THINGS ABOUT TOWN & COUNTY.

Mr. Miller, has succeeded the Kinloch Bros in the book and stationery business.

The slaughter of the canines still continues, and every morning several of the race have to be buried.

Halsor Weber, has enlarged his store room, and will soon increase his stock of goods, when he will have one of the finest stores in the county.

The corn and potato crops for some miles around Bellefonte are not at all promising. There has been little rain for over two months, and everything is suffering from the drought.

On Monday evening last, a fine horse of Mr. John P. Harris, ran away with a buggy in which a gentleman was seated. The gentleman was hurt seriously, and the buggy entirely destroyed.

A son of Mr. Beck, of Gregg township, aged nine years, while fishing in Penna creek, on Wednesday of last week, fell into the stream and drowned. The body was found next day twenty feet under water, and interred on Friday last.

Mrs. Poorman, wife of Henry Poorman, of Pleasant Gap, was found dead in her bed on Tuesday morning last. She retired as usual on Monday evening.

On Sunday night last, some malicious person pulled up six rows of John McDermott's potatoes, thus inflicting serious loss upon him without accomplishing anything for himself, as there were few potatoes and very small on the vines.

We have received the measure of two stalks of corn, one measuring twelve feet three inches, and the other twelve feet and half an inch, which is the best that can be done for Grant and Colfax. Dr. Thomas Bathrock, of Howard sends us the measure of two Seymour and Blair corn stalks raised in his garden, one measuring thirteen and the other thirteen and a half feet. George Gray, of Patton township, sends us the measure of a little yellow corn stalk, measuring 13 feet 4 inches. Another from the farm of Michael Gephart in Penn township, measuring 12 feet 7 inches, it has two large ears on it, measuring 7 feet 5 the upper one, it is a Seymour stalk, if it can be beat in corn, the township says it can not be beaten in voting for Seymour and Blair. One raised by Levi Eberhart on the farm of James H. Welsh, in Bald Eagle township, Clinton county, measures 13 feet 7 inches. Beat these with your Grant Corn.

CAMP-MEETING.—The Bellefonte District Camp-meeting of the M. E. Church is appointed to commence on Tuesday, Aug. 25, to continue ten days. It will be held about one mile from Wayne Station on the P. & E. R. R., about five miles from Lock Haven, in a delightful woods where there is plenty of good water. Tents can be rented at four and eight dollars; the former is 8 by 16 feet, and the latter 16 feet square. Good boarding furnished at reasonable rates, and sleeping accommodations provided for those desiring them. We expect the railroad company to afford facilities by extra trains and excursion tickets to all who may desire to attend the meeting. We extend a cordial invitation to all to come to this Feast of Tabernacles.

On motion of Hon. William Allison, John H. Orvis, Esq., was nominated as Centre County's choice for President Judge of the 26th Judicial District, and on motion of Samuel Gilliland, Esq., the nomination was made unanimous. C. T. Alexander then offered the following resolution, which passed unanimously.

Resolved, That John H. Orvis, the unanimous choice of Centre county for President Judge of the 26th Judicial District, be and he is hereby authorized to appoint three conferees to meet the conferees from the other counties composing the District.

Mr. Orvis appointed Hon. S. T. Shugert, Hon. C. T. Alexander and John P. Mitchell, Esq., as the Judicial Conferees. On motion of C. T. Alexander, D. G. Bush was nominated as the choice of the Convention for Democratic candidate for Congress in this district, and on motion of William Allison to make the nomination unanimous, a few nays occurred, and A. A. Kerlin, Esq., stated that he desired to nominate Mr. Hunter, but had forgotten his given name. Mr. Hunter, being present, thanked the convention and declined the nomination, after which the motion of Mr. Allison was once more put and carried, with one dissenting vote.

On motion of Hon. John Hosterman, the convention proceeded to choose congressional conferees, when the following names were placed in nomination:

Edward Parks, John T. Hoover, Wm. Allison, Jr., C. D. Keller, John S. P. Woodfoot, Fred Kurtz, S. T. Shugert, John P. Mitchell.

S. T. Shugert and Fred Kurtz, having withdrawn their names, convention was proceeding to ballot for the other candidates, when Capt. James P. Smith took the floor in favor of Mr. Bush being allowed the same courtesy which was extended to Mr. Orvis, and said there was no reason why Mr. Bush was not in every way worthy of this mark of confidence from the Democracy of the county.

After Mr. Smith had concluded his remarks, Mr. Alexander, spoke in favor of the same object, and said that the reason why it was proposed to deny to Mr. Bush the courtesy which had always been extended to others in his position was not because of any hostility to him, but because it was understood that if Mr. Bush was allowed to select his conferees, he would choose such persons as would go for L. A. Mackey, as the second choice of the Centre county Democracy as a candidate for Congress. Mr. A. then presented the claims of Mr. Mackey with great force, read a communication from that gentleman endorsing the Democratic platform and the position of the Democratic party in general. On motion of Hon. Wm. Allison, D. G. Bush was then allowed to choose his own conferees from those who had already been placed in nomination, when he selected Edward Parks, Esq., John T. Hoover, Esq., and Hon. Wm. Allison, Jr.

