The_War Democracy

members of the time honored organic and the prospect of its restoration is returns have not jet been received. son, and many other "union savers" hegan. There is containly something had belonged, and yet felt it their for us to do and it seems to us that CRATIC VICTORIES HAVE frauds were established against the Deduty to assist the opposition in carry one line of dogs. ing out anti-democratic principles at that no man with a Democratic plea and the radical revolutionists at the rought to blunder in following it. We washington have once more been remainded by any party were those by which were known as "war democrats," and must restore the old harmony conto their assistance the revolutionists cord and mutual good feeling between how destroying the government owe the states. We must have none but CUT HAS INCREASED HER attributable to the efforts of the wat then our fathers occupied and scon where successful, and we are driving a view of ascertaining the truth. But democracy, for without them. About the union will rise again in all its old the enemy to the wall. tionism would only have succeeded majesty with all the dignity, equalin digging a grave for its own burial tite and rights of the several states.

This is plain enough now to all, and unimpaired. our only purpose in alluding to this subject is to urge upon those who were betroyed into supporting the miserable despots in their crusade

is the natural result of a sectional war, and was foreseen by all the great and good men who so freresult which is before us in this country It must be manifest therefore. that no man who acted with the Monoile such action with the principles always recognized by the Democratic straight forward in revolutionizing party. This is just where those who the government which the people try were deluded into honestly support to sustain. But if we are not mising the Abolitionlets in their war, taken, these revolutionists have countries the mistaken idea that they were fighting for the union, are in difficulty. They dislike to acknowledge that ty. They dislike to acknowledge that powers to deceive We are glad they the sacrifices they made, the imoney have been allowed "rope enough to they expended, and the privations they underwent, were not only useless, them, immediately after the Novembut were used to accomplish the very ber elections, dangling between heavpurposes they sought to overthrow

they cught new to pursue

But they should remember that built for others. men are judged by their motives much more frequently and justly than by their actions. And those of our party who honestly risked their lives and expended their money for the defence and protection of the majestic Union of our fathers, will receive the respect and confidence of all, just as respect and confidence of all, just as containly as though their efforts had been successful, when they come instincts the danger which thickens beautiful and to the danger until they square out and acknowledge the fraud which was put upon them, and stand up with the Democracy in the struggle for the preservation of our insti tutions. Many Pennsylvanians who fought throughout the war under the mistaken idea that the restoration of the Union was a military enterprise, now occupy prominent and honorable positions as leaders of the great party, which long ago stood out for the principle that the federal union could only be successfully maintained by a are making, and we warn those who prosperity, and attained to its enviable kind and compromising spirit, and by have ruined them to beware of their greatness among the nations of the carefully guarding the rights and invergence. It is coming slowly,

and section. But there are still some who are disposed to hold on to the idea that bution which He will take upon those tion of Executive authority, the Suthe war itself was a good thing, while they admit that its consequences were altogether evil. These men are either too duil to be of any consequence, or else think more of the the west.

•••

bloody laurels of a warrior than they do of the rights and interests of a great people. We think we have litle to fear from these, who compose but a mere fragment of the great Democratic organization.

sion, the difficulties we are in, and the dangers which threaten us were Great Democratic Victory in occasioned primarily by a refusal on the part of the most powerful secspirit of conciliat**ion and** compromise, which those who made the union declared was absolutely necessary for its preservation. The power controling the North positively refused to do anything to quiet the well grounded fears of the people of the South for their rights and liberties. The result was, the South went to war to secure independence, and the great conflict which agitated and convul.ed the world for four years followed, the the weaker party was driven to the During the late unhappy evil war wall, and now lies crushed, broken

against the South, the policy which The present condition of affairs cal papers, show how largely these tion which has already driven the papers count upon the gullability of verge of destruction should proceed by indirection, and accomplish by the great and good men who so fre quently warned to every great man of the past by indirection, and accomplish by quently warned us against the dangers and present whom he is most unlike, of sectional agitation. It is utterly and everything in which he really bend of section of the past of the section of the past of impossible, in the nature of things, has some ability has gone unmention. White House and ejectits lawful ocuntil one party is exhausted and of the Mongrel party have but one oupant in order to make room for a orushed, without producing the very object in view, and that is to deceive and hood wink the dupes who support them. They keep carefully out of view all the real issues in which ful for his predecessors from WASHgrels during the war, can now reconto sustain But if we are not mis-doing what was entirely legal but for ted too largely this time on the dullness of the people and on their own hang themselves," and expect to see en and earth, upon the gibbet they

> It seems to us, notwithstanding the simplicity our people have displayed in the last six or seven years, and the blindness with which they have walked into the traps set for them, that they cannot now fail to see the por tents which blacken our political hor instincts, the danger which thickens around us. Results of Radical policy are now upon us, and down to the lowest walk of life the blighting influence of bad men and a bad administration of a good government are felt.

The eople are no longer to be so easily deceived. They are riging in their might, and let those who have bowed our institututions to the dust stand aside when they recoil. There is danger in the silent, careful, deliberate preparation which the people terests of the people of every state surely, terribly as fate itself, and the great Democratic party will be the instrument in God's hands of a retriwho have defied Him, and followed a preme Court is the proper tribunal "Righ Law" of their own invention.

Impeachment.

The American people would not submit to the subversion of one de-The many most ridiculous things which have been said of Beaut Birther, in regard to his conducting the necessary that the revolutionary facband of armed men, proceed to the that it shall be unlawful for President Johnson to do what has been laws ington to Lincoln, and because he denies their power thus to restrict the Executive they constitute themselves as was proved tax season, by the great dea partizan Court to impeach him for half supplied was not more than their own unconstitutional prohibition.

Congress dare not with an armed force overawe the Supreme Court and by terrorism subject the judges to radical will, but it enacts that it shall he unlawful for the judicial department to exercise any jurisdiction over its unconstitutional legislation, and should the Supreme Court decide this enactment unconstitutional and void as a restriction on the Judiciary the next step will be to arraign the Judges for "high crimes and misdemeanors," impeach them and thus make room in the temple of Justice for such scoundrels as Logan, and Underwood. By this indirect proshall have accomplished their end, and are permitted to behold the best government the world ever saw lying in ruins at their feet.

The boasted intelligence of American citizens will prove vaio, indeed. if they do not arouse before it is two late and through the peaceful means of the ballot box preserve in harmonious operation the splendid system of government under which our our Republic enjoyed its unprecedented

world. If Andrew Jourson has set at defiance a law of Congress because he believed it an unconstitutional restricto decide between him and Congress -and when that tribunal has decided -- Cuntin stock-below par in thereon the matter must rest. We understand that the President has

always been willing to abide such decision. It was the intention of the framers of the Constitution that the the President and Congress, and that when any question had passed under Judicial review by the highest Court, that about 1

that should be an end of agitation. But now behold Congress ignoring the Supreme Court, and bringing a disputed law directly from the President to themselves.

If the President acted in contravention of the "tenure of office act." because he deems it unconstitutional, let its supporters carry the question to the Supreme Court. If that body sustains the act as constitutional, it will then be the duty of the President to conform his action to its pro visions and if he should destroy it in defiance of both Congress and the Supreme Court, he would then be liable to impeachment. If the Supreme Court decides the law uncon-We Cannot give in detail the re- stitutional the President has com mitted no offence in disregarding
