

The Democratic Watchman.

TERMS.—\$2 per year when paid in advance, \$2.50 when not paid in advance and \$3.00 when not paid before the expiration of the year.

OUR AGENTS.—We have authorized the following gentlemen to receive and receipt for subscription to the DEMOCRATIC WATCHMAN: ESTABL J. GREENBANK, Gregg twp. Penn twp. JOHN H. REIFRYDER, Penn twp.

THINGS ABOUT TOWN & COUNTY.

The Treasurer's sale of unseated lands, takes place on Tuesday next.

New potatoes, green peas, and strawberries, have made their appearance in the market at this place.

The assessed valuation of all the property in this county amounts to a little over six millions of dollars.

Dan Gardner's Circus exhibits at four places in this county, Millheim, Centre Hall, this place and Philipsburg.

The residence of George Corman, Esq., of Gregg township, together with nearly all the furniture was totally destroyed by fire on Monday last.

Bellefonte was cursed with more drunken men and blackguardism on last Friday and Saturday than for months past.

Messrs Honnax & Krom, the popular proprietors of the Brockerhoff house has purchased a new bus to run to the depot.

The lumbermen and land owners along Beech Creek are talking of building a rail road from the mouth of that stream to Snow Shoe.

We have not heard a toot from the Bellefonte Brass band, since last fall. What's the matter with it? Has it "played out"? Can't it "raise the wind, or what is wrong?"

A mare belonging to a Mr. Kershtelker, of Miles township, gave birth to a colt with two perfectly formed heads one day last week. If Barnum hadn't retired, it would be a big hit for him.

We saw a toper's nose, on the Court House pavement on Monday last, that was visited with about as many lustrations, as was Mt. Vesuvius during the past twenty years.

A lot of the Buffalo Run dippers fitted to town on Monday last. If the importation of blacks continues, there is no telling how big the Mongrel majority in this place will be, when Sambo gets de suffrage.

If the person who took from our office Brantley's Encyclopedia, Rogot's Theaurus, and Van Ervie, on Negroes and Negro Slavery, will have the honesty to return them, we will feel under many obligations to him, her or it.

Our former townsman, W. W. Brown, Esq., who belongs to the clout cleaning brigade, of "de huro," in Tennessee, is in terrible trouble for fear his office will be abolished, and his occupation gone, since impeachment failed.

Dr. Ellis Green, well known throughout this county as an honest upright citizen and perfect gentleman, has quit practicing his profession, and removed to Charleston, West Virginia, where he has become connected with an extensive real estate agency.

The Borough fathers had quite a time dividing the circus tickets among themselves, on Friday last. We heard several complain to the Chief Burgess, that he had given their share to some one not entitled to them. Poor fellows, if they will come and turn our press for a spell, we will procure them tickets to the next one.

Col. John H. Stover formerly of this place and for a short time connected with the Central Press, is now a candidate for Congress in Missouri. He is a rather clever fellow of moderate ability, mean politics, small conscience if any at all, and takes all together, would make about an average Mongrel Congressman.

The Chief Burgess has issued his proclamation, that after a certain date, all hogs found running at large on our streets will be taken up and sold. We know of quite a number of two legged ones, that won't bring a very big price, we'll bet.

We hear it rumored, that a strange baby was left in the Hall, of a very respectable family of this place on Tuesday night last. If true, it is nothing very odd for strange babies are found every "whip-kitch" in a good many families hereabouts as well as elsewhere.

A good strong fence is badly needed along the Milesburg pike at Linn & McCoy's dam, along the Lewistown pike at Valentines lower dam, and along the Buffalo Run road at the planning mill dam. We would not be surprised to hear of an accident any day at either of these places, if they are left in the dangerous condition they are now.

If some of the professed christians about this place as well as elsewhere, had more religion, and less radicalism, more purity and less proscriptio, more honesty and less hate, and more love and less lager, the churches to which they belong would be more prosperous, and they would be esteemed much higher by right thinking men of all classes.

Gen. Brisbin, better known about home here as "Jim," who has for several years been filling the very honorable (?) position of "Komander ob de kullted troops" in Kentucky, is trying to worm himself into the secretaryship of the U. S. Senate. He would make just about as respectable an officer as did John W. Forney, which is not saying very much for "Jim."

Business Notices. 500,000 feet of white Pine flooring, dry for sale at the Milesburg Planing Mill.

