The Democratic Watchman. BELLEFONTE PA. FRIDAY KORNING FEB. 28, 1868. "A White Man's President or a Fight."

Our neighbor Evans of the Record, be came quite nervous and excited over the norm of our correspondent, "A White Man's President or a Fight." We com

mind him to the following extracts: "Our Motto, a Free vote or a Free Fight ! Our platform, the Constitution and the Rights of the States ! Our doc trine this is a White Man's Government made by White Men, for White Men, and their posterity forever! Down with the Nigger! Payment of the National Debi -(if it is ever paid)-in g cenbacks. A currency that is good e. ough for work ing men, farmers, merchants, mechanics, arisans and editors, is good enough for shoddyerats ! Down with the bondhold ers ! Subordination of the Minitary to civil authority! Down with the satispe Equal inxation and the rightful representation of all the States, or mother re-bellion! Revolution must be met by counter revolution-force by force-vio lence by violence, and usurpation should be overthrown, if need be by the havo Down with test oaths and regis

tration! Five la Reput lique !" How do you like it? A Free Vote or a Free Pight!

That's just what we mean ! He who robs us of our vote, robs us of

the great, first right of a freeman, the proudest and dearest of all those "inalienable rights ' for which our rebellious grand-sizes battled in '76

Who attempts it, let him be registrar, Judge of Election or Governor, SHOULD BE ABOT DOWN LIKE A Dog! Missouriane? Countrymen! Broth

er Democrais! Organize ' organize ' organize !!! If necessary, form compa nies, battalions, regiments and brigades. and march ABMED to the polls, deter mined to exercise your blood bought, God given Right-or Fight!

March to the polls determined to cast your votes and free our grand old State from her accursed thraldom-or to die beroes in the glorious attempt ! Prepare ! resolva ! and the victory is

We'll mash the whole parapher malia of Jacobinism into such a meas of

This country is the home and birth pisce of Democrats. They belong in it. and it belongs to them. They consti tute a majority of one million of its vo ting and fighting men.

Out upon this base cowardice ! It from power and place the descenting county says. "Mounted negroes were scoundrels who fill them "-Why beg for "ent to my plantation to tell the negroes tain high, usurpations the most unbiush ing-when we have the power to set instiers right ? How Much Money Do We Want?

"Give us money." is the cry of multitude. In 1860, with thirty-four States in a condition of high commercial States.in a construction of bigs commercial health, with prosperity on every hand, and a larger business in the aggregate than we had ever done in the entire his-tory of the country, the whole authunt mejal tory of the conners, the whole amhunt of our circula is a solution. In 1865, when the part of the millioner. In 1865, when the part of solutions of paper, of varius thousand millions of paper, of varius kinds, serving as currency. Subsequen-itly the currency was contracted, and the unitous them is sour, with those of the unitous the is constant. the government left is circulation, foot--d up some ex husdred and fifty millions. It has pover been below that figure, in the meartime, the people at large, mimaking the cause of thely iroub-les, supposing that the stagnation which has fasiened upon irade is the result of a lack of currency, cry for "more ja-ues" This is the rock upon which the commerce of the country would splu, if we bad any commerce to wreck. It is not that we need but confidence money a proof of it, the borrower who can deposit satisfactory collaterals can obtain all the funds he may need at four and five per 'cent , while the commercial man worth fifty thousand dollars cann ; burrow ten thousand on four months on his own name, with an endor e equally good A lack of confidence in be forure prospenity of the nation, on the part of capitaliste, is the prime cause of the

difficulty in the way of making commer-cial four months' loans, and that lack of confidence is the fruit of the presentales. tructive legislation in Congress, and the ducers have to endure added to the wealth pro-ducers have to endure added to the other evil of a depreciated currency These complicated evils cannot be cured by "more money". The leading point by "more money" The leading politi-cal economists of the world have given it as a rule in finance, that a mation of healthy commercis' activity needed three dollars per copits; and that in a state of mational prosperity this amount per capita would change hauds three imes per week, the year through Ti king this data for our guide, it proves that we have now six times as much our reary, if it ware sound, as we need gonutation of the United States at 25. 100,000, would demand \$195 000 001.5 currency. Supposing the circula ion to be as stated, which would seem to be ap

low as ordinary business exchanges would make it, we have a yearly footing of trade for the whole country of Sin. But there 38.0,000 000, which is probably m re atter-and than we shall do in the next five years Now, no business man will un lertake to ay, granting that this data is reliable,

sgainst the traitor Summer-who has against the cause which has been fur-taken the lead? Should this proposition to abolish the office of President prevail What then? -Would it make the bondholders any more secure? Is it not really a step intended by nor debt Break up the Government at Wasb ington, and who will be responsible for Another step in this direction was requirement becensitations apolicy which Another step in this direction was requirement becensitations apolicy which Another step in this direction was requirement becensitations apolicy which and of the government at wasb By on sil the trade and commerce that we can create Establish confidence hetween money capital and liber capital by the reforms that we have indicated, and there will be no complaint of scarcity of money. It may be that pros perity will not come, while the great debt haugs over us; he that as it may, it is not money that will relieve us for we have now more than we need and those who call for "more money" as the panaces for our commercial sickness b

not understand the case - Day Book

-TAKE the Reducal political trick sters and army hummers from the secret organization called the "Grand Army of the Republic," and very few members The organization is not unde remain the control of the real soldiers of the Jate war, bence it is not a fit place for Jrun soldiers. The political leaders who aremetting up Legro governments in the South have full contol of it and their design is to dupe the soldiers into vot ing the Radical ticket by making them tains of civilization and advancement received.-Seind fine and Measurger by conceding a particle of the rank growth of Abolition bigoiry and devine unit and in sequivalent to the State borrowing try?
