts of Mr. Brittain's congregation at loadburg, why do you sit like athinp and lasten torsitch stily decrimes, as he preached to your being as freeman." Awake "five no counternances or money to a man who will thus impose upon you by making pointers speeches in your pulpit.

Truly your

FRIEND
