THINGS ABOUT TOWN & COUNTY

——New corn is coming into this market by the wagon load.

——A meeting of the Democracy will be held in the Club Room, to morrow (Saturday) evening.

——A Rye straw raised on the farm of D Carshner, Esq., of Marion township, measured eight feet and eleven inches in length

BROKE JAIL.—A couple of prisoners awaiting their trial for larceny in prison at this place, made their escape on Friday night last.

——If the limits of Bellefonte Borough had not been extended so as to take in the Glass Works and Plaining Mill, it would now be a Democratic town

——The first snow of the season, fell in this place on Saturday last. Up along the Bald Eagle, it is said there was sufficient to make respectable drifts in the fence corners

——Mr D Carshner, of Marion township, will please consider our thanks for a basket of as fine "Prince Alberts," as ever pleased the eye or tickled the taste of an epicure.

——A hawk measuring four feet across the wings and 21 inches from the beak to the end of tail, was shot on Muney Ridge by Master Joe Reese, a little son of Christian Reese on the 19th inst

——Sherry's Theatre will open in Bush's Hall, on Monday the 26th inst. Crowded houses are expected and persons desiring to see and hear the performances should provide themselves with a reserved seat per on ticket

——On Saturday last, as Sheriff Kline was coming to Bellefonte from Howard town, up here upon the top of 18 men, all of whom acknowledged he had not before met any two who said that they came here to vote for Hays Armstrong and the Radical ticket that they intended leaving the county in a few days. This is the way Grant and their majority along the Bald Eagle Valley

——We understand that Jonathan Bowman, a well to do and highly respectable citizen of Ferguson township, was waylaid and dragged from a Democratic meeting held in Pine Grove Mills, on Saturday evening last, by a party of Radicals, and severely beaten. Mr Bowman is a Democrat, and has always been such a bold and outspoken Democrat that he could scarcely be absent since it is but a few weeks since a crippled soldier of Stormstown, was compelled to stop the residence of an old abolitionist by the name of Walters, of that place, by stopping his wind for a while. A few lessons such as Ross got at Pine Grove and Wyser learned at Stormstown, may teach Radical blabbers, that Democratic soldiers have some rights which they are not afraid to maintain

——As to the report that is circulated round that John Hazel voted the Republican Ticket for his account the same is utterly false. There never was a word said about it. IRVIN & WILSONS,
per H O Hoffer

The above was handed us by Mr Hazel with the request to publish. The report Mr Hazel states, was started by Hoffer, clerk at Irwin and Wilson's to injure his reputation, and induce the public to believe that he could be bought and sold. We have known Mr Hazel personally for years, and we have always known him to be a hard working, honest industrious gentleman. No more honorable man, no more honest democrat, can be found in the neighborhood in which he resides. If the young abolitionist who started the report had half the honor or principle about him that Mr Hazel has, he would be ashamed to show his face after thus disgracing himself, by slandering an upright, honorable citizen

——The following letter from Mr Haas, the Brewer at Roopsburg, fully explains itself. It is only, those who do not know the man, who would for a moment give credence to the stories circulated by abolitionists that he had joined that party. Mr Hass, has too much sense, too much honor, too much intelligence, to follow in the wake of a party that is dragging our country down to disgrace and ruin

ROOPSBURG, PA., Oct, 20, 1868.

ED WATCHMAN:

It is currently reported, and no doubt believed by some who do not know me, that I have got to be a Radical and voted the Radical ticket at the late election. There never was a baser slander circulated about any one. I came to this country because I loved liberty, I joined the Democratic party because it was the party to which we are all indebted for the liberty we enjoy. I fought radicalism and aristocracy in my native country, and I pray God that I may live for years to fight it in the country of my adoption. Could I vote for a party that attempted but a few years ago to ostracise and disfranchise me, because I am not a native born American? Could I vote for a party that advocates the same kind of a government, that curses my native land? Could I vote for a party that would place the ballot in the hand of the ignorant negro, and take it from intelligent foreigners? NEVER.—When I came to America I learned to love Democracy because it was for the RIGHT. IT IS FOR THE RIGHT YET, and as long as it is for the right, I AM FOR IT. I believe the hope of the county is in the success of the Democratic party, and so believing I shall work and vote for its success—for the success of its candidates, SEYMOUR & BLAIR

Truly Yours,
LOUIS HASS

Resolved, That in this dispensation of Providence we see the admonition which is ever recurring and while we bow to it, and deeply sympathize with those whom were near and dear to the deceased in their affliction, it is our duty not to murmur at the Divine will but to profit by the lesson which it so solemnly teaches, and so order our temporal affairs that when the time cometh which no man knoweth, we may be ready for the great change

Resolved, That in further testimony of our respect, the furniture and jewels of this Lodge be draped in mourning for the space of three months, and that the members of this Lodge be requested to wear the usual badge of mourning for the period of thirty days

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved Perfectly satisfactory as a remedy. I have NO hesitation in saying that we have received great benefit from its use.

"A GREAT BLESSING"

[From Rev. L. WARD, Avon, Loraine Co. O.

MESSRS. STRONG & ARMSTRONG,
Druggists, Cleveland, O.

Gentlemen—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been for a number of years greatly troubled with Dyspepsia, accompanied with violent paroxysms of constipation, which so prostrated her that she was all the while, for months, unable to do any thing. She took, at your instance, Coe's Dyspepsia Cure and has derived great benefit from it, and is now comparatively well. She regards this medicine as a great blessing.

Truly yours,
Jan 13th, 1868 L. F. WARD.

CLERGYMEN,

The Rev Isaac Aiken, of Alleghany, testifies that it has cured him after all other remedies has failed.
