WHAT IS IT FOR !- We understand that our borough authorities have made application to the Legislature for author ity to borrow twenty thousand dollars .-Can any one tell us what this amount of money is wanted for? If the enormous laxes that are now levied upon the citizens of this place are not sufficient to pay the borough expenses, would it not be well to hand over at once to those "running the machine," what property there 15 here: they will have its value anyway in taxes, and they might as well take it the name of the tax-payers of the borough will make the flame of life again burn lars are wanted for?
