THINGS ABOUT TOWN & COUNTY.

The scarlet fever has made its appearance in this place.

Thirty-three Hotels and saloons were licensed to sell liquors in this county at the late term of Court.

White frosts were daily occurrences during the early part of the week in this neck o' woods.

Our Devil wants the contractor to make a divide of the "scrip" he gets for showing down the Presbyterian church. Will he do it?

The Bellefonte Advertiser, comes out this week enlarged to a six column paper. It looks well and seems to be enjoying a season of prosperity.

Messrs Cowdrick and Leyden, have contracted for the building of the new school buildings, in this place for \$18,500.

T. Alexander & Brother, have purchased the Simpson Farm adjoining the borough for which they pay \$11,000.

Higony's Brewery at Flemington Clinton county was destroyed by fire on Tuesday night last. The work of an incendiary.

Mr Henry Shepley, formerly of Millheim in this county has taken charge of the Flemington Hotel in Clinton county.

A Clearfield paper states that a Rail Road from Buffalo N. Y. to Washington City is to be built, which will pass through that county. We wonder if they could bring it round this way.

Fire.—The house of Mr. George Granly Jr., a farmer residing about two miles east of Rebersburg, Miles township, was destroyed by fire on Monday last. A part of the household goods were saved.

Daniel Rhoads esq., has been appointed member of the Mongrel state committee, for this county. He'll have to hump himself if he runs his rail-road and his party both during the coming season.

A common sized house on Allegheny street, in this place, that has heretofore been considered large enough for but an ordinary family, is now occupied by four, composed of eight grown persons and thirty two children.

A good turnpike from this place up Spring Creek, past the Agricultural College, and out by White Hall, to connect with the Spruce Creek pike at Pennsylvania Furnace, would pay well, if there was enterprise enough along the route to build it.

The Mail train on the Bald Eagle Valley R. R., arrives at this place at 10 23 and leaves at 10 28—a half hour earlier in the day, than the time has usually been. There has been no change in the time of other trains.

The agent for a Massachusetts emigrant company was in town on Wednesday last, looking out lots for sixteen families, that have got tired of "loyn" Massachusetts with its negro suffrage, witch burning, labor-hating principles.

Convicts hereafter, in this county, unless in extreme cases, will be sentenced to solitary confinement in the county jail, which will be a confounded site worse for the unlucky devils, than being sent to the Penitentiary.

The Mongrel organ on high street, is terribly rejoiced over the fact that its party succeeded in electing borough officers, on Monday week last, when the Democrats had no ticket in the field. We have heard hens cackle many times over empty nests.

The land trial, Prentiss vs. Richards, which occupied the greater portion of last week closed on Tuesday morning last with a verdict for the plaintiff. A new trial has been applied for and we suppose another week or two of Court will be occupied before the matter is finally settled.

Got on New Clothes. The Holidaysburg Standard, one of the spiciest Democratic papers on our exchange list, comes to us this week, rigged out in a new suit from head to foot, and enlarged considerably. Brother TRAUQU, deserves the support of every Democrat in Blair county, and as many outside of it as desire a first rate, democratic paper.

Interesting.—The altercation between two respectable attorneys on the corner of the diamond on Tuesday morning last. One was a "sneak" the other a "liar." If what each said was true, the morals of the Presbyterian church are degenerating since the north west corner has been knocked out. We would advise the minister in charge to look after his sheep or there will be more than one-out of the ninety nine missing before the new is rebuilt.

REPAIR THE ROADS.

If there is one thing more than another that adds to the value of real estate it is good roads. If there is anything in which every man and especially farmers are interested, that is neglected, it is our public thoroughfares. In a vast majority of the townships in this county, the township roads are scarcely fit to be traveled over. In fact we do not know a road of any length, in any township that can be called good, and upon which one can travel faster than an ordinary walk, without running the risk of injuring his horse, breaking his vehicle or his own neck.

Of course there are short stretches, that are exceptions to the general rule, but they are few and far between. The cost of keeping up good roads is not to be compared to the comfort, convenience, and general good arising from them—it will not amount to the tenth part that the increase in the value of proper real estate especially will. Let the farmers in Ferguson, Harris, Benner, Walker, or any other township in the county, build a good road to their nearest market, and they will find that the land lying along and adjacent to such road will be increased in value to ten times the amount of the expenses incurred, to say nothing of the safety and convenience it affords as well as the great saving it will be to vehicles of every kind, to horses and to themselves.

ATTN "FIS"—Our readers, and more especially our lady friends will probably remember a person who passed through this place last summer, fitting and selling corsets to the fair sex of our town. Well, we see by an exchange, that this same "lady," has been following this business in the eastern portion of our State, and is found to be one of the sterner sex.

"She" acknowledged to traveling through a number of towns, fitting corsets as "she" says, "for the fun of the thing!" We would warn our lady friends to beware of "wolves in sheep's clothing," or corset peddlers and fitters, of the male persuasion, in palpitatory pantilets and crinolines. "He," "she" or "it," furnished and fitted with corsets some sixty ladies in this place, last summer, and we have no doubt enjoyed the "fun" of it hugely.

A New Game Law.—The Legislature of this State has passed a very stringent law for the preservation of game and insectivorous birds. The "bill" provides that it shall not be lawful for any person within the Commonwealth to shoot, kill or in any way to trap or destroy any blue bird, swallow, martin or other insectivorous bird at any season of the year; that no deer, fawn or elk shall be hunted or killed between the first of December and the first of September in any year; that no wild turkey, pheasant or rabbit shall be hunted or killed between the first of January and the first of September in any year; that no partridge or quail shall be taken or killed between the 20th of December and 20th of October; no woodcock or snipe shall be killed between the first of March and the first of September; that no wild turkey, pheasant, partridge, quail, woodcock or snipe shall be trapped or taken by means of traps, snares, nets, springs or other means of taking such birds other than by shooting; at any time whatever, nor shall any trap, net or snare be made, erected or set either wholly or in part for the purpose of such trapping or taking; that no eggs of any kind of birds above enumerated and hereby declared to be game, or any insectivorous birds, shall be taken or destroyed at any time.

