THINGS ABOUT TOWN AND COUNTY.

"Poor Dog tray" to-night

HARD TO BEAT .- The music made by

POORLY ATTENDED -The adjourned see sion of Court has been but poorly attended during the present week

catly, cheaply, and when you want .t, i-Plenty of music and mirth to-night

... The place to get your Job work don

Mrs Fanny Donham Rouse, sings her best songs. IN Town —the horse doctor and trainer—the organ grinder, and quite a number of other individual's which chief aim seems to

be to get money -If the people generally are not aware of the fact that the, weather for the past few days bus been exceedingly wet, we now inform them of the fact.

-The brick layers have commence work on the new building, now in the contraction, on Mrs Irvin's lot north east corner of the diamond.

WANTED - 1 goods girl, to do genera housework in a small family One who can give satisfaction, will find a permanent sit ation at good wages, by inquiring at the

--To night, let it be recollected, is the benefit of the favorite actor Mr Edwin Blanchar. The hall should be crowded

KEPS THEM BACK -- The cold wet weath er of the past few days has kept the farmers in this section back with their work, so much lint but little corn will be planted, before the 10th or 15th inst

Do you want to enjoy yourself' .Go to Bush's Hall to night, and see "Poor Dog Tray," and then take a hearty laugh at the "Wandering Minstrel

ROBBED -The Post office at Lock Haves was robbed a few nights since, of all the letters, money and everything else in it Post Masters in this section should be on the look out, they may get a visit from the ecamp or scamps

Such professional ignorance as the examinations of the County Superintendents reveal is really shameful Well qualified transfers ought to protest against the employment of such nevices, and school officers ought to insist upon more preparation for the important work of the school room Though something equivolent to the Provisional Certificates now granted to teachers must be continued for some time to come. County Superintendents should press the standard upwards. It is beter even that some schools be closed than that incompetent teachers should be employed. A gradual rise in the qualifications required of teachers will work incalculable good both to teachers and to schools?

Voung teachers are apt to commence SURGICAL OPERATION - 1 surgical opera tion was performed on Mrs Thos. Petty residing near Salt Lick, in Clearfield county, for Ovarian Dropsy, by Dr. Thos. Rothrock of Howard, this county on Sunday last, by which she was relieved of almost five gal lons of fluid

....One of the best bills, that has ye been presented is out for to-night "Poor Dog Tray" and the "Wandering Min-

CAUGHT -Two large shad, were caught by one of the hands employed in this office, out further preparation. They do not seem at the end of the spring creek, bridge, on to realize the fact that their Certificates are Saturday last. If our piscatorial friends merely experimental ones, their teaching down the river, had been keeping their eyes morely probationary, and, in cases of poor copen tight," for such visitors, these two heauties, would not have been allowed to that they are allowed to teach throlight reach Bellefonte

DIDN'T SUCCEED -It seems that the Saloon keepers about town did not succeed in obtaining heense, on Thursday last—the court only granting it to the Hotels Won't there he lots of dry guzzles about this place, until some means are invented to evade the

TAKEN TO PRISON -Sheriff Kline of this one, but from an carnest desire to point ou county, left for Philadelphia on Wedness some of the causes which combine to pre day last, with two prisoners Riddle, who vent the teachers of our county, and of the plead guilty to the charge of forgery, and a State, from occupying their proper place young man by name of Aultz, who was con-victed of larcency, both sentenced to the Penitentiary for short terms. This leaves our Jail empty for the present

NEED CLEANING -There are three or four alley ways about town in a most miscrable condition. The smell that arises from them is almost as nassuating as would be the stench from the rotten corpse of the Mongrel party. Have we no board of health, that will see that these pest holes are properly cleansed before they breed some dan-

organ down town, has put up a neat little engine, —manufactured by Mr. Harry Landogs, will to morrow, Saturday, afternoon, dis of this place—in his office, and intends trying to blow a little life into niggerism in will be performed, the great moral drama Old Centre, with steam. He will find that - it will take more than a two horse engine, wonderful dogs, that Mr. Blanchard has fo get up a decent "toot" in the abolition trained to such perfection, is worth five

