The Democratic Watchman.

BELLEFONTE, PA.

FRIDAY MORNING, JULY 31, 1868

——Since the month of July, 1865, the army of the United States has cost eight hundred millions of dollars, and has not done a single good thing which could not have been done at one tenth that cost. The army under democratic administrations has not cost one fourth that amount, when we were carrying on a great war.

——Bonds of Brazil, which pay but four per cent. interest, are only ten per cent. below par in Europe, while U. S. Bonds, which pay six per cent. in gold are twenty-seven per cent. below par, only bringing in the European market 73 cents on the dollar. The Mongrel financiers must be running things into the ground.

——The speeches of Mongrel orators, and all their newspapers talk and read as though we were yet in the midst of the war. Many of them, we believe, are using the same speeches and editorial matter which some one wrote for them in 1863.

Letter from the Hon. Thaddeus Stevens.

The following letter from Mr Stevens was addressed to Dr. Henry Carpenter, of Lancaster, Pennsylvania:

WASHINGTON, June 23.

DEAR SIR.—I hear there was a report in Lancaster that I opposed paying due honors to Mr. Buchanan at his funeral

On the other hand, I attempted twice to introduce resolutions laudatory of Mr. Buchanan's private character and personal history, and asked the House to adjourn to attend his funeral. A single objection would prevent its being passed that day. Mr Van Wyck, of New York, constantly objected. I earnestly appealed to him to withdraw the objection. He persisted until I left the House He then permitted a very tame resolution, barely appointing a committee to be passed I am anxious that this mistake should be corrected, for I should be ashamed of such prejudice against the dead. I have no such prejudice I would be glad if you could have this statement in some way communicated to the public through the Democratic organs, as I do not wish Mr. Buchanan's friends to believe so mean a thing. IF A HUMBUG,
What a wonder
That the doors
Are open wide;
Ever since the
First of August
Thousands have
Pain Paint applied
Those who lie,
Or call it humbug,
Are the doctors,
Not acquainted,
For they always
Have been jealous
When their patients
Use Pain Paint.
Pile up facts
As high as mountains
Flash the truth
Before your eyes,
But the cry
Is always humbug
Men of science
Full of lies.

People know that liniments composed of Cayenne pepper, turpentine, hartshorn, ether, &c., will produce inflamation and pain. To purchase such trash to stop Pain and Inflammation is ridiculous. Fire will not stop heat, a dumb brute shuns the heat and knows enough to wade in a pond of water, when wounded, to reduce, cool, and cure Inflammation and Fever.

Pimps and gamblers try to look honest, but folks can read the face too plainly. Some try to persuade the ignorant that pills physic, &c., cleanse the blood, purge the system, and do a hundred other things equally absurd. Everybody knows that it is false, and that no medicine can purify or increase a drop of blood. Food makes blood, bone and muscle, and is the Staff of Life. Every dose of medicine swallowed is rejected, and hurried out of the system as quick as possible It is an enemy; yea, a deadly foe Constipation, ill health, and weakness, are the result of dosing, dosing, dosing the stomach. The living system has enough to do without working herself to death in expelling and kicking out the pernicious nostrums poured down the throat. Food one welcomes when she needs it, yea, asks for it. Let pill makers and physic venders stop eating food, and see how long they can subsist on their blood purifying, invigorating, health-giving medicines and 'cordials.'—What humbug is more transparent? A dog would feel so insulted, if offered a dose, he would curl his tail downward in scron, and run away in utter disgust. All physical pain arises from inflammation. Put out the fire and you stop pain absolutely. You can stop pain as easy as you can quench fire with water WOLCOTT'S PAIN PAINT subdues inflammation, heat, and fever one hundred times quicker than ice. Thousand's have had practical test of its merits at the very moment of most extreme pain, and they can testify that it has not failed in doing its work. It is simple, it is harmless; it has no stain it gives no smart: it is for sale by Druggists everywhere, and it is tested free of cost at 170 CHATHAM SQUARE N. Y, and 622 Arch Street Philadelphia.

My wife had an ulcer on her leg for thirteen years, caused by varicose veins, ulceration extending from her ankle to her knee some places eaten away to the bone, I have employed over twenty physicians at vast expense during this period. But all attempts at cure proved utterly abortive until I tried Dr. Wolcott's Pain Paint, which the doctors told me was a humbug But humbug or not, it has done the work completely in less than one month, removing the pain at the first application. I kept her leg wet with Pain Paint constantly until healed I wish we had more humbugs as useful as Dr Wolcott's Pain Paint. I am well known in this city, any person who wants to make further inquiry will call at 101 West street, New York, at the Hanover House, of which I am the proprietor, and I think I can satisfy them as to the benefit derived by the use of Pain Paint. May 12, '68 P. MINCK.

I am selling Wolcott's Pain Paint and annihilator, and it certainly gives satisfaction to my customers. D. F. COLES, Druggist, Rahway, N. J.

I am selling more of Wolcott's Pain Paint than any other Patent Medicine. C. N. CRITTENTON, Wholesale Druggist, No. 706th Ave., New York.

I sell more of Wolcott's Pain Paint than all the other patent medicines combined, and I keep a full supply of all that have any demand VALENTINE HAMMANN, Druggist, No. 11 7th Ave. New York, till Aug 1