P. Gray Meek was then nominated by acclamation for Assembly. H. Y. Stitzer, Esq., was then nominated for District Attorney, when, on motion of Felix Muller, the nomination was made by acclamation.

The Convention then proceeded to ballot for County Commissioner, with the following result:

John Bing.....27 Joseph McCloskey.....40 Mr. Bing having received a majority of the votes cast, was declared to be the nominee of the Convention for County Commissioner.

The Convention next proceeded to ballot for County Auditor, with the following result:

D. H. Yeager.....18 George W. Jackson.....12 John Rishel (Potter twp).....35 Joseph M. Wilson.....6

No candidate having received a majority of the votes cast, a second ballot was held, which resulted as follows:

D. H. Yeager.....22 George W. Jackson.....25 John Rishel (Potter twp).....33 Joseph M. Wilson.....6

John Rishel, having received a majority of the votes cast, was unanimously declared the choice of the Convention for county Auditor.

A county Surveyor was next balloted for, which ballot resulted as follows:

Dr. H. J. Deshler.....27 William P. Mitchell.....39 William P. Mitchell, receiving a majority of the votes cast was declared the unanimous choice of the Convention for county Surveyor.

The following resolution was unanimously adopted:

Resolved, That we hereby cordially endorse the Democratic platform adopted at New York and Harrisburg, and pledge the

enthusiastic support of the Democracy of Centre county to the National, State, and Local tickets.

Mr. Bush, Mr. Orvis and Gen. Wm H. Blair, then addressed the Convention in able and eloquent speeches, after which the Convention selected Hon. C. T. Alexander as a Delegate to the State Convention, to be held on the fourth of March next, by acclamation. The Convention then instructed him to support Hon. Eliester Clymer for Governor, amid great enthusiasm, when Mr. Alexander stated that he would rather support Mr. Clymer for that position than any other person on earth.

J. D. Shugert, Esq., was then elected Chairman of the County Committee by acclamation, after which the Convention adjourned.

JOHN P. MITCHELL, Secretaries D. F. FORTNEY

Our friends, who desire to hear an interesting address upon the political issues of the day, should not fail to attend the meeting of the "Democratic Association of Bellefonte," on Saturday evening next, at 8 o'clock, P. M., at the room of the Association, 2nd floor, Bush's Arcade. All are cordially invited, and we trust the number present will be large.

POST AND MARTEL'S DRAMATIC COMPANY played to very good houses while in our place. The playing was good as was also the scenery. Miss Sylvester was acknowledged by all to be a star performer. Ferguson and Lascell's talents show to a good advantage. Taken in all the company is excellent, and deserves the patronage of all theatre going citizens.

Business Notices. HONEY.—If you want good honey, buy it at Hoffer's cheap store.

To all gentlemen who use tobacco, we would say a few words in reference to where they can get the best, and most pleasant chewing and smoking tobacco. It is at C. T. Fryberger's Tobacco Store. He also keeps also keeps all kinds of gent's collars, suits, comb., brushes, and all of which he sells very cheap. Give him a call.

At the new Bakery, on Bishop street, of S. J. McDowell, is the place to get good fresh Bread of all kinds, and the best of Cakes, Pies, nuts and Ice Cream. He is an old hand at the business, and knows how to get up a splendid cake and a nice dish of cream. He had a splendid room fitted up for the reception of guests, give him a call and you will not fail to call again. He is a clever and obliging.

WHICH IS THE BEST FAMILY SEWING MACHINE?—An opinion worth something, taken from the Scientific American, the best and highest authority on Mechanical improvements and inventions. It says:

"We are having a great many inquiries for Sewing Machines from various parts of the country, and as we cannot conveniently reply to them all by mail, we have thought it proper to state our opinion in regard to them in this public manner. We have used Wilson's patent, manufactured by the Wheeler & Wilson Manufacturing Company and we can say in regard to it, that it is with out a rival. It is simple, not easily put out of order, and in point of effectiveness and finish, no other machine stands a head of it. We state this much in regard to the excellent machine on our own responsibility."

These machines are for sale at Harper Brothers Store on Spring street, Bellefonte, and by the traveling agent, Thos. Patton 13 32 21.

"They made her a grave too cold and damp. Po—a soul so honest and true."

If they had been wise, the dire necessity of opening the grave for one so lovely might have been averted. Plantation Bitters, if timely used, are sure to rescue the young and lovely, the middle-aged and the ailing, from confirmed sickness. Almost all diseases have their beginning in some slight difficulty of the stomach, which would evacuate in Dyspepsia, Headache, Liver Complaints, Night Sweats, Consumption, Death. Plantation Bitters will prevent these preliminary symptoms, and keep the blood pure and the health good. While they inaugurate the system, they soothe the mind.

REAL ESTATE.—Having associated myself with W. P. Laidley & W. H. Hogganham Attorneys at law of Charleston West Va. in the purchase and sale of real estate and the sale of real estate on commission we offer to those who wish to purchase, a large number of splendid Farms with Houses out Houses, all in good repair. Also rich coal and timber Lands and town property. These lands are situated on the great Kanawha River and its tributaries. The Kanawha valley is celebrated for its fine climate and in beauty and fertility is not surpassed by any in the state.

