THE SUPREME JUDGESHIP. Remarkable Pamphlet from David Paul Brown, of Phil'a.

What a Leading Radical Lawye Thinks of the Two Candidates

David Paul Brown, of Phyladelphia. life-long Abolitionist and one of the foremost lawyers of the nation, has issued a pamphlet of ten pages, entitled. The Press, the Politicians, the l'eople, and the Judiciary" Mr Brown in a preliminary chap ter scores the political papers of the couniry, with considerable bitterness, for the ry that does not coincide with the precon ceived opinions of their conductors. His theory is that papers should present argu ments on both sides of any given question, in order that the reader may arrive at a just conclusion We quote

I am a Republican, and have always been I win in favor of Equal Rights in the widest sense, and I'am also an advocate for the best men in the best and most appropriate Judges whether they ought not to suspend Of course I am opposed, subject to proceedings till his Majesty consul these views, to mere party provoription, or mere party preference Party adhesion Chancellur Ellesmore and Lord Bacon threw should never control my choice or may vote when morally and intellectually he was Coke, who when his opinion was demanded more deserving of that office, and more competent for the discharge of its duties, that which will be fit for a judge to do " than any competitor whom a political convention may think proper to nominate In el lege." I concur in the descript of the Democratic programme "that a wise, upright and learless Judiciary is the great bulwark of proaching Judiciary is the great bulwark of proaching Judiciary is the great bulwark of public safety and individual Rights," and I concur also in the truth of the declaration that in the nomination of George Share wood for a palce on the Supreme Bench of the State, they have selected a man who is in all respects worthy of the confidence son, who would hesitate in deciding that and support of those who are in favor of an enlightened, faithful and impartial admin istration of the law."

Mr. Brown dissents form the remainder of this county has no superior; in calm. of the Democratic platform; but this does not prevent his supporting Judge Share-

In 1861, he was nominsted by the Republican, Union or Independent party, and the Democratic conver tures, each of which had a platform some what different from the others.
