ADDRESS TO THE WEST-OUS AND DESILIFA ADDRESS TO THE MEMOUS. AND DESILITATED whose suffering shave been profracted from hidden causes, and whose eases require prompt treatment to render existence desirable. If you are suffering or have suffered from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion readure amplification of the heart? Does health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your runes sometimes thick, milky, or flocky py, or is it or on settling? Or does a thick soum rise to thetop? Or is a seddement at the bottom after it has stood awhile? Do you have spells of shortbreathing or dyspepsia. A rey your howels constigated? Do you have spells of fainting or rushes of blood to the head? Is your mind constantly dwelling upon this subject? Do you feel dull, listless moping tired of company, of life? Do you wish to be let alone, to get away from everybody? Does any little thing make you start or jump Is your eleep broken or reatless? Is the lustro of your eye as brilliant? The bloom on your obseek as bright? Do you pursue your business with the same energy? Are your well-seen with the senergy? Are your well-seen with the senergy? Are your spirits dull and flaggy, given to fits of melancholy, of never your rectless mights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver complaint? Now, reader, selfabuse, wenereal diseases badiy cured, and sextinate excesses, are all capable of producing a weak neas of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those bold, defaat, energetic, persevering, successful business men are allw. yt hove whose generative organs are in perfect health. You never hear such men cymplain of being melancholy, of nervousness, of palpitation of the heart. They a convert afraid they cannot succeed in business; they don't become sad and disceptaged, they are always points and placed. The produced heart who were always points and placed heart who we have the eslebaged or the largest assortmente of good in their state, will be promptly filled by experienced and with the solo view to service, from the other work belonging to their business. The organs inf and them right in the face—none of your downcastlook or any other meanness about them. I do not mean those who keep the organs inflamed by running to excess These will not only ruin their constitutions, but also those they do business with or for. How many mon from Budly cured diseases, from the effects of rell abuse and excesses, have brought about that state of weekers in those organs that has requested. weakness in those organs that has reduced the general system so much as to induce alamost every other diseases—idiory, linacy, paralysis, spinal affections, suchle, and almost every other form of disease which himanity is heir to, and the real cause of the mainty is helt to, and the real cause of the trouble scarcely ever auspected, and have declared for all but the right one. Diseases of these organs require the use of a duret ic. HELMBOLD'S FLUID EXTRACT BUCHU is the Diurectic, and is a cert in cure for liseases of the Bladder, Kidneys, Gravel, Dropsy, Organe Wenkpiss, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female from whether exists in size Male or Female from whether exists in the most of the Urinary Organs, whether exists in the Male or Female from whether exists and a full assortment of house furnishing one of the Urinary Organs, whether exists in the Male or Female from ware, lamped ware, papen dware, inchest iron ware, tamped and everything to be found in a first exist. Complaints, General Debility, and an increase of the Urinary Organs, whether existing in Male or Female, from whater or low long standing.
