The Democratic Watchman.

Special Notices. / ADDRESS TO THE MERVOUS AND DEBILITA-TED whose suffering shave been protracted from hidden causes, and whose cases re-quire prompt treatment to render existence desirable. If you are suffering or the state of the from hidden causes, and whose cases require prompt treatment to render existence desirable. If you are suffering or have suffered from involuntary discharges, whale-feet does it produce upon your general health? Do you feel greak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urises of the heart? Does your urine sometimes thick, milky, or flooky py, or is it or on settling? Or does a high soum rise to thetop? Or is a sediment at the bettom after it has stood awhile? Do you have spells of shortbreathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting or rushes of blood to the head? Is your memory impaired? Is your memory impaired? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, moping tired of company, of life? "Do you wish to be let alone, to get away from everybody? Does any little thing make you start or jump Is your sloep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you pursue your business with the same energy? Are your pives of which the same energy? Are your pives of which the same energy? Are your spirits dull and Hagger, given to fits of melancholy? If so do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you ntribute this to dyspopsia or liyet complaint? Now, reader, selfabuse, venereal-diseases badiy cured, and saxual excesses, are all capable ofproducing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those held defeared and restrict progressing. of generation, when in perfect health, make the man. Did you ever think that those bold, defant, energetic, persevering, auccessful business men are always those successful business men are always those whose generative organs are in perfect health! You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged, they are always polite and pleas ant in the company of ladies, and look you and them right in the face—none of your downcastlook—or any other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only ruin their constitutions, but also those they do business with or for. How many men from badly cured, discusses, from the effects of real control of the seases, from the effects of real characteristics. bul also those they de business with or for.

How many men from badly-cured diseases, from the effects of self abuse and ex cosses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce also most every other diseases—Idiocy, lunacy, paralysis, spinal affections, suicide, and all most every other form of disease which has most every other form of disease which has most every other form of disease which has find many and winter trade, embracing
