

The Democratic Watchman.

TERMS:—\$2 per year when paid in advance, \$2.50 when not paid in advance and \$3.00 when not paid before the expiration of the year.

OUR AGENTS.—We have authorized the following gentlemen, to receive and receipt for subscription to the DEMOCRATIC WATCHMAN.

THINGS ABOUT TOWN & COUNTY.

The corps of professors at the Agricultural College, has been reduced about one half.

Strawberries made their appearance for the first time this season in our markets on Tuesday last.

Butter is selling in our stores for 15 cents per pound, and the people here are buying and packing it down.

When completed, Centre county will have the finest fair grounds and buildings of any county in the State.

The borough debt of Bellefonte amounts to over ten dollars for every man, woman and child within it.

Judge Linn it is said intends resigning, notwithstanding the urgent appeals of his republican friends not to do so.

A Brick Machine, said to be capable of turning out 3000 bricks per hour, has been put up at the intersection of the Milesburg.

W. D. Rikard, Esq., of the Cummings House, this place, has sold his little pacing mare "Lilly," for twelve hundred dollars.

Who can beat it?—A "sneaky" weighing ten pounds and six ounces, was got up along Spring Creek on Wednesday last.

Gen. British of this county didn't get the Secretaryship of the Senate—Gorman, from California was the successful aspirant.

A stranger by name of Benison, was severely stabbed by "Jimmy" Johnston, on Bishop street, on Saturday night last. The wound, although severe is not dangerous.

John H. Orvis, Esq., of this place, Charles Mayor, Esq., of Lock Haven and Judge Barrett of Clearfield, will be candidates for the position made vacant by the resignation of Judge Linn.

We would advise our Episcopal friends to have their lives insured before going to church next Sabbath, for if some of them don't break their necks getting down the rickety old stairs it will be a wonder to us.

The Presbyterians have at length agreed upon building a thirty thousand dollar church, and work upon it will be begun as soon as the contract is let. The plan they have adopted, in our estimation, is a decided improvement on a majority of the costly church buildings, and will add greatly to the appearance of that part of town in which it is erected.

The first installment on subscriptions to the fair grounds and new building, is desired to be paid up as soon as possible. Work has been commenced and the money is needed. Our friends throughout the county should understand that a subscription of ten dollars, entitles them to a life membership in the Agricultural Society.

COME DOWN WITH YOUR STAMPS.—The following we find in the Williamsport Standard and transfer it to our columns for the information of enthusiastic admirers of the mule rider. If they have any particular confidence in the success of Grant and Colfax in this State they will find no trouble in getting opportunities to prove it.

WILL AN ACCOMMODATE.—We learn that Revenue Collector Guernsey, of Williamsport, in a political discussion with a Republican a few days since, asserted that Cameron county would give a Majority against Grant this fall. We are authorized to state, that if he is desirous of backing his assertion he will be accommodated to the amount of \$200, \$2,000 or \$10,000. Name your amount Mr. Guernsey.—Cameron County Press.

On Saturday morning, Mr. Guernsey, received a copy of the Press, containing the above article marked. He immediately sent the sum of Fifteen Hundred dollars to Richie Bridgens, Esq., at Lock Haven, and authorized the following bet to be made.—First, a bet of \$500, that Cameron county will go Democratic this fall, and \$1,000 additional, if Hon. George H. Pendleton receives the Democratic nomination next month.

Mr. Bridgens is also authorized to pay the expenses of any Cameron county man who will come to Lock Haven, and put up the money. This offer holds good until next Saturday night.

Should Mr. Bridgens, be out of Lock Haven, by calling upon either S. R. Pease, or William Simpson, the money will be forthcoming.

Two men were arrested in Potter township, on Saturday last, for stealing wheat out of the Grist Mill at Potter's Bank. One of them a fellow by name of Glasgow, acknowledged that he helped to steal it, and part of the grain was found stored away in his house.

Nearly all the "loyalists" of Bender township attended the appeal on Monday last, for the purpose of getting their taxes lessened. These fellows who were so willing to spend their "last cent" to carry on the war, should not grumble so much when the debt that was created, increases their taxes a little. They will have less than they have now again they get done paying for abolition.

STATE HOSPITAL FOR THE INSANE.—The Commissioners appointed by the Act of Assembly of 18th April, 1868, to select a site and build a Hospital for the Insane of the northern portion of the State, composed of the counties of Monroe, Carbon, Pike, Wayne, Susquehanna, Wyoming, Luzerne, Columbia, Montour, Sullivan, Bradford, Lycoming, Tioga, Clinton, Centre, Clearfield, Elk, Cameron, McKean, and Potter, have started from Harrisburg on a tour of inspection in performance of their duties.

The route of the Commission will be, as we learn from General Beaver, who has been in correspondence with Dr. John Curwin, of Williamsport, Bloomsburg, Danville, Wilkes Barre, Towanda and from thence by way of Lock Haven to this point.

