since regretted

By the act of April 17th, 1865, the Annual certificate and affidavit of the President, may be made out and executed immediately after the schools of the district have closed for the year commencing on the first Monday of June preceding, and not before A provise of the same section declares that the Annual Report and Affidation to the reaching the first that the Annual Report and Affidation to be reared in obscurity. On Louis VIV. vit shall be forwarded at the same time --The report therefore should be made, as himself and the unknown brother was so great that he ordered the terrible device of soon as the financial affairs of the District shall have been settled for the year, and both documents sent at the same time to the County Superintendent for approval.

These papers, should, if possible, be prepared, signed and the certificate and affidation several writers on the subject, and should manager Rouse prolong his stay vit executed by the men who were in office when the matters about which they report, and to which the President swears, or affirms, were transacted; otherwise the new officers may be required to report upon subjects of which they are not cognizant.-If the report is not made till near the first Monday of June, the officers of the old board should make it out, and sign it at the bottom, but leave the blanks at the right hand page, for the names and addresses of the new members of the Board. When the new board is organized the old secretary should hand over the certificate and report to the coming officer, who should fill that blank with the names of the new members of the new board, and forward both papers immediately to the county suparintendant. It is useless to send one un-less both are sent at the same time, for the Superintendant will not forward to the department one of these documents unless it is accompanied by the other

By the act of April 22nd 1863, the new School Board cannot organize until the first Monday of June, (except in several cities named, and Allegheny county) The or ranization of the new board before the ime specified, is illegal, and any action of board under such an organization, null

Uniformity of Boooks - want of a uniform series of text books is one of the greatest evila encountered in the schools of our ounty It needs no argument to convince intelligent men of the recessity of uniforwas unanimously adopted, and the above mity. There are many schools that are utnamed persons declared officers of the soter failures in consequence of the variety of books. An example will illustrate this. In a certain school we found Sanders and Col. A. Gregg and the society, leasing, for Osguod's readers, Greenleat's, Davis' and a term of years, the grounds upon which Deans Arithmetic, Matchells' and Monthe county fair was held last fall, was read teiths' Geographies , with two orthings different kinds of Grammars &c.

The following rules and regulations for the government of the tretting course, on the fair grounds, were unanimously adopted.

The Centre coupty Agricultural Society having leased, from Col. A. Gregg, for a term of years, the trotting course and grounds near Milesburg, as a place for the permanent exhibitions of the society, and and the society being desirous of improving the breed of horses, have adopted the following rules, beiter to regulate the use of the said ourse, for the trial or training of his horse or borses, either by him, during the season, commencing on the lat day of may, and terminating the lat day of the season, commencing on the lat day of may, and terminating the lat day of the season, commencing on the lat day of may, and terminating the lat day of later the proposal of the Executive Committee.

Ad, All persons must precent their tickets of the said ourse which it is is sued and shall be transferable only with the approval of the Executive Committee.

Ad, All persons must precent their tickets of the said ourse of the said out what the board adopts. I propose furnishing the different landers are bound to-teach what the board adopts. I propose furnishing the different looks, with the advice of ideachers, and teachers are bound to-teach what the board adopts. I propose furnishing the different looks, with the advice of ideachers, and teachers are bound to-teach what the board adopts. I propose furnishing the different looks, with the advice of ideachers, and teachers are bound to-teach what the board adopts. I propose furnishing the different looks, and yet is allowed the colors, when the first propose fu ()f course the law does not contemplate

| April 24, 1867. | April 26, 1877. | April 27, 1877. | April 27,

such roads and spaces as may be laid out by the Society.

6th, No horses will be allowed upon the course or on the grounds unless it be in the possession or control of a subperiber.

6th, During the annual exhibitions, the fickets issued under these rules will be of no avail, but to hays the privileges of the society and its regulations must be complied with.

7th, The grounds will not be open, nor will any one be permitted to go upon or use the grounds or track upon the Sabbath, but upon that day it shall be closed to holders of tickets and all others.

8th, No houcker, weader or trafficer shall be permitted on the grounds to pursue his absociation, whather he be a subscriber or not at any other time than during the annual exhibitions of the society, had the under such regulations for the society and the under such regulations for the society and the under such regulations for the society and the under such regulations for the society. The commendations, and it is sincerely hoped that Directors will give them that donsider recommendations, and it is sincerely hoped that Directors will give them that donsider recommendations, and it is sincerely hoped that Directors will give them that donsider recommendations, and it is sincerely hoped that Directors will give them that donsider recommendations.

WHO WAS THE MAN WITH THE IRON MASK HEIMBOID'S LIVED EXTRACT BY IN IT Pleasant in tasts and olver, free from all injurious properties, and immediate in its action During the forty odd years of Prison Life endured by, "The Mask," and for many vears after his death, conjecture and rumor

years after his death, conjecture and rumor were busy in fulle efforts to identify title mysterious personage. Voltaire, who was the first person to make public the fact o such confinement, says, that some months after the death of Cardinal Mazarin, in 1661, there happened an event to which history furnishes no parallel, and concerning which the writers of that period are silent. The facts are these without pure was a such as the period are silent. The facts are these without pure North and the period are silent. The facts are these without pure North and the period are silent. facts are these :- There was sent with the

facts are these:—There was sent with the greatest secrecy, to the Castle on the Island of Marguerette, in the Sea of Provence, an unknown prisoner, rather above the ordina-Wash. greatest secrecy, to the Castle on the Island

unknown prison er, rather above the ordina-ry stature, young and of a graceful figure.

basides it is not more than justice to our public school teachers, to give them at least the preference.

The short ness of the term of our free schools, or the want of mora steady imployment, is yearly driving some of our best teachers from the profession. We must try to to remedy this, and getrid of poor teachers, to present teachers from the profession. We must try to to remedy this, and getrid of poor teachers of the better ones. Directors should see to this matter, for improving the teachers improves the school.

Annual District Report fc.—In regard the Annual District Report and affidavit, attention is called to the following points:

1st. These documents must both be forwarded at the same time.

2nd, They cannot be forwarded untill all the schools in the district have closed for the year.

**What is the profession of the greatest and most useful dread and unsu useful dread the seemed of the confidence of confidence by the called part of the called part of the post when the food of Dr J Dunna, of Paris, Chef Physician to the Infoerial Paris, Chef Physician to the Infoerial Paris and unsu useful dread and unsu useful dread and unsu useful dread and unsu useful dread the seemed of the mail of the food of the paris, Chef Physician to the Infoerial Paris, Chef Physician to the In A GREAT DISCOVERY .-- One of the greates

the schools in the district have closed for the year.

3d. They must be forwarded to as to be on file on or before the 16th of July next, at the latest.

4th. Where irregularities have occured, as, for instance when a teacher has been omployed without a valid certificate, or the schools kept open on Saturdays, the Secretary should at once inform the county Superintendent as to the facts of the case, and await his instructions in regard to a making out the documents above mentioned.

**The schools in the district have closed for the schools kept open on Saturdays, the Secretary should at once inform the county Superintendent as to the facts of the case, and await his instructions in regard to a making out the documents above mentioned.

**The schools kept open on Saturdays, the Secretary should at once inform the county when he went to hear mass, the invalid to firm all injurious propositions. The schools kept open on Saturdays are sometimed to firm all their stages, at inthe expense, infile or no in all their stages, at inthe expense, infile or no in all their stages, at inthe expense, infile or no other states with concentee and no expense.
