Would Like Now. -- Many of our town readers would be pleased to be inform d upon what basis -- wealth -- amount usedpulities-good looks-occupation or age- the water tax in this borough is levied .charge give them, a little light on the sub The columns of the WATCHMAN Are open to anything they may have to stat-

ADVANCE PAYMENTS .- We, notice of our exchanges comes to us, with notices that hereafter their terms will be advance payments for subscriptions and cash for advertisements at the time of insertion. We io not wonder at this. It has become necessity. Everything used in the poin me line is about as high in price as at any previous time during the war and has to be paid in cash. Printers must have an extraordinary good establishment or a big purse to carry on business any length of time paying their current expenses in cash and waiting for their own pay one, two, three are spare, use it in such a way as will begefit more years. That kind of business don't thousand dollars proposed to be put in a Monument, would establish prochool for orphan children that would be more useful pay. As a necessity, then, advance and cash navments for subscription and adver-Printers are entitled to their pay as well as

CANDIDATES FOR THE GALLOWS OR PENI ENTIARY .-- If some of the parents whou Bellefonte are not raising exudidates for the Penitentiaries or the Gallows, weado not now what course they should pursue to do Scarcely a night passes but one can widows orobons and cripoled comrades of those whom they would build a monument revelve or even one g'olook, a score of boys Tunging in age from eight to sixteen years, over -- not to honor the dead, but to gratify swaggering along, smoking, chewing, swear ng. and using all manner of vulgar and ob-cene language. Oaths are but the step ping stones to greater sins. Darkness serves as a cover for crimes, and the youths o this place seem to be using both. Unless Office. parents extend a more watchful care over their children, they will hear of picke ockets, barken locks, common druntards and public vagabonds, and have the satisfiction of knowing that their offspring are the guilty wretches who will be amenable to law, and despised by every one.

IMPROVE THE ROADS .-- There is no single pertain to the lecal public, that adds more o the comfort and convenience of the peo ple generally, than good roads. Every one cognizant of this fact, -- for every one use may be, and yet there is no public matter but receives as little of the public atten to keep the roads in good repair, and we want that should be in the bar of every landlerd suppose it is because there is no law comcling the expenditure of any considerable ount of either of these, to be applied to is purpose, that causes so much neglect. on sense view of the matter, they would stand that car young friend and herother typo.

Walter Diesenbach erg., lately a compositor in the Warmkar Orales, has dropt his "stick." ere that it is greatly to their interests as reli as comfort, to keep the roads in the the HAVEMBAR UPRIOR, has group her before high the wind in and gone into the mercantile "bis," in Sugar Vallay. Well, we hope Walter, may find it mere profitable to stand behind the counter than at the "cass," and we carnestly with him the most enbouraded reconstilly with him the most enbouraded reconstilly. best possible condition. Rocks, loose stone uts and rickety bridges are worse enemies. han many may imagine. They not only obstruct business—interfere with sociabiliy-prevent the enjoyment of a pleasant ride-oppose the interests of the commucess. Our friends in Sugar Vally will find him an houset and accommodating fallow, and can fast confident of securing the worth of their
