**THINGS ABOUT TOWN & COUNTY.**

**The committee on Teacher's Certificates** will meet at Centrip Hall, on Saturday, March 21, when and where the teachers of the County wishing to apply for permanent certificates, will attend.

**The Lecture.**—On account of sickness, we were not able to attend the lecture of Rev. Thomas McGovern, on Tuesday evening last, but have been told by competent judges who were present that it was very fine.

**Jacob Meigs,** near Churchville, found a hog under his straw stack the other day that had been buried under the straw for three months and is still alive, but very poor, as it had nothing but straw to keep from starving.

**New Paper.**—Hon. Prof. Kirtz, late member of the Legislature from this county, is about starting an English paper at Centre Hall. He has had considerable experience in the management of a newspaper, is possessed of fine talents and will no doubt produce a good paper.

**The Flood.**—The late rain, combined with the melting snow, swelled all our streams beyond their banks, but so far as we have learned, little damage was done to property in this county. We understand that the towns and farms along the Susquehanna suffered considerably.

**Student's Death.**—A man by the name of Patrick White, formerly an employee of the Bellefonte and Snow Shoe Rail Road Company, choked to death while eating his supper at the hotel of Martin Murphy, in Snow Shoe, on Tuesday evening last. We have been unable to learn the particulars.

**Free Exhibition.**—The School of John P. Potter, Esq. at Hagersburg, will give a free exhibition this evening. All who are free to go will be well repaid for their trouble, as they will see Mr. Potter's well known energy in what ever he undertakes, his capacity as a teacher, and the efforts which have been made on this occasion, will not fail to produce a splendid entertainment.

**Spring.**—The earth, in her mighty sweep through space, has brought us once more into the genial rays of the Spring sun. Some persons had expressed fears that old mother earth had failed to turn the corner and would not bring us round all right, but we always felt assured that the gloom of the long, cold winter would at last give way to the bright and cheerful Spring. Though we are now exposed to the blustering winds of March, they are welcome, since the glorious sun pours upon us his life giving rays.

**Elite Hotel.**—This fine house, situated at No. 227, N 3rd street, is now under the sole proprietorship of R. D. Cummings, Esq., Mr. Keller having retired from the business. Mr. Cummings is so well known through this region as the prince of Landlords, that it would be superfluous for us to say anything in regard to his qualifications for keeping a good hotel. He is fitting up his house in the very best style, and is prepared to entertain in a princely manner all who stop with him. His house being located in the midst of the business of Philadelphia, all who go to that city to purchase goods cannot find a better place in the city to stop at, and those who go for pleasure, we feel assured, will not fail to call at a hotel kept by one who is so well known to spare no pains to make his house pleasant and agreeable for guests.

**CONFEDERATE FLAG ON THE OCEAN.**—Our readers all know that the pestilential doctrines of Mongrelism creep into nineteenth of the reading matter issued from the public press. We must have a pure literature, without a taint of the nigger about it, without the slightest milk-and-molasses hue, or the present generation of readers will become as debauched as the past. The Caucasian series of stories now being issued by Van Errie, Horton & Co., of *The New York Day Book*, are of the pure white man's style, and the No. 1 which we have received, just of the press and ready for the public—*The Confederate Flag on the Ocean*—is a capital story, spirited, thrilling, strictly historical and patriotic. There is not a Democrat in the country who will not prize it highly. It is one of the best entertaining novels ever written. The series will be completed in three parts.

**MAGNOLIA WATER.**—A delightful toilet article—superior to Cologne and at half the price.

Attention is invited to Millinery Goods—all kinds—advertised in this issue, by H Ward 183 North Second Street. This is an old and reliable house.

Byre and Landell prefer dealing in good Goods at fair prices. This is a Dry Goods House of long standing, and has acquired an enviable reputation. Read Adv. in this issue.

The ancient's desired "locks bushy and black as the raven" as one of the perfections of manhood, and treasures long, silken, and lustrous as the crowning beauty of womanhood, but time, the shy old dog, throw his fingers through their hair and left "his Mark" in white. Time is now baffled by those who use King's Vegetable Ambrosia, the greatest and most reliable Hair Restorative of modern times. 11 ct.

**Horsell & Bros.** have one of the best and best stores in Central Pennsylvania, where customers are waited upon by obliging and gentlemanly clerks, who take pleasure in showing, as well as in selling goods. Mr. Dooley is making himself many friends by his deportment, and his employees have done well in securing his services. Any one wishing to purchase almost anything will be accommodated on the most reasonable terms, by calling at the store of Horsell & Bros., on Allegheny street.

**New Blacksmith.**—In an other column will be found the advertisement of our friend Mr. Malory, well known to be one of the best workmen in his line in the county. He has leased the shops on Howard street east of Allegheny, and after the first of April will be on hand to attend to anything those in need of something may desire. Mr. Malory has the reputation of being one of the best workmen in this section of the State, and we doubt not but he will find plenty for himself and hands to do as soon as he gets opened up rightly.

**Mrs. A. A. Allen's Improved Hair Restorer or Dressing.** (In ounce bottles.)—Two weeks' trial and you have the guarantee that you will not find a gray hair in your head. The natural color and beauty are restored, and a new and luxuriant growth is the result. We hear this spoken by those who have used it; and we predict hosts of friends for the improved preparation and we are happy to state, the price is only One Dollar per bottle. Every Drug-ist sells it.—8 1/2 ct.

**"WHILE THE LAMP HOLDS OUT TO BURN"** there is a chance for restoration of health. If, therefore, the constitution has been weakened by disease or excess—the nerves shattered, the stomach weakened—the appetite gone, and all the world appears gloomy—pour some fresh oil into your lamp, in the shape of Plantation Bitters, which will make the flame of life again burn brightly, and illuminate a once wretched existence. For ladies it is an elegant and gentle stimulant, exactly such as they require. Many fatalities will be without it. It has an immense sale throughout the world.

**A new Counterfeit out!** Yes a number of them, and the existence of such only proves the merit of the genuine. We learn the celebrated Barley Sheaf Cooking Stove is being imitated at the hands of unscrupulous parties, and buyers will endeavor not to be victimized. As yet this Stove is without an equal, its sterling qualities are apparent at a glance, and we trust that the trade of our region will take occasion to introduce it to their patrons at an early day. The Barley Sheaf is designed to burn either wood or coal. Messrs Stuart, Peterson & Co., Philadelphia, are the manufacturers. For sale by W. W. Wetler, Millsburg.
