the unusually cold winter, which we experienced in this region, their is still a tolerable fair prospect of fruit. The peaches to a material extent have been killed, but othpearance Unlers some unusual calamity son to believe we will have an abundant erop of apples. We refer however only to those localities, which have come under our own observation, but believe that the fore going is generally applicable throughout

Home Pargus -Recollect if a home weekly paper is to be supported, home influence must do it. Every dollar sent toan eastern paper is at the expense of the local ournal A county acquires prominence brough its papers more than in any other way, and to every one who has an interest in his county at heart, his home paper is a paper from home until he is able to take a ghany and Bishop streets, in the room former. second paper His first paper will be his by occupied by Jacob Hirshier, as a cigar storehome sheet and he will-so identify his own will be most happy to see his friends and the

THE CROPS -The weather for some time has been very wet and cold for the season has been very wet and construction on the wheat crops, however, are coming on friends to give him a call tends we will have an abundant harvest.

hammer of the carpenter are heard almost every where and we realize now, what we have often realized before, that we have the elements of prestness, and are bound to increase both in point of population and mau-ufacturing importance. Let us have acufacturing importance. Let us have acpay a large percentage on investments. We nnot go ahead with our improvements to fast, and we advise every man who is inter-ested in the property of Bellefonte to pitch in and improve the place, by improving

mand improve the place, by improving for himself

FLOWREY MAY.—Have'nt been able to see it in these parts until recently. The ungallant conduct of "winter lingering in the lap of spring" has somewhat checked the advance of the army of flowers. The floral king may have been enjoined to withhold blasamus Heirotropes and Moss roses. Floral army has certainly halted on our borders. Blut now the admospher is genial no doubt they will spring forth from every-hillside and valley. The fields are fast becoming apread over with a rich and fuxurient carpet. The orchards and cultivated flowers are budding, thus gladdening he heart of the possessor with the prospect of dounds in. PLANTING TREES .- Our citizens pretty

tainly puty him. There are many kinds of forest 'rees that make a most pleasing and grateful effect, and these cost but little, and ornamental trees can be readily procured. Every lot in our place should be decorated, and the people of Bellefonte would not only be wiser but empore. No place within the limits of our borough, affords a better locallty for the display of cultivated; taste than the lot in front of the new Jail on which workman are now engaged, and we pleasanty. The most present place in this State, is no longer a saystery to us, or to any one who have visited the vienity of not fail to make themselves a name that will be as enduring as the decoration may be grand and beautiful.

permitting boys to perambulate the streets most reprehensible one They acquire unmind-bad vulgar and immoral language. Horse There's Arrested. Three men obscene practices, anderiminal sontiments, were arrested recently in Philipsburg, and Indeed street education is where they actaken to one of our western Counties, on quire a capacity for becoming rowdies and the charge of Horse stealing. They had in men of desolute habits, Parents should their possession a number of horses said to have a rigid and inflexible rule that will be stolen. We hope they may receive that not permit sone to go into the streets after

QUITE AN IMPROVEMENT is now going on find sources of boys, running our street after near the Spring Creek bridge Preparations are making to widen it. The house belonging to Isaao Haupt hus been removed cent language. Did any one ever know a and the street widened and filled up in front, boyedo be raised in this manner to become of it This will add much to the appear a worthy and intelligent man? It is not ance of that locality, and especially to the only unjust, but it is wicked and cruel in parents to permit a son to be exposed to such temptation and svil. May we not THE NEW JAIL.—The contractors who hope that some of our citizens will not only have taken the job of building the new jail reflect but act upon this sueject. If boys are vigorously at work. Already they have are kept in at night the evil is at once

days, the location for this improvement will McDermot & Co., mean to have this build- be made, and work immediately commenced. The stock has been all subscribed and in three or four months the establish ment will be in full operation. It will employ about fifty men Having all the ma-PROSPECT OF FRUIT -- Notwith-standing terral necessary for operating works of this description within our immediate locality, they can be conducted on very economica principles, and return profits larger than a material extent have been killed, but other fruit of a more hardy nature, although It is the intention of the company to make effected, presents quite a promising apwhere With the men who have the man agement of the glass works there is no such word as fail.

children's shoes, such as gatters, kids,morrocce and balmorals. Also a large lot of boots and shoes for gentlemen, purchased from the best factories in Philadelphia. They have added largely to all their stock, and we can assure the

interest with that of his county paper, as to consider his subscription as much a matter of yearly duty as payment of his rated a new era in the prices of ready made a deliber. For collections on he had at his rated a new era in the prices of ready made clothing. Excellent suits can be had at his establishment for a a very small amount of money, and he tells us he is selling fine black suits for only teenty three dolliers. This is an litem worth considering, and we advise our

AN APPECTING STORY.—A young man from 10ac, stood garing at \*05 heavens, with a † in 1.20 making the simple remedy by which he was curded. Sufferers wishing to profit by the adversing, in packets of the profit of the was curded. Sufferers wishing to profit by the adversing, in 20ac and on op pastols in the other we send eavored 2 attract his atilities as packets. We endeavored 2 attract his atilities by a sufficient packets. The affivertiser having the sufficient packets at the received and three was curden, and the was curded as the sufficient packets. Sufferers wishing to profit by the adversing in a packet with the profit by the adversing in a packet with the profit by the adversing in a packet with the profit by the adversing in a packet with the profit by the adversing in a packet with the profit by the adversing to profit by the adversion to AN APPRICIAL SIGNATURE STORM AND LARGE SEASON We must look forward in hope that a good time may still be furth coming.

