Special Notices.

ADDRESS TO THE NERVOUS AND DEBILITATED whose suffering have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable. If you are suffering or have suffered from involuntary discharges, who effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky, or sticky, or is it or on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of shortbreathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling upon the subject? Do you feel dull, listless, moping tired of company, of life? Do you wish to be let alone, to get away from everybody? Do you have a little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you pursue your business with the same energy? Are your spirits dull and flagging, given to fits of melancholy? If you do not lay it to your liver or dyspepsia, have you not your nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver complaint? Now, reader, selfishness, general diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those bold, defiant, energetic, persevering, successful business men are also in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast look or any other meanness about them. I do not mean those who keep the organs in a state of morbid excitement. These will not only ruin their constitutions, but also those they do business with or for. How many men from badly-cured diseases, from the effects of self abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idiocy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one. Diseases of these organs require the use of a drug called HELMHOLD'S FLUID EXTRACT BUCHU is the Duracetic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating and no matter of how long standing. Is no treatment submitted to, Consumption or Lemazany may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of posterity, depends upon prompt use of a reliable remedy. Helmhold's Extract Buchu, established upward of 18 years, prepared by H. T. HELMHOLD, Druggist, 594 Broadway New York, and 104 South 10th Street Philadelphia, Pa. Price—\$1.25 per bottle, or 6 bottles for \$6.50 delivered to any address. Sold by all Druggists everywhere. 12-11-ly
