Dear the bearts of sil true men Owing to their greater destitution

want of information on the part of their rel

to have amounted to \$10.61.,000, which ould all have been applied to the payment of the deht of the Commonwealth in th last six years. A careful attention to the revenues of the Commonwealth, with such st and prudent changes as may be required in the fature, and a wive economy in expendsture, will, in my judgment, ensure the entire payment of the debt within the period of fifteen years.

The time fixed for the redemption of \$23 108.626 24 of the indebtedness of the Com monwealth having expired. I recommenthat provision he made for the redemption naking a new loan for that nurner payable at such periods as the prospective perenues will instify.

I recur, with much satisfaction, to the wisdom, prudence and economy of the repof the people, in the manage resentatives ment of the finances of the commonwealth during a period of much emberrasement, un certainty and disffers, and cowgratulat you and them on the near approach of the entire liquidation of the public debt.

Since my last Annus! Mersage, I have drawn from the Treasury, two theusand dollars of the fund placed in the hands of the Governor for secret service and other extmordinary expenses, which thave expended, in payment of my personal staff, and for other purposes, as heretofore, exand five hundred and sixty-three dollars and forty eight cents, which I have returnad into the Treasury.

I present, for your consideration, th ents to the Constitution of the Uni a basis that would recure to the Republic ted States, proposed to the Legislatures at the several States by a resolution of both onses of Congress, passed on the 16th day of June last. I was glad that it ges posei

ble, without delaying the final adop these emendments, to second ain the opinion

of our people upon them. at the general elestion, in October last. By the election of a large majority of members openly fa voring and advo. ating the amendments, that opinion seems to me to have been abundantly expressed. Indeed, the a mendments are so moderate and reasonable in their charnotes that is would have been autonishing f the people hait falled -to approve them That every person, born in the United States; and free, whether by birth or manumission, is a citizen of the United States, and that no State has a right to abridge the for some time in progress What is called justice. the decision of the Supreme Court of the The C

ty commissioners It is impossible to provide, in all respects national laws, it will be an admonition to the nation that the animus and force of tree for the increasing and changing interests of our phople, by the ensement of general laws, but to a large extent it is practicable son still exist. among a people who enjoy one of the privileges of the government. save of its generous tolerance.
