TERMS:—\$2 per year when paid in advance. 2.50 when not paid in advance, and \$3.00 when not paid before the expiration of the year.

FOR SUPREME JUDGE, HON. GEORGE SHARPSWOOD, of Philadelphia.

Our Prospects. The indications all around us were never more favorable to the Democracy than now.

The indications all around us were never more favorable to the Democracy than now. There is every motive which can influence the political action of men to unite us, and nothing worth mentioning to drive us asunder.

And to it goes. Thousands upon thousands of millions of dollars to carry on a war in order to make negroes free.

There is a good deal in being well prepared for a political contest. There is much in having a harmonious party.

Next to having a party in good fighting trim, is the importance of having a good candidate in whom the people may repose confidence.

Democrat can now work with a determination to win with full confidence that the man for whom they labor is worthy of the position they will give him.

And while the burdens which the war has laid upon us grow heavier continually, it constantly becomes more manifest that the war was not waged for the preservation of the Union.

And while the burdens which the war has laid upon us grow heavier continually, it constantly becomes more manifest that the war was not waged for the preservation of the Union.

More usurpations—more taxes for the people—more degradation for the white race—more disgrace to the country—more violations of the constitution—more diseased venoms—more brutalities—more bawdy house brazening—drinking, swearing and stealing; for Congress meets in July.

How the Money Goes.

Official figures show that the cost of registering the voters of Virginia alone, under the Mingoed destruction bill, will amount to over half million dollars.

And to it goes. Thousands upon thousands of millions of dollars to carry on a war in order to make negroes free.

There is a good deal in being well prepared for a political contest. There is much in having a harmonious party.

Magazines and Papers.

THE NEW YORK FREEMAN'S JOURNAL.—For over four years we have been a close reader of the Freeman Journal, and out of an exchange list of over two hundred papers, we have found none that has been more consistent in its devotion to Democratic principles, or more earnest in its opposition to the tyrannical, the usurpation, and the villainous of the party in power.

And to it goes. Thousands upon thousands of millions of dollars to carry on a war in order to make negroes free.

Radical Jackdaws.

Whatever they say, the party of hypocrites. They make no pretensions to superior religion, honesty, patriotism, morality, respectability, or any other quality.

Who Wrote The Diary?

The question as to whom we are to ascribe the composition of the diary that is so much talked of, is a question of some importance.

And to it goes. Thousands upon thousands of millions of dollars to carry on a war in order to make negroes free.

THE WITNESSES AGAINST SURREAT.

The Washington correspondent of the Sunday Mercury has attracted the attention of the nation to the character of the men who have testified to the surrender of the South.
