GEISER SEPERATOR, OR COM-BINED THRESHER, CLEANER AND BAGGER

BANED THRESHER, CLEANER AND BAGGER has no equal. It is simple, easily managed, reliable, durable, compact and cleanly to work by, not as dusty as the common threshing machase. It is permanently fixed on two wheels for haling and threshing, and one man can more assift it about in a barn floor more easily than a common threshing machine. It is adapted to any common four-horse or two-horse tread power, and requires less hands and no more power than a common threshing machine and shaker; it actually favors lighter and enables you to thresh and clean your crop in enchalf the time; it will thresh and clean all kinds of grain thoroughly clean by one operation, ready for married, no matter how fifthy. Give it a trial. It is sear-resided to give satisfaction, and I am willing to be responsible if it does not cone up to ng to be responsible if it does no ball that is claimed for it. For he above statements, I would ref

THE WORLD-RENOWNED SINGER SEWING MACHINE. There can be no greater evidence of its superi-ority over all ethers, than the simple fact that all of the tailors, without an exception, all of the millioner, without an exception, and all with the mantus-makers and dress makers, without an the mantud-makers and dress makers, without an exception, in Centre county, are using it in preference of my other; this is a fact that cannot be disputed. There are also hundreds of private families and farmers in every township in this county who can and eall testify to its unrivaled merits; in a word it is the only machine that we will know all kinds of goods, from the heaviest to the facet, and all kinds of thread. This I will the finest, and all kinds of thread. This I will warrant it to do, or no eafe. The Singer has been intelly improved so as to make it of something in the extreme, and the price reduced. It will stitch, quilt, hem, fell, braid, tuck, cord, gather and sew on the band at the same time; any child can operate it, and it it is warranted not to get out of order. I give full and complete practical instructions on the machine to every purchaser. Call and see them.

SEEDS AND FERTILIZERS, are requested to give me a call.

THE CELEBRATED TRIPLE GEAR HORSE POWER. This power is all made of iron except the arms; it needs no recommendation, as its gradual introduction into all parts of this county establishes its great superiority over all others.—
It applies to either belt or geared machinery.

HECONDORN'S PATENT SELF SHARPENER REVERSABLE SHEAR These plows are warranted and given on trial, they are manufactured at Centre Hall foundry, and kept at my store, also a full stock of shears and extra parts. Try one and you will find it runs lighter, steadier, do better work and last

Extra parts of machinery for repairs are all rays kept on hand for the speedy repair of any machine purchased at my store.
