The Democratic Watchman.

BELLEFONTE, PA.

FRIDAY MORNING, AUGUST 28.1868

RELIGIOUS NOTICE.—In view of the District Campmeeting, there will be no service in the M. E. Church next Sabbath.

A GOOD JOKE.—A few days since, says a Michigan paper, one specimen of humanity, chuck full of fashionable drink, took a seat in the express train at Jackson, quietly awaited the advent of the conductor, who appeared on time, and relieved the traveler's hat of his ticket without any remarks. On his return the traveller button-holed him and inquired:

"Conductor, how far is it to Poleon?"

"Twenty miles."

"That's wot I tho't."

"At the next station the traveler stopped him and again inquired.

"Conductor, how far is it to Manchester?"

"Twenty miles."

"That's wot I tho't."

At Manchester the traveller stopped him the third time and said

"Conductor, how far is it to Tecumsey?"

"Twenty miles."

"That's wot I tho't."

As the train left Tecumsey, the traveller exhausted the patience of the conductor, and the following dialogue explains the result:

"Conductor, how far is it to Adrian?"

The Conductor threw himself upon his dignity, and remarked.

"See here, my friend, do you take me for a fool?"

"That's wot I tho't!"

The conductor joined the passengers in a hearty laugh, and concluded to allow his passenger to "tho't" as he pleased

GREAT EXCITEMENT IN UNIONVILLE.—*Dear Watchman*—The town of Unionville was all in a blaze of wonder at an early hour this morning. (Aug. 24th, 1868,) As the citizens were rising from the arms of Morpheus, a large crowd was seen in front of the stables of the Union Hotel Men, women, and children were running to and fro As the Arvenls have been holding a meeting here for the past few days, and much was said on the Prophetic visions of David, the folks could be seen as they run, casting their eyes toward the skies, no doubt looking and expecting to hear the great trump of Gabriel sound, but lo and behold what a horrible disappointment, it was no thing but an old buggy with but three wheels Now Mr Editor the next time your town gents come to see our Unionville beauties, they must mind to put their buggy in a more safe place, and now particularly when the great Prophetic Visions of David are being explained. OBSERVER

—If Greenbacks are Good enough to pay the farmer, the mechanic, the laborer, the merchant, the soldier and the soldier's widow who pay taxes, they are good enough to pay the Bondholder who pays no taxes —Democratic Doctrine

MR. EDITOR.—Mr, Aaron Wagner, of the Loop, Shot an Eagle, on Wednesday, which measured seven feet across the wings and back. This bird knew where the friends of liberty dwell, and by its presence in the Loop we may predict a happy and triumphant victory for the principles which we of the Loop advocate We will bet a V. that the man who shot it is an Ab A. A K

EXCHANGE OF PRISONERS.—The Radical press is assailing the report of Robert Ould very bitterly. Will they be good enough to remember that Mr, Ould calls prominent Union Generals to testify to the truth of every statement he makes Until these Generals deny the statement of Mr Ould the Radicals may fume as much as they please, but it will stand uncontradicted that Grant was responsible to a great extent for the horrors of Andersonville.

If GreenBacks are Good enough to pay the farmer, the merchant, the laborer, the merchant, the soldier and the soldier's widow who pay taxes, they are good enough to pay the Bondholder who pays no taxes —Democratic Doctrine.

—An answer to the following conundrum is respectfully solicited If Radical administration spends millions of dollars a month more than it can realize by the present enormous taxation, how long will it take a Radical administration to pay a public debt amounting to billions?

—Grant's peace—arming the negro, and taking the right to vote for President from the people.

—If reconstruction is a sucess, why is not the army withdrawn

IF A HUMBUG,
What a wonder
That the doors
Are open wide,
Ever since the
First of August
Thousands have
Pain Paint applied
Those who lie,
Or call it humbug,
Are the doctors,
Not acquainted,
For they always
Have been jealous
When their patients
Use Pain Paint,
Pile up facts
As high as mountains
Flash the truth
Before your eyes,
But the cry
Is always humbug
More of science
Less of lies.

People know that liniments composed of Cayenne pepper, turpentine, hartshorn, ether, &c., will produce inflamation and pain. To purchase such trash to stop Pain and Inflammation is ridiculous. Fire will not stop heat, a dumb brute shuns the heat and knows enough to wade in a pond of water, when wounded, to reduce, cool, and cure Inflammation and Fever

Pimps and gamblers try to look honest, but folks can read the face too plainly.—Some try to persuade the ignorant that pills physic, &c., cleanse the blood, purge the system, and do a hundred other things equally absurd. Everybody knows that it is false, and that no medicine can purify or increase a drop of blood Food makes blood, bone and muscle, and is the Staff of Life Every dose of medicine swallowed is rejected, and hurried out of the system as quick as possible. It is an enemy, yea, a deadly foe. Constipation ill health, and weakness, are the result of dosing, dosing, dosing the stomach. The living system has enough to do without working herself to death in expelling and kicking out the pernicious nostrums poured down the throat. Food she welcomes when she needs it, yea, asks for it Let pill makers and physic venders stop eating food, and see how long they can subsist on their blood purifying, invigorating, health giving medicines and cordials.—What humbug is more transparent? A dog would feel so insulted, if offered a dose, he would curl his tail downward in scron, and run away in utter disgust. All physical pain arises from inflammation Put out the fire and you stop pain absolutely. You can stop pain as easy as you can quench fire with water. WOLCOTT'S PAIN PAINT subdues inflammation, heat, and fever one hundred times faster than ice. Thousands have had practical test of its merits at the very moment of most extreme pain, and they can testify that it has not failed in doing its work. It is simple; it is harmless; it has no stain; it gives no smart; it is for sale by Druggists everywhere; and it is tested free of cost at 170 CHATHAM SQUARE N. Y., and 622 Arch Street Philadelphia.

My wife had an ulcer on her leg for thirteen years, caused by varicose veins, ulceration extending from her ankle to her knee, some places eaten awly to the bone. I have employed over twenty physicians at vast expense during this period But all attempts at cure proved utterly abortive until I tried Dr. Wolcott's Pain Paint, which the doctors told me was a humbug. But humbug or not, it has done the work completely in less than one month, removing the pain at the first application. I kept her leg wet with Pain Paint constantly until healed. I wish we had more humbugs as useful as Dr. Wolcott's Pain Paint. I am well known in this city, any person who wants to make further inquiry will call at 101 West street, New York, at the Hanover House, of which I am the proprietor, and I think I can satisfy them as to the benefit derived by the use of Pain Paint May 12, '68 P. MINCK.

I am selling Wolcott's Pain Paint and annihilator, and it certainly gives satisfaction to my customers. D. F. COLES, Druggist, Rahway, N. J.

I am selling more of Wolcott's Pain Paint than any other Patent Medicine. C. N. CRITTENTON, Wholesale Druggist, No. 706th Ave., New York.

I sell more of Wolcott's Pain Paint than all the other patent medicines combined, and I keep a full supply of all that have any demand. VALENTINE HAMMANN, Druggist, No. 11 7th Ave. New York, till Aug 1
