THE JEWS. THE HUGUENOTS AND

For more than three thousand years the

lews have been continually exposed to the

most relentless, cruel and causeless persecution. Long before the disming of profans history we find them sustaved in Egypt After that time and before the Christian ern, they were repeatedly subjugated and rold into bondage. When they were finally conquered by Titue, many thousands were sold as Juves and the rest scattered over the tace of the then known world. This cinel persecutions than they had yet been exposed to. That decree made them black in color, and defective in their moral and intellectual untures. When a Radical Congress succeeds in reversing that decree, and obliterating its signs and its manifestations, they will without effort, take and occupy beside us the same political and social standing that to greased every part of it but them sticks the Jaws and Huguenots new do.

ing "fera-nature" (of a wild nature,) ethers as domestic or tame. Now the mailard duck, the pheasant, the buffalo, the sebra fowls, the ox, the horse and the dog are of species of each of these wild and tame elasmuch more than the negro or the Indian de the white race. Looking to the natural history of man, and every one must see that the white race, and the Chinese or Asiatie yellow race are naturally and congenitally tame or sivilized races, and that the Indian end negroe races are wild or savage. The former have ever been tame or civilized ; main, wild or savage. Ordinary history natural history, and all human experience teach the same lesson on the subject - Rick-

---- A young American lady was riding in the Bois de Boulogne, with the daughter of one of our efficials at Paris, when a gentleman drove past in a plain equippage, from an exchange.
