The People vs. the Bondholders.

Letter from Judge Blake, of Ganhen Indiana What a law Republican thinks of the fi nuncial Question

[From the Gosben Democrat.] Below will be found a letter from A S. Blake, E-q , of this place, who frankly aring a himself on the side of the people and against the bon holders, Mr. Blake is well known in our community as a lawyer of eminent ability, and a highly respected citizen. While he has never been a mere politician, yet he has here tofere given a consistent support to the Republican party - Now, however, upon the new issues that divide the parties, relating to the finances and the usurpa tions of Congress, he with thousands of the best Republicans in the land-the honest and intelligent portion of the not for the interests of the producing in everything. How will be the mere tool INFAMOUS KNOW NOTHING Rinariv can no longer support its de classes.

BALDRY. party can no longer support its de classes. structive and unlawful policies, but is constrained by a sense of justice to the cormobants in power who are seeking to drain the very life-blood of the nation.

EDITOR GOSHEN DEMOCRAT .- In your issue of the 15th instant I notice the use made of my name as a probable candi date for the office of State Senator from the county, subject, of c urse, to the de cission of the Democratic convention, to month. In order to avoid any misunder through your paper to those who may have mentioned my name in that connegrion, that both you and they are too kind to subscive the interests of the Democracy, or beacht me materially, for the Attaining of that position is an honor so expensive as not to justify me at cand date for the auffrages of the peo-

form- firl standard leavers, and thus in to comparent there should be, in my

it is the some who alothe great to trest

yet not one d Hay of the t rum has been of the Jubac burden . ; applied by the party in power toward out of, and collected from the toiling poor men of this country, we me the cap makets the rich bondbolders by Re

and ruin. And when we take into con. October sideration the fact that nearly one third of this sum, or nearly \$100,000,000, has on the capital held by them, while they and forever annihilated have been exempted from bearing the burdens of the Gov. rament, the injustice of such a policy, and the necessity of burling from power the men and the

apparent. Why, Mr Editor, just look at the results of such a policy as this Republican party, to which I have belonged, has in-

augurated and propose to continue. It takes about \$150,000,000 in gold, or the interest on the bonds. This burden upon the industry, this drain upon the tenources of the working people, the Rebeen for the national salvation, should the present contest. be extended over a fair period for redemption ' Why? Because they have unfre of Congressional despotism, such the interests of the bondholders, and pleaged to let them have their own way Jacksoniah.

"STATE RIGHTS AND FEDERAL UNION."

VOL. 13 BELLEFONTE, PA., FRIDAY OCTOBER 2, 1868. NO. 39.

bonds, all of which are held by the cap must bring unnumbered and unendurapeople, and by his own convictions of linhals of the country. The interest on ble ills upon the people. right, to co-operate with the people's them amounts to say \$150,000,000 a party in the endeavor to overthrow the year. As this interest has to be paid yearly, we are entitled to compound it in our calculation. By compounding, this interest alone, in the short space of purpose, at the cost of the toiling masses of (wenty-two years, will amount to the the North. edormous rum of \$6,000,000,000, or nearly three times the amount of the principal of the debt, and yet not a dolher of this debt will be paid. Within be held on the 26th of the present forty four years the compounded interest less capable of paying their proper share of will have have reached the fearfully tuxes. standing. I desire to say to You, and great sum of \$30 000,000,000 in gold, a sum probably equal to three times the amount in gold value of all the property in the country

Thus by following out and adopting the policy upon which the Republican greater recklessness. party ask for our suffrages to secure the election of Grant, we shall draw from pres at in permating myself to secome a the resources of the poorer classes, as more interest, all of which will be paid; to the hondholders to support them in should be bankrupted in the process. alleness and luxury, about fifteen times the two great political parties of the white amount of the principal of the na tioned by the verdict of the people country, as determined by their plat | tional debt, and that, too, while we poor men of the nation shall also have pard have been ushered a, and fuffadvantag presented for the decision of the people the fazes of these same bondbolders will be taken of a Will not such a poda y enable the bond opin a nod ubtoruncestainty in the holders to absorb the wealth of the faxation will not futured money enough medicfinny exolid, honest and think country, and reduce the poor men to a to eather the cofficer ands. condition of slavery for worse than that The most important of these issues, of any country of the old world "
