The Democratic Watchman.

Special Notices. ADDRESS TO THE RERVOUS AND DEBILITArgn whose suffering shave been protracted rom hidden causes, and whose cases re-quire prompt treatment to render existence destrable. If gat are suffering or have sufdestrance. It gausse sunering or have suf-ered from involuntary discharges, what of-fect does it produce upon your general health? Do you feel weak, debilitated; sasily tired? Does a little extra exertion produce palpitation of the heart? Does satily tired? Dobs a little extra exertion produce palpitation of the heart? Doss your liver, or urinary organs, or your kidneys, trequently get out of order? Legour urine sometimes thick, milky, or flocky py, or us it or on settling? Or does a thick scum rise to thetoo? Or is a seliment at she bottom after it has stood awhile? Do you have spells of shortbreathing or dyspepring. Are your bowels constipated? Do you have spells of fainting or rusfles of blood to the head? Is your memory impaired? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, maping tired of company, of life? Do you wish to be let alone, to get away from everybody? Does any little thing make your start or gjump Is your sleep broken or restless? Is the furthe of your eye as brilliant? The bloom on your cheek as bright? Do you pursue your business with the same energy? Are your spirits dull and flaggy, given to fits of melancholy? If so do not lay, it to your liver or dyspepsia. Have your knees wenk, and have but little appetite, and you attribute this to dyspepsia or liver complaint? Now, reader, reliabuse, veneral disource badly cured, and sexual oveneral disource badly cured, and sexual oveneral disource badly cured, and sexual oveneral disource badly cured, and sexual venereal diseases badly cured, and sexual excesses, are all capable of producing a weak ness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that take pleasure in announcing to the public that they will keep constantly on hand, one or the largest assortments of good in their contents of the largest assortments of good in their cases of the largest assortments of good in their cases of the largest assortments of good in their cases. makh the man. Did you ever think that those bold, effant, energetic, percevering, successful, business nich are alw ys those whose generative organs are in perfect health. You never bear such men complain of heing melancholy, of hervousness, of palpitation of the heart. They as never afraid they cannot succeed in business: they don't become such and discouraged; thay are always polite and pleas and in the commany of ladious, and look you -corraged; they are always polite and please ant in the company of ladios, and look you and them right in the lace—none of your downesstook or any other meanness about them. I do not mean those who keep the organs influence by running to excess. These will not anly run; heir constitutions, but also those they de business with or for. How many men from badly-cured discusses, from the effects of self abuse and expenses, from the effects of self abuse and ex-How many men from badly-ured di scasses, from the effects of self abuse and ax cesses, have brought about that state of weakness in those organs that has required the general system so much as to induce as most avery other diseases—idiocy, lunacy, paralysis, spinal affections, suicida, and althout avery other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one. Diseases of these organs require the use of a direct in cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Completins, Genoral Debility, and all diseases of the Urinary Organs, whether existing in Malo se Female, from whatever cause originating and no matter of how long standing. Is no treatment is submitted teach of the completing and no matter of how long standing. Is no treatment is submitted teached to the completing and no matter of how long standing. Is no treatment is submitted teached to the completing and no matter of how long standing. Is no treatment is submitted teached to the completing and no matter of how long standing. Is no treatment is submitted teached to the completing and no matter of how long the prompty filled by experienced and skillful workmen.