AN APPRICIAL SIGNATURE STORM AND LARGE SEASON We sincerely hope that we may realize the blessings of good crops, which is in fact essential to the vitality of every business relation, and so much identified with the interest of the laboring classes.—The corn has not all all been planted as yet, in this section, which makes it unesasonable—the section, which makes it unesasonable—the section, which makes it unesasonable—the section of the section of the

Very low.

The "Eaolk House" in Philadelphia.—Of curies, every low by the goes to Philadelphia want to stop at a good hotel, where they will be well treated and get the best board for the least money Well, just such a place is the "Eagle House" on Third street, kept by our old friends, Messrs. Cummings and Keller, both formerly of this place. As a landlerd, Mr. Summings is known all over this section of the Gumings is known all over this section of the grant street, Possible place. As a landlerd, Mr. Summings is known all over this section of the grant street, which is the place is the way and the land of the grant street. The section of the grant street is the section of the grant street. It is a scenarious to the section of the grant street. The section of the grant street is the section of the grant street. The section of the grant street is the section of the grant street. The section of the grant street is the grant street. The section is the grant street. The section is the grant street in the section of Cummings is known all over this section of the country, and the fact has become notorious that wherever he presides as host, there will be found most excellent entertainment for man and beast. HELEGOLD'S FLUID EXTRACT BUCHU is pleas-nt in tasts and oder, free from all injurious roperties, and immediate in its action. DEAVHESS, BLINDWSS AND CATARRE, Tree

ed with the utmost success, by Dr. J. Isaac, Oculist and Aurist, (formerely of Leyden, Hol-land.) No. 519 Pine Street, Philadelphia. Tesimonial from the most reliable sources in the City and Country can be seen at his office. The Medical faculty are invited to accompany their patients, as he has ne secrets in his prac-tice. Artificial Eyes inserted without psin. No charge made for examination.—11-40-13-40. TARE NO MORE unpleasant and unsafe reme-lies for unpleasant and dangerous diseases. Use Helmbold's Extract Buchu and Improved Rose Wash.

A GREAT DISCOVERY .- One of the A GREAT DISCOVERY.—Une or the greated most useful discoveries in medical scienard mass made by the celebrated Dr J Dumas; Paris, Chief Physician to the Imperial Infit ary, of France, in 1861. Those who have be afflicted with the painful disease known as the contract of any or raining and the paint in ties a known as the Piles, and effectually cured by the use of BrJ Dumas' French Pile Salve, cannot speak too highly of the benefits conferred upon them by the use of this certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficient to effect a cure in four or six days, it the directions on the boxes are followed.—Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Drug-giets generally. A theral discount made to the trade. Address D 8 DUNIAM A CO, Williamsport, Ps., sole Proprietors and Manafacturers for the United States and Canada. 1491y

for throwing of coids, breaking up fever, fromptly relieving the severest pains, killing the poison of Dyntheria, putrid ever throat, bloody flux,
cholers and chronic diarhoza.

It is of magic efficacy in Bronchitis, chronic
cough, liver and kidney complaints and many
kindred diseases.

Nothing but actual trial can give a just idea
of its great virtues and uncommon value as a

FAMILY MEDICINE.

Repeated and various trials have proved it a

Repeated and various trials have proved it a nost powerful and effected LINAMENT, for he removal of SORENESS, SWELLING & INFLAMATION

THE GREAT CURE OF

HUMAN MISERY
A Lecture on the Nature, Treatment, and
Radical Cure of Spermatorrhees, or seminal
weakness, Involuntary Emissions, sexual deblilty, and impediments to marriage generally,
nervousess; consumption, spilepsy and Fits,
metal and physical incapacity, resulting from
self-abase, &c.—By ROBERT J. CULVERWELL, M. D., Aather of the "Green Book, &c.
The world-resowned author, in this admirable lecture, clearly proves from his own experisence that the awful consequences of self-abase,
may be effectually removed without medicine
and without dangerous surgical operations
boughes, instruments, rings or cordials, polating
out a mode of cure at once certain and effectual,
by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically. This Lecture will prove
a book to thousands and thousands.

Sent under seal, to any address, in a plain
seaked envelope, on the receipt of six cents, or
two mostage stamps. Also Dr. Culverwell's
"Marriage Guide," price 25 cents. Address the
publishers,
