A Lecture on the Mafure, "reatment, and Radical Cure of Epermatorrhica, or saminal weekness, involuntary Emissions, sexual debility, and impediments to marriage generally, nervouncess, ennumbrion, opilepsy and Fitzmetal and physical incapacity, resulting from self abuse, &c.—By ROBERT J. CULVER. WELL, M. D., Author of the "Green Book, &c. The world-renowned suthor, in this admirable lecture, clearly proves from his own experience that the awful consequences of self-abuse may be effectually removed without medicine and without dangerous surgical operations, bougies, instruments, rings or cordinals, pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically. This Lecture will prove about to thousands and thousands.