300,000 feet of white Pine flooring, dry for sale at the Leburg Planing Mill

MAGNOLIA WATER.—A delightful toilet article superior to Cologne and at half the price.

We would call special attention to the advertisement of P. McAfee & Co.'s Wholesale and Retail Boot and Shoe Store which appears elsewhere in to-day's paper. Their stock is all they claim for it, and the reputation that Mr. McAfee has always had for honest dealing, assures us that his customers need have no fears of being cheated. If you don't want to buy, it will repay you to call and see what a magnificent stock they have.

"Oh! THAT WILL BE JOYFUL!" When men and women throw "Physic to the dogs," and when a trifle out of order, or to prevent getting out of order, take Plantation Bitters. Are you Dyspeptic, Nervous, Jaundiced, Hipped, Low Spirited, Weak, or are you sick and don't know what ails you? We have been, and was recommended to try the Plantation Bitters, which we did with great satisfaction and entire success. Delicate Females, Clergymen, Merchants, Lawyers, and persons of Sedentary Habits, are particularly benefited by these Bitters. The sale is perfectly enormous.

TWO SHOS-BLACK BRIGADE.—A London institution, designed for reformation of this ill-clad and uncombed, yet enterprising and good humored class of boys, who propose at every turn to "black yer boots, Sir!" is making many peaceable conquests. Its troops now number hundreds—active little fellows rescued from sin and ignorance, and moulded into useful members of society. Very useful citizens are Messrs. Stuart, Peterson & Co., the well known Store Founders of Philadelphia. Their "Barley Shear" Cooking Soda has become an "institution," and hundreds of families now rejoice in the possession of this most estimable domestic companion. The "Barley Shear" burns either coal or wood, and is in every respect the "best cook" in the world! Beware of imitation! For sale by W. W. Wetzel, Milesburg, Pa.

BEAUTIFUL AND OF UNIFORM EXCELLENCE.—A well-known, safe, and speedy agent for restoring gray hair to its original color, for preventing the loss of the hair, for promoting its healthy growth and increasing its beauty, a gradual but certain cure for baldness, and an essential toilet requisite for all who prize that choicest gift of nature a beautiful supply of hair. The above is said by all who use Mrs. A. Allen's Improved (new style) Hair Restorer or Dressing, (one bottle). Every Druggist sells it. Price One Dollar.

Those irreverent lads who called names after a certain "bald head" of old, deserved their untimely end, because at that time no panacea had been discovered to restore the human hair upon the bald spots. But now King's Vegetable Ambrosia is known to possess the rare merit of, invigorating the roots and filling them so full of life, that not entirely dead that they cannot help putting forth a new growth which rivals in beauty the locks of youth.

DIED.

McINTOCK.—At Centre Hall, Pa., on the 23rd day of April, 1868, Hiram, son of James McIntock, aged 22 years and 8 days.

Hiram was an obedient and dutiful son, a kind and loving brother, cheerful, courteous, and obliging companion. In the death of our young friend we are forcibly reminded of the decree of Jehovah, "that it is appointed unto man once to die," thank be to God, with this decree we have the assurance that blessed are they who die in the Lord. "He is not dead but sleepeth." He left abundant testimony that he was going to dwell with the Lamb of God. During his last hours he called his kindred to his bed and entreated all to meet him in heaven. He gave his dying blessing to all, bid all adieu, last farewell; when his spirit was wafted to the skies on the snowy wings of angels. With a palm of victory in his hand a crown of glory on his head, in that beautiful world on high he awaits to welcome you, friends, mother, brothers and sisters dear. Friends why do you mourn? Is he not at rest? Yes.

"Asleep in Jesus, blessed sleep, From which none ever wake to weep, A calm and undisturbed repose, Unbroken by the last of loss."

Did not his last long look of affliction say "weep not, but follow me, mourn not that I am gone, but rather that you remain to struggle amidst sin and sorrow awhile longer?" In your affliction dear parents, brothers and sisters, lean on the Lord, for he is a strong hold in the hour of trouble. With a heart full of love to God, exclaim "thy will O Father be done." "The Lord giveth and the Lord taketh away, blessed be the name of the Lord."

LUKENBACH.—On Monday, May 11th, near Pleasant Gap, Elizabeth Lukenbach, wife of Jesse Lukenbach, aged 39 years, 8 months and 16 days.

She is not dead but sleepeth. Her suffering were to excruciating to express, but she bore them patiently for nearly six months—and now has faced the terrible embattlements of death. She has fought the good fight, and won the great victory and is now walking the golden streets of the New Jerusalem, she has an only daughter gone before her whom she will greet with heavenly joy before the Throne. She was the pride of the family circle, and led a Christian life from her youth. She was the mother of five children—now has been called from Time to Eternity by an Almighty Providence "Who doeth all things well," to try the realities of a future world. Thus it has rendered her family circle mute and desolate. The merry voices of her silver-haired children are silent to her, and no more heard around the warm and cheerful fireside, but are now scattered here and there throughout the country like a flock without a shepherd, depending on the soothing hand and kindness of strangers. We leave her, but not without having breaths, aching hearts, believing that the joys among the angels would far exceed our sorrow. It is not wrong to mourn the loss of a friend who once was near and dear to us, and whom we can no more meet until we shall have experienced the same solemn change. Our loss is her eternal gain.