Por the WATCHMANT COMMON Schools.—How L. J. Wickersham, Separate elect of Common Schools, ADVERTISE -- Dull times are the very best for advertisers What little is going on, they get; while others are grumbling, they in his late report says, that there were employpay their Way, and with a newspaper for a life pre-server, swim on the top of the waed in the schools of the State, during the last year 5641 teachers who had never read a ter, while others around are sinking Merbook relating to their profession. This number includes nearly one half the teachchants, and others, will find the WATCHMAR the best medium through which to averers in the State. This it indeed a startling tise their goods. fact; and it demands the serious attention of our teachers. Averywhere the complaint of the lowness of teachers' wages is heard. and when it is insinuated that some teachwell the duties of a calling so important, It is replied that a person can not afford to quality himself properly for so inadequate

pany, which has been performing in Bush's Hall, every evening for the past two weeks, is addingnightly to the laurels it has already won, and establishing for itself, in this section, a reputation that must prove both profitable and pleasant to the praprietor; a compensation We are aware that teach. he audiences for the past week have been ers' salaries are exceedingly low. In some good and upon every occasion highly delight-The plays put upon the stage have been of fact that, according to the provisions of our a character calculated to have a good moral effect upon all milnessing them, and have in every instance been rendered in a style that would be creditable to the best city school law, as it now stands sufficient funds can not be raised to pay fair salaries () teachers. There are, however, other causes which have much influence on teachers salaries, for it is no uncommon thing to find theatres. Mr. Rouse spares no pains nor expense to do what he undertakes rightly, ad as fully evidenced, by the large number of excellent actors, he has connected with the company, and by the splendid band, that each day enlivens our streets, with its sweet music. We have visited many theaters, have had the pleasure of seeing many "Star actors, and first class companies and first class companies." lie opinion, not unmixed with prejudice, is the controlling influence. It may be said that this pulbic opinion has been produced perform, and we are free to confess, that few, in our estimation, will equal, let alone criminate between good teachers and bad.
In auch localities all are put upon an excel, the company that is now performing at Bush's Hall From Mr. and Mis Rouse

in the best of style go to our friends Montgom-ery's in the Post office. There are no city workmen#hat will excel his.

HAVE you examined the splendid stock of new Sheet Musicon Kinsho's Book and News Emporium. Blank music paper and other articles in that line also for sale. Resenue stamps at face

and he must not aspire to the rewards of those more favored professions. Now this A business that does not challenge the evin-tiny of God, and the approval of a good con-science, cannot be consistent and proper. Andon the part of the public, buf the public is not entirely responsible for it. A careful the man who does not buy his goods from those examination of the circumstances shows but the teachers themselves are much to ble nor harp

Boots & Suors .- Any of our renders who derire a good pair, a fine pair, or a stylish pair of friend McMahon. He has city workmen, keep the best of stock, and puts out his work at the ast reasonable rates. Some of the finest french calf and oak tanned solo leather, we have ever seen is hying on his shelves. Go and get your boots made there,

JACKSON'S UNIVERSAL WASHING COMPOUND Having fairly tested this new "compound," and knowing that it fully comes up to the standard claimed fur it, we would be diriget to our duty to the public, did we fail to recommend an artialled into requisition by the people of the clo as valuable as it seems to us this must be .--House-copers everywhere should secure the right to use of Mr. H A. Leng, who is sole agent for Centre county

The midake and blindness made by this host of quack pettifoggers, and embry o par sons would surely lower the professions o lipsburg, are selling goods at very low rates. Theology, Medicine, and Law in public opinion. The good and wise would, to They have just opened a new and desirable lot of ladies French and American summer dress goods, also a fine assertment of gents French me extent, be light responsible for the and American fancy cassimeres. Their general errors and vices of the ignorant and wicked scortment of goods is not to be surpassed anvilors of ther in quality or prices, to which the and the members of those professions would lose their standing in society, their places whole community testifies. It is the place for n the public esteem, and, to some extent good goods at low prices. Call and see them and we will guarantee you will be pleased. The public does not appreciate the labore

he treatment of all chronic diseases will be at the Mountain House, Snowshoe, May 6th 7th and 8th, healing the sick and afflicted. Dr. Hadley is meeting with a success in treating the rouses who flock to his office, of the most unexampled character. His cures afe wonderful too much so to believe, were they not attested by the certificates of Patients of undoubted verly appreciated while one half of the tenches is have never read a single book, relating to their profession?
