

The Democratic Watchman.

A Few Plain Facts for Voters.

The taxes collected for the year 1866 by the United States Government, under the administration of the Republican party, were Five Hundred and Eighty Millions of Dollars. The taxes collected by the government of Great Britain, for the same year, were Four Hundred and Eighty Millions of Dollars.

Taxes paid by the people of the U. S. for 1866, \$580,000,000. Taxes paid by the people of Great Britain for 1866, \$180,000,000. Great Britain has property real and personal, as a taxable basis, amounting to thirty-six thousand millions of dollars. The United States has a population of about thirty millions of people.

Wealth of the people of Great Britain, \$36,000,000,000. Wealth of the people of the United States, \$16,000,000,000. Population of Great Britain, 236,000,000. Population of the United States, 30,000,000.

Thus it will be seen that the Republican administration collected (for the year 1866) from 30,000,000 of people of the United States, \$1,000,000,000 per year. If the interest on the public debt be added, the expenditures for each of the three years will be at least \$430,000,000.

The whole expense of the Government during the four years of Mr. Buchanan's Administration was \$250,000,000, or \$62,500,000 per year. That is to say, the expenses of the government under the administration of the "Republican party" are \$200,000,000 greater per year than under the administration of the Democratic party, and this is independent of the interest on the public debt.

The taxation of the year 1866 amounted to \$280,000,000. The taxation of the last year of Mr. Buchanan's administration amounted to \$80,000,000. The expenses of the war department during the whole four years of Polk's administration, including the Mexican war, were \$90,540,000. The expenses of the War Department for the year 1867 under the administration of the "Republican party" were \$128,850,000.

The civil service of the Government of the United States, under the administration of the Republican party, cost \$10,000,000 per year more than of Great Britain. The cost of our War Department last year was \$128,850,000, while the British army cost only \$74,000,000, and that too with a force nearly four times as large as ours.

The expenses of the Government of the United States for the last fiscal year ending June 1, 1868, were \$175,988,112.21, while the receipts were only \$111,520,000,000. Consequently there was an increase of the public debt last year of \$164,468,212.23. Comment is unnecessary.

The Public Debt Reaching Mountains Heights. The question of how the public debt is to be paid, sinks out of sight in the presence of current revelations.

Hooiland's Bitters.

HOOFLAND'S GERMAN BITTERS, AND HOOFLAND'S GERMAN TONIC.

The Great Remedies for all Diseases of the LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS. Is composed of the pure juices (as they are medicinally termed, Extracts) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC. Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgrat for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, or Difficulty of Breathing, Fluctuating of the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Pallidness of the Face, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginations of Evil, and Great Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possess true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well known remedies—

HOOFLAND'S GERMAN BITTERS, AND HOOFLAND'S GERMAN TONIC. PREPARED BY DR. C. M. JACKSON, PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhea, Disease of the Kidneys, and all Diseases arising from a disordered Liver, Stomach, or Intestines.

DEBILITY. Resulting from any Cause whatever, prostration of the system, induced by severe labor, hardships, Exposure, Fevers, &c. There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous system becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this Tonic, an elixir that will infuse new life into their veins, restore to them the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTE. It is a well established fact that fully one half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the Bitters, or the Tonic, is especially recommended.

WEAK AND DELICATE CHILDREN. Are made strong by the use of either of these remedies. They will cure every case of marasmus, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will not allow of the publication of but a few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS. Hon. Geo. W. Woodward, Chief Justice of the Supreme Court of Pa., writes: Philadelphia, March 16, 1867. "I find Hooiland's German Bitters a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly, Geo. W. Woodward."

Hon. James Thompson, Judge of the Supreme Court of Pennsylvania, Philadelphia, April 29, 1868. "I consider Hooiland's German Bitters a valuable medicine in cases of attacks of Indigestion or Dyspepsia. I can certify that from my experience of it. Yours, with respect James Thompson."
