BELLEFONTE, PENN'A. P. GRAY MHEK, EDITOR & PROPRIETOR JOHN P. MITCHELL, ASSOCIATE EDITOR, ....... taper Li mustime FRIDAY MORNING, APRIL 3, 1868. and a straight the second state of the second

TERMS .- \$2 per year when paid in ad vance; 2,50 when not paid in advance, and \$3,00 when not paid before the expiration of the year.

Democratio State Ticket. " 'FOR AUDITOR GENERAL, HON. CHARLES E. BOYLE. of Fayetto County. FOR SURVEYOR GENERAL, GEN. WELLINGTON H. ENT, of Columbia County.

Are we to have a Dictator?

There has been in the conduct of Gen. Grant, over since he was first seriously spoken of in connection with the Presidency, a certain something principles, was absolutely painful. lished him in the confidence of the cing the good of all, but a sort of unpseudo-republicans, and whatever definable something that has no setmay have been his previous determi- tled form or place, and may be shifthat he is to be the Presidential nom. ] to time to meet the necessities of parince of that party, and that he will ty. just as they used it to meet the accept the nomination Whether or necessities of war. From 1861 to not he will accept their platform is a 1865 loyalty with these pseudo repubquestion that will be settled hereafter lican- meant implicit confidence in Up to this time is pretty cortain ABRAHAM LINCOLN and unqualified they know no more of his peculiar approbation of all his acts. He was views in regard to public affairs than then the government as they underthey knew a year ago, and that their stood it, and JOHNSON would to day present confidence in him is based en- be their goverament if he had proved tirely upon his conduct in the affair to be the traitor and scoundrel they of Stanton and the Fresident. They took him to be when they elected him are willing to run their chances, and Vice President. But he was found we are willing they shall-but, if we to have a grain of honesty in his comare not very far wrong in our estima - position which revolted at the infation of the character of the man, they mous policy proposed to him, and may enjoy the triumph of his election, but, after that-nothing. We advise them to clip the wings of their bird monstrous villianies, rejected him, an ambitious spirit. The very pains he took to conceal it, was widence enough to satisfy us of his yournings, for the Presidency; but how he inintended to reach it without the affiliation with one or the other of the and often makes clear many things that were long obscure. The innovations upon our simple system of govcroment made by the party in power. their utter disregard of the constitution, and their manifest intention to establish a strong central system which will control the States as an autocrat controls his provinces, or as they now control the ten Southern States under the law of Congress, has wakened in many a bosom, probably, throbs of unholy ambition which only failed in two of their public diffes; first; an opportunity such as the policy of im not putting the good men of the cous. Throbs of unholy ambition which only failed in two of their public diffes; first; an opportunity such as the policy of im not putting the good men of the cous. Throbs of unholy ambition which only failed in two of their public diffes; first; an opportunity such as the policy of im not putting the good men of the cous. Throbs of unholy and coust of the period are publican party presents, could ever have aroused. The out-trage which: they are now perpetra-ting at Washington is intended to "pring the Presidential office into con-tempt; the next step-and it will be arbary one if the people sleep on-will be to abolish it slogether; and than what? A strong government of wone kind --a king or a military dio-tator. Or, shall if, be an ollgarchy with the reins in the hands of Stevens. Huffer, Bingham, Sumner, Wade &

1

must come, and come soon, too, unless there be a sudden turn in the tide of public affairs. We shall probably go-through the forms of one more Presidential election. One more ' Think of that. The Great will of party leaders.

key to his reticence and strange conduct.