ONLY A PENNY, SIR!—There is a great deal of quiet, unostentatious charity in the world, after all! This thought occurred to us as we observed a bright-eyed little street-sweeping girl collecting in sicker's from such passers by as were disposed to bestow them. These "droppers of an unconsidered trifle" were numerous—sufficiently so, we marked, to warrant the little recipient in the course of a few minutes in advising a youthful contemporary in an opposite corner that her aggregate receipts had already swelled to a "quater." And we further observed that most of the donors did not act soberly—with no mean, grudging air, but as though it were a real pleasure. We love to see charity worthily bestowed, and properly performed; it has a salutary influence; and just such influence is derived from the presence in a family of the intangible "Barley Biscuit" Cooking Stove! This genial household companion is in the very zenith of its popularity, orders flowing in from all quarters. It burns wood and coal with equal ease and economy. Messrs. Stuart, Peterson & Co., Philadelphia, are the Manufacturers. Avoid imitations. For sale by W. W. Wetzel, Millburg.

THAT MOWER TRIAL.—Seeing several notices in different papers concerning a trial of Mowers, on July 30. In justice to all parties concerned and the public in general, I would say, that some, if not all the statements are considerable "exaggerated" in regard to the points of merit, as reported by the committee, consisting of Messrs. Stiver, Carson, Wagner, Ruhl and Wm. From. Some of the statements claiming to have, (we as a committee hereby certify, etc.), entirely contrary to the report of said committee. The aforesaid committee reported that the Hoffbeim had decidedly the lightest draft; the Keystone 2nd lightest; Excelsior 3rd; and Buckeye 4th in point of merit. The committee also reported at the same time, that the Keystone cut the lowest (not the best) Yet two days after, when the hay was taken off, there could not be seen a particle of difference in the stubble. (This I have from three of the committee.) Nor was there any merit claimed on low cutting by either of the machines, prior to the trial, from the fact that all machines are considered to cut low enough for the good of either meadow or upland, light draft, simple construction, and another great point "durability" were the points claimed.

Now gentle representatives, be "honest" and confess to the merits and demerits of all machines.

In regard to the next best machine (The Hoffbeim) I saw no grass in Mr. From's meadow, that would "keep the mules moving pretty briskly," even had they been attached to the Hoffbeim in either grass or grain.

Any person doubting the correctness as to the above report from said committee, can address either or all of them at Centre Hill, Penna. E. L. SPANGLER.

Time's first footprints are wrinkles and gray hair and although nothing has been discovered to eradicate the former the latter may be easily obliterated by the use of King's Vegetable Ambrosia. We know that it will restore gray hair to its original color and remove from the scalp all itching irritation, whether caused by dandruff or humors, at the same time imparting to the hair that glossy and beautiful look so much desired.

MARRIED. On the 2nd ult, by the Rev. Alfred Yeomans, Mr. Simon Neighart to Miss Jennie Robinson, both of Walker twp., Pa.

DIED. MORRISON.—On the 1st inst., Mrs. Margaret Morrison, at Phillipsburg, aged 89 years, 10 months, 10 days.

SAMUEL LITTON.—Of consumption on the 30th ult. at Millburg, Samuel Litton aged 30 years.

HOLT.—On July 9th, near Meshannon, Centre Co., Mrs. Mary Holt on the last day of her 72nd year.

The life of this excellent lady was spent in comparative obscurity yet it stands one among the many as an evidence that a prominent position is not necessary to usefulness. Mary Holt was born in Centre county, Pa., near the present village of Zion, 6 miles East of Bellefonte, July 10, 1796. United with the Bellefonte church, under the pastoral charge of the Rev. J. Lind, D. D., in 1812-13. Married in 1819, and moved to Snow-Shoe in 1822. She attended the first funeral in the settlement, and was present at the second birth, and all afterwards for nearly 43 years, waited and administered to all cases of sickness and distress for miles around during that period. She was the mother of seven children. Three only survive her. She also raised two families besides her own. Her cares throughout life were incessant, being in limited circumstances and having the many disadvantages attendant on a pioneer life, to contend with, and all the neighborhood being similarly situated, demanded the greater need for her benevolent services. She would frequently, after a hard day's work, leave home, at all hours of the night, in all weathers, and walk 1, 2 and 3 miles, spend the night waiting for the sick, returning at sunrise and resume her work at midday duties just as if she had rested the whole night. It was a frequent occurrence for her to ride over the mountain on horse back, a distance of 20 miles, carrying a child on her lap and a bundle beside, there not being a house or inhabitant for 15 miles. She was never known to have an enemy, or a quarrel with any one. Her whole life was in perfect keeping with her profession, and a living exhibition of the principles of Christianity, and her conduct towards those who might be disposed to act unjustly was such as to heap coals of fire on their heads. She leaves an aged husband, (a ruling elder in the Meshannon Church,) three children, several grandchildren and a very large circle of friends who deeply mourn a loss which to her is a gain. May her mantle and a double portion of her spirit rest on her survivors.
