TERM! .- \$2 per year when paid in advance 2,50 when not paid in advance, and \$3,80 when not paid before the expiration of the year.

What they Crow Over 1

Qur mongrel exchanges, are trying very hard to suck consolation out of the fact, that Rhodo Island, a little state.not much larger than a good sized potato patch, and one that has not elected a emogratic Governor, from the "time that the memory of man runneth not to the contrary," did, a few weeks since, succed in re-electing blundering BURN, We are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in Couventions, succed in re-electing blundering BURN, we are not a believer in the succed set of the s journals, are very careful not to give the particulars of that election. They don't tell that BURNSTDE'S majority was 1,200 who have more brass than brains, and disthan when he was first elected, they don't tell that the Democracy could have carried the state, or have reduced his majority at least 1,000 more had they made proper efforts to do so, they don't under the state, bet six representatives. The full the wring upon the Democracy troing power. Lywould gather into one tell that BURNSIDE'S majority was 1,200 tell that they lost six representatives, neither do they state that a fair, square of our noble oid Commonwealth, the of our noble old Commonwealth, the necessity of taking immediate steps, the fight in "little Rhody" would have given that little pinched up corner of creation have delegates appointed to that convento the Democracy. And Set, such are the facts. A loss of 1,200 votes, and six tion, who will best represent the Democratic masses of the State, and who will representatives, to a party, in a state that agree to no proceedings in which one jot or tittle of our old time PRINCIPELS polls but 11.013 vores, is certainly a big thing for that party to come over thing for that party to come over ' are compromised for the sake of "mod-Ain't it? Abolitionism crows because of ender expediency." We want to see a it didn t loss it all together ' It the product of the sake of 'modlike the man crippled for life-thankful that will lay down a platform embodying

that its no worse lemocratic principles, such as were But why don't these papers tell 79 of taught by the father of our party-the immortal JEFFERSON - a platform upon the other elections, that have lately taen place? Of Columbus, Milwaukee, which the gallant hosts of Democrary Detroit, and the hundreds of other towns from Maine to Florida, from the Atlanand cities throughout the west where the tie to the Pacific, can rally for the great Democracy have swept everything before them, electing their mayor and council battle of 1868, and not feel that they are stultifying themselves or their princi en, in places where they have never ples, or insulting the memories of the had an officer, and increasing their maheroes who founded our republic, by givjorities by hundreds, where they have been successful before. These facts. infamous ideas of the monarchical crew, would not perhaps be as palatable to now controling the destinies of this counsome of their readers. They show that

the "sober second thought" of the peo-The people want to speak, and it is only ple is returning. That he is breaking through a convention, called by the peo in upon the beinghted portions of this ple, in de up of delegates chosen by the country, and that the white man is bound people, who will be controled by the to stand triumphant at last-that constivishes of the people, that their voice can tutional liberty will yet be victorious, be heard And when it is heard, it will and that press-mobers, bastile-keepers, wench-huggers, public robbers, Union- and priviledges of the people, for the lestroyers and the whole black brood the puritanism has hatched and sent States, for a Union established upon millioniars of manufactures, and pover-forth to curse the country, will be buried the basis laid down by the framers of the ty ridden paupers of farmers, mechanbeneath the worn and contempt, of an Constitution, for a resignation of the su-ics, and day laborers. Eleven changes outraged people, so deep that their periority of the Cancasian, and for even in the tarifft-eleven advances in the outraged people, so deep that their whiskey-soaked engasses will not even seent the air Our Acquisition. We can't say that we are particularly opposed to the Bequirement of few Tery ritory by our government,, but we do will give a new hit to the tens of thou avoid to the tens of thou archists, centralizationists, and ensure of Con-cititional liberty to quake, and ritory by our government,, but we do will give a new hit to the tens of thou archists, centralizationists, and ensure of con-cititional liberty to quake, and ritory by our government, but we do will give a new hit to the tens of thou archists centralization archists of the tens of thou the the fill set to the tens of thou archists centralization archists of the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set would be the tens of thou the the set as sene of invities? Will then

think that it would be well enough for us sands, who are ready, whing and wait come to a sense of justice? Will they as a people to learn to govern rightly, ing. two in hands with us and assist in learn before it is too late, that Tasiff's now have, before taking any restoring peace, prosperity, and Union are but the tributes of the poor paid

where each have, before taking and proving press, program, and Time more under compiler taking the take of the proof press, pr more under our control. If the seven mil-lions of dollars lately given , by the au-thouties at Washington, for the pur-"wait" --- "the times are not au-pi-

Brave men only are wanted in the advance now, and brave men are determined to be there. We hope HON. W. A WALLACE, Chairman of our State Central Commit- tee will take the matter in hand, and insugurate such a movement, as will see- vure proper representatives from Penn- sylvania, to the first general convention of the Democracy of all the State, held since abolitionism succeeded in obtaining control of the reigns of government. Mongrels should resollect that the grave may hide the hideous form of their infamous party, but it cannot cover up the recollection of the despote deeds it has accomplished nor hide the wronce	The story in the likeritord Teems, in refer- ring to the late elections, and these three simple words contain a platform of principle within themselves, "The Stat is White "It we could divest the whole question now before the country of all extraneous matter and just get this simple platform hefore the people, we might hope for deliverance For six years a party has been working with att the power they could command, to blacken to mongrelise the country. The people, most directly affected, resisted but unformately in resisting set up the issue of disunion. Thousands who would not have fought to niggerise the country, felt compelled to resust that effort That phase of the question is now past, but still this party is just as flerce to carry out its a- malgamation ideas as ever, indeed flercer for they now assume that have are equal- ly as earnest in a desire to niggerise the country. This we doubt' and, indeed we feel sure if the real question could be put before the people. To you desire this to be as while or a mongrel country? "the result would be an overwhealming verifie the cavite party ity. Can we not get the save simplified to thus. Let us lift the Demearatic party out of its old rute, as seems to have been the case is Conneolisut, and combine all who want a While seoutry, on one side, as add	eed for pamphiet and descriptions. Farmers- who now have the Kirby and are in need of cr. tras, should send in their orders immeduely, to BHORTLIDGE & CO., Agent.
