Gotna Down .-- Mongrelism in this county is going down just about as fastas it is pos-sible for anything thing to "fade and fall away " Three of its Leagues have broken up, and others are so poorly attended that they will fall through before the election Democrats arouse! STECIAL NOTICES.

A Moraius Minacla.—From oid and younge from rich andpoor, from high born and lowly you caused the timinessal boire of praise for "Half's Vegetable. Sicilian Blair Ronewor." It isperied and minaculous article. Cures hild, noss and makes hair grow. A botter dress, eingt han any "oil or pomsatum." Boften brash, dry and wary hair into beautiful silken tresses. But shave all, the great wonder is the rapidity with which it restores grey hair to its original color. Use it a few times, and 'presto change,' the whitest looking hair resumes its youthful beauty. It does not dye the hair, hut strikes at the root and fills it with new life and color ing matter

It will not take a long disagreeable trial to prove the truth of this matter. The first application will do good; you will see the natural color returning every day, and before you know it, the old, gray, discolored appearance of the hair will be gone, giving place to lustrous, shining and beautiful looks. Ask for Hall's Sicilian Hair Renewer: no other article is at all like it in offect. You will find it cheap to buy, pleasant to try, and side to do you good.
