I was induced to buy two bottles of the American Life Dropp, through the high recommendation of them by a friend, as always curing Diphtheris, soughs, solds, sore throat, bronchitte, &c. My son, sixteen years of age, was taken sudenly ill with diphtheris and could recreely speak or wallow, his breathing was so bad. We were much alarmed, but decided to try the Life Drops, before calling a physician. By using the Thips according to direction, he was sood relieved and the disease entirely boxten up. I let a friend seffering with Rhoumstian have one of the bottles. He says the Life Drops gave inmediate relief, and are the big medicine he were used. A family near hing affering from Colds and Ulcarated Sore Throat, yeed some of his and were cured in a short time. Since then I let my brother, a physician, have part of mine, and with which he cured a bad case Diphtheria. He is constrained to acknowledge that they are valuable. Truly yours, A. B.