The Truly "Loyal."

which puzzled us and appeared to paver and more patriotic and unsel- Douglass and which puzzled us and appeared to pretain more parriete and uncer of our parties keen back their best new puzzle everybody else. For a long fish men for the want of that senti- Do not both put forth (field whiles) sime the man seemed to be impone. ment - in what does their loyalty con- wen trable. His reficence, when papers sist? Loyalty, in a political sense, Evidently, therefore, while we have by constitutional taw, enlarged the fran-and politicians were calling upon him has a fixed and definito menung -it duise and the appere of eligibility, we for even the slightest hint as to his signifies fidelity or faithfulness to a have practically, however, dwarted the king But as in this country we the popular forces and diminished the principles, was absolutely paintul. The series and the series of the popular brees and the metric of the public through the press that the what does the citizen owe this senti-"great (?) man" had opened his lips ment? For the shallow of a king which our candidates must pass, and it reat (1) man had opened ms mps memory is to to the shardow of a king which our candidates must pass, and it to a very intimate friend and express. which we see looning up in the dis-ed a wish that the politicians would tance, and to which the party, in they are willing to be their tools. There is to prove the maker was a more irresponsible, illiterate, brutal, prejudiced and eligarchical apto be President, and that if he con-to be President, and that if he con-sented to be a candidate at all, it must be as the candidate of the people and by every grade and color and type of virtue in money matters is precessary for not of a party. And this is also bitely the pseudo republicans, from the the candidate; blear eyed insolence are sound taken in execution and to all we know, or rather all we could scurviest rogue to the most exalted the requisites for the convention delegate as the property of Isaac Buffington, and ward leader ALSO ings on the subject. It was indirect does the term signify in their vocabu-information, which could not be re-lary? If they tell us that loyalty qualification, which he showed, really exercised the elective franchise But lied on, and up to the time of his with them means devotion to the recorded the elective franchise. But quiet evacuation of the War Depart. Bovernment, then we are as much in the orderelves are two, very different things. ment to let Stanton re-enter and ic the dark as ever, for they themselves It is no longer one ass that votes, but all ment to let Stanton re-enter and ic. the dark as ever, for they themselves it is no onger one are that votes, out all insume its dutics, it looked likely seem to have no fixed idea of what hed by some one or two fores, and to a enough that if a candidate at all, he constitutes the government, so that day the fundamental question of all rewould not be the candidate of a party, loyalty is preplexed from day to day publics, to wat: the surbing of bad am-for reither party was willing to trust to know where devotion is due. They these United States We are all caught for reither party was willing to trust to allow whet do a sort of crude vo-in the bind alleys of our parties : him. "That act, however, and his seem to entertain a sort of crude vo-in the bind alleys of our parties : What's the refield?" subsequent breach of friendly rela tion that the thing called govornment subsequent breach of friendly tela tion that the thing called government What's the remedy ' ing a part of a larger tract of land wheel by tions with the President, not only is not a fixed institution created for this or that measure, or keep voting one 'ry Reil house and other ontbuildings. threw him into the arms but establicertain well defined purposes embra nation, it seems now to be well settled ted and changed and used from time and they seem to admire men who prom-"party necessity," which could not use him to accomplish its many and before they let him out of their hands, or he will fly away from them before they let him out of their hands, and the rump Congress, vile enough for any deed, "murder and treason dies is cultivated: every sound thought before they let him out of the source of the sour before they let him out of their hands, or howill fly away from them Much as, in common with others, we have been at times per plexed by this man's strange conduct, and at his stubborn silence, amount-ing on some occasions almost to rude-ness, he has never been able to hido from us altogether the indications of an ambitious spirit. The very pains loyal, a traitor in heart and in deed, and we envy not the thoughtless fools who are running, blindfolded, their necks into a haltor. that contrary semiment of which they so constant by and foolishly boast. With Dem-ocrats there is but one government in this country - the government of the this country - the government of the filiation with one or the other of the ocrats there is but one government in party by in make the one decomposition of the state of the waked man thereof by ob-great political parties was a mystery this country - the government of the stimately adhering to fragments of De-to us. Time is a great revealer of secrets, every democrat is devoted. As to sumed to be a part of man, and he now stand he pre-and often makes dear many things that gang of usurpors sitting as Conthat gang of usurpors sitting as Con-gress, and claimed by the pseudo-re publicans to be the government—the curse of every bonest man and true patriot in the country now rests upon thom, and Heaven's, if it be not al-ready launched, may soon follow; for psendo-republican policy as we see it daily unfolded is a crime against Heaven and man. The Canper at the Public Heart. The Canper at the Public Heart. The Canper at the Public Heart.
