n Currecting Irregularities, Removing Ob-structions of the Monthly Turns, from Whatever Cause and Always Euccess-Yul as a Precentaire. It is now over thirty years since the above celebrated Pills were first directed by fir. Dupones of Paris, during which time they have been extensively and successially used in most of the public institutions—as well as in private practice—of both hemispheres with unparalelled success in every case, and it is only at the ungent request of the thousands of Ladies who have used them that he is induced to make the Pills public for the allocation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it. Femiles peculiarly situated or those suffering from the proposing themselves so, are cautioned against using these pills while in that conditions as the proprietor assumement responsibility affect the above admontation atthout, their nickness would prevent any mischief to health otherwise the Pills are recommended.