The persons composing the Commission are Governor Geary, Dr. John Curwin, Dr. Trail Green, Dr. Joseph A. Reed, Hon. Wilmer Worthington, Russel Errett and Prof. J. W. Wickersham, all of whom accompanied by several friends, including Dr. Thomas Kirkbridge of the Pennsylvania Hospital will arrive at this point on Thursday of next week, to view such sites as may be presented or offered for sale. The requirements of the law are that the hospital must be located within a convenient distance of a town and of easy access by rail-road, the farm must contain not less than two hundred and fifty acres of good arable land, with an unlimited supply of pure water with large facilities for drainage &c.

Now it is to be hoped that every attention will be paid by our citizens to the gentlemen composing this commission and every facility afforded them to fulfill the order of their appointment. No locality in this broad Commonwealth can so easily fill the requirements of the law, in this behalf, as can Bellefonte and its vicinity. With land now well tilled and susceptible of still higher cultivation, the beautiful Spring Creek and Logans Branch running through it, to supply, in connection with our numerous and unapproachable Springs, the most ample supply of good, pure, and wholesome water, with pure mountain air, no miasmatic fevers here or to be hereafter introduced, with every thing, healthy country, pure air, pure water, good morals, all combined make this the spot of spots for the location of the Institution.

The advantages to occur from its location are untold and will repay any time and attention that may now be given.

MAGNOLIA WATER.—A delightful toilet article—superior to Cologne and at half the price.

Go and see Davenport, if you wish to enjoy a hearty laugh, at Bush's Hall to-night.

Mr. Davenport, who gives one of his inevitable lectures to night at Bush's Hall, is the only man who can laugh on one side of his face and cry on the other at the same time.

In Lock Haven and Williamsport the most fashionable audience attended Mr. Davenport's Lectures. He will show how ventriloquism can be attained by every one. See large bills.

OLIVER'S WATER.—The family that is without a clothes wringer is behind the times. The best wringers are for sale at Hoffer Bros., who have the exclusive right to sell Sherman's Improved. It must also be remembered that the stock of goods kept constantly on hand by Hoffer Bros. cannot be surpassed for quality and cheapness. Give them a call and test the truth of this assertion.

KINLOCH & BROTHAS have now fairly launched into the wholesale business, and are bound to be successful in the end. Merchants and dealers can now buy paper and Stationery of every description cheaper in Centre county than they can buy in Philadelphia, besides saving the heavy express charges. Remember, at Kinloch & Bro's. is the place to buy your Blank Books, Stationery, Envelopes, &c., &c.

"THE SWEETEST TEARS IN LIPS" is good health and good spirits, and if you have them not, the next best thing is what will restore bloom to the faded cheek and happiness to the drooping heart. The great and sure remedy is Plantation Bitters, which our physicians recommend to both male and female patients as a safe, reliable, agreeable and cordial stimulant. They contain nothing to disagree with the most delicate constitution, and have won golden opinions from all who have tried them; and probably no article was ever tried by so many persons. They elevate the depressed and give strength to the weak.

If our friends will use preparations for restoring gray hair they should see the best in market. Our attention has lately been called to an article which has an extensive sale and very high reputation, known as Ring's Vegetable Ambrosia, and we are inclined to think that it possesses more desirable and less objectionable qualities than any other in the market. It restores gray and faded hair to its original color in a most remarkable manner, and by its invigorating and soothing properties removes all dandruff and humors from the scalp. Use it as directed and you cannot fail to like it. 22 31.

REAL ESTATE.—Having associated myself with W. P. Laddley & W. H. Hogenan Attorneys at Law of Charleston West Va. in the purchase and sale of real estate and the sale of real estate on commission we offer to those who wish to purchase, a large number of splendid Farms with Houses and Out Houses &c., all in good repair. Also rich coal and timber lands and town property. These lands are situated on the great Kanawha River and its tributaries. The Kanawha valley is celebrated for its fine climate and in beauty and fertility is not surpassed by any in the state.

CANTON, Ohio, June 5, '68.

ISAAC HUBB, Agent—Bellefonte, Pa.—Dear Sir:—The growing crops still give promise of a bountiful harvest, as all farmers are providing themselves with machines. Will you see to it that in your vicinity, they get the best. Use all the extension possible to place the "World" in their hands—as a blessing to them and a reward to yourself. Remember—the "World" is the only machine fairly "up with the times."

It is conceded to be vastly superior in its construction to all others—and is equally superior in its performance—is a success both as a Mower and Reaper—delights everybody who uses it—is converting the best farmers in the vicinity where it has been used from their faith in other harvesters and leading them to abandon all others in order to buy the "World." No other machine has accomplished so great a revolution in the opinions and preferences of the farming public—and no other harvester can boast of the fact that it is sought after and purchased by men who now own half-worn machines of other kinds! Your agency will be profitable to you if you will sell even but a few this year. A single machine in a good neighborhood never fails to sell many more! Sell samples first and then send orders. Truly Yours