MAGNOLIA WATER—A delightful toilet article—superior to Cologne and at half the price.

The men who advertise in the WATCHMAN sell goods much cheaper than those who don't.

We are happy to learn that our friend Dr. P. S. Fisher son of Rev P. S. Fisher formerly of Doalsburg has located himself at Zion. The Doctor is a graduate of the Penn. University—give him a call!

Isaac Haupt Esq is agent for the best Separators, Hay Rakes, Drills, Corn shellers and all kinds of farming implements as well as for the celebrated World Reaper & Mower. He guarantees all he sells, and sells none but the best.

The largest stock of Groceries of every description, in town, is to be found at the new grocery store of Seybler & Moore. There is nothing you want in the line of eatables, that they have not got and are selling at New York prices.

The newest and nicest thing out, is the Patent Clothes Line Hanger, for which Messrs Downing & Yeager are agents. We have tried them and speak from experience when we say that if they cost five times what they are now sold at, we would not be without them. They are just the handiest, cheapest and best arrangement for putting up clothes lines that has ever been tried in this neck o' woods.

REAL ESTATE.—Having associated myself with W. P. Sandley & W. M. Hognaman Attorneys at Law of Charleston West Va. in the purchase and sale of real estate and the sale of real estate on commission we offer to those who may wish to purchase, a large number of splendid Farms with Houses out Houses &c., all in good repair. Also rich coal and timber lands and town property. These lands are situated on the great Kanawha River and its tributaries. The Kanawha valley is celebrated for its fine climate and in beauty and fertility is not surpassed by any in the state.

Our good friend, J. G. Larimer, Esq., representing the popular and extensive Grocery House of Burns & Smucker, 506 Market St., Philadelphia, left this place on his regular tour throughout the Western counties on Monday last. There is no house that has a more agreeable, efficient and persevering representative, and there is no Agent who can boast of a better House. Mr. Larimer has built up a trade throughout this and the Western counties of the State, that is equalled by no other Salesman in Pennsylvania, and has accomplished it by selling only the best of articles at such prices as merchants could afford to pay. The dealer in groceries who failed to give him his order, misses an opportunity that he will have cause to regret.

"Throw physic to the dogs, I'll none of it To make assurance doubly sure I'll take"—Plantation Bitters, removed to Charleston, West Virginia, where he has become connected with an extensive real estate agency.

This great Stomachic Healer is just what the people need. It is a remedy they can rely on. For Dyspepsia, Heartburn, Headache, Nausea, Ague, Liver Complaints, Pains in the side and back, it has no equal; it is the least among its virtues is its extreme pleasantness to the taste and immediate beneficial effect. Try it, suffering Dyspeptics, be cured. Such are the assertions of those situated to know. From the vast amount of this article sold, it must have great merit.

If our friends will use preparations for restoring gray hair they should use the best in market. Our attention has lately been called to an article which has an extensive sale and very high reputation, known as Ring's Vegetable Ambrosia, and we are inclined to think that it possesses more desirable and less objectionable qualities than any other in the market. It restores gray and faded hair to its original color in a most remarkable manner, and by its invigorating and soothing properties removes all dandruff and humors from the scalp. Give it a fair trial and you cannot fail to be beautiful.

BEAUTIFUL AND UNIFORM EXCELLENCE.—A well-known, safe, and speedy agent for restoring gray hair to its original color, for preventing the loss of the hair, for promoting its healthy growth and increasing its beauty, a gradual but certain cure for baldness, and an essential toilet requisite for all who prize that choicest gift of nature a bountiful supply of hair: the above is said by all who use Mrs S A Allen's Improved (new style) Hair Restorer or Dressing, (in one bottle). Every Druggist sells it. Price One Dollar. 19 4t

THE SINGER SEWING MACHINE. Singer Sewing Machines, those made by the Singer Manufacturing Company, rank with the highest. Their manufacturing machines have long been known as the best for manufacturing purposes. But within the past few years, they have given special attention to the production of a FAMILY MACHINE, destined to win much favor in the HOUSEHOLD. Its accessories for HEMMING, BRAIDING, BINDING, QUILTING, TUCKING, CORDING, FELLING, BRAIDING, GATHERING, are simple and easily understood. Its delicate, though enduring and timeless muscles of Iron and Steel, do all the work noiselessly, better, and sew will deny, FASTER THAN HAND CAN DO IT.
