Bostov, Mass.

Onain Sninnan d Co.—Sirs.—Now thistanding my general prejudice against proprietary for patent) medicines, I was induced to buy two buttles of the American Life Drops, through the high recommendation of them by a friend, as always curing Diphtheria, coughs, colds, sore throat, brouchitis, &c. My son, sixteen pears of age, was taken suddenly ill with diphtheria and could recreely speak or swallow, his breathing was so bad. We were much alarmed, but decided to try the Life Drops, bafore calling a physician. By using the Drops according to direction, he was soon relieved and the disease entirely broken up. I let a friend suffering with Rheumatium have one of the bottles. He says the Life Drops gave immediate relief, and are the best medicine be evarused. A family near him, suffering from Colds and Ubcerated Sore Throat. used some of his, and were cured in a short time. Since then I let my brother, a physician, have part of mine, and with which he cured a bad case Diphtheria. He is constrained to acknowledge that they are valuable. Truly yours.
