THINGS ABOUT TOWN & COUNTY.

-Something new at the Democratic Ulub Room to-morrow night.

-Rev. Mr. Hackenberg has begun protracted meeting at Centre Hall, which promises much good.

In town, the "cure all," the "take all" and the fellow who would drink all, 'if his skin would hold it

--- There was no court yesterday. The Judges and jury wanted to enjoy thanksgiving.

-All the business places in town day. Court adjourned and services were held in the various churches

Doctor Thompson Mitchell -What is Thompson Mitchell Doctor of " Of divinity! Well, his kind of divinity most certainly needs a physician.

-A revival has been in progress in the Methodist Church in this place for the past two weeks. We hope it may be crowned with great success.

-The Personal property of the Howard Iron Works, in this county are advertised for sale by the sheriff for the radical "good times,"

-The western fever seems to be prevailing in this section. A large number of an citizens are making arrangesun.

ednesday night last, the ___()n tias in one coine rooms at the Brockerhoff house we took, and the person who had been put in that room for the night came down to the office and swore to the clerk that it "was no wonder the darned thing wouldn't burn, for it hadnt a bit of a wick "

A PROLIFIC HES. AND A MOTHEBLY "Chick "--Mr Henry Kibe of Rock Forge, this county, has a hen, that since the 16th of June has hatched five broody of chickens, four of which she raised, the fifth she left some weeks since and they have been watched over and mobrood, as if they were her own Whose hen can beat this one

pose we have character enough to divide features whom loyer Brother Mitchell, had here on Tuesday list, to swear his school through, was one Rev (*) Ben ffamin, who a few year since, when presiding elder on this district had an appointment tospreach on Sunday after moon at Eagle Chaple, near Curtins works, a few miles below this place. When the bour arrived, Hamlin was on hand, as well as a good congregation to hear him. After beginning the exercises with singing and prayer and reading hig text, he seemed to forget the time and place and hymnehol forth into, a enlogy of Andre Curtin who was then a candiof Andy Curtin, who was then a candidate for Governor, and got so high on it that the "loyal" portion of his hearers, clapped their hands and stamped their feet with applause When he had finished his speech, instead of singing and praying as is customary with all denommations, he dismissed the audience, by telling them to "cheer for Andy Curth and Is the course of a life you are likely to mix to be sure to rote for him." This is one of the christian (!) Gentlemenwhom the Dickenson Seminary sends here to swear to the character and standing of its faculty. A pretended minister of the Gospeli
who is depraced enough to make a polit Where prices are lowert where he'll get One column who is depraved enough to make a polit cal speech on the Sabbath day, and to close what was intended for Divine worship, with cheers for a political candidate, could swear to a lie without stretching his conscience a particle. Scores of better christians could be found rousting in hell. Brother Hamlin, come up and ask us to retract, won't, amount of clover hay for sale. See adver-

A Success .- It would not be right to ones unnoticed the Tableaux and concert infertainment given by the ladies of this thing, is by way of the Keystone Store place in Bush's Hall on Monday evening last to say that it was a success would scarcely be doing it justice. To say that our people were surprised and delighted per cent, less than at any other establish at its magnificence and beauty would ment in that section. simply be telling what the hundreds who Ir a body meet a body coming down th crammed Bush's Hall will testify. We have seen Tableaux in our large cities and sweet, where they had everything convenient to Can be bought of all descriptions, at prices crammed Bush's Hall will testify. We make them living, life-like pictures of tery low.

Shouldn't a body tell a body to Sechler & Moore's to go.

Moore's to go. sent, but we have never seen any that For there in great profusion, all things good would compare in arrangement, design or effort with those exhibited by our

own ladies here at home on Monday evening last. We have neither time nor space, to notice seperately the different pensable adjunct to beauty that no one who Tableaux, nor do we feel like referring prizes good looks should a eglect to use the best proparations to be had to increase its specially to any of the musicians when growth, restore its color or prevent its fall all did so admirably, but we will venture ing off. Ring's Vegetable Ambrosia is one the assertion that there is no town of the of the most effectual articles for the purpos size in the State that can furnish five we have ever seen, besides being one of the vocalists, who will execute the pieces most delightful hair dressings and beauti-

were closed, yesterday. Thanksgiving in the Tableaux, deserve the greatest using and totalet articles praise for the admirable manner in which each one preformed their parts.

SAD ACCIDENT - A WOMAN BURNED 10 Davin -The citizens of this place were no little startled on Sunday morn; trade in all sections are alive to the merits ing last, on learning that late on Saturday night, an old lady, named Devine coal) and speak of it as one of the greatest rectly after each meal, will surely effect a permanent cure. Do for take our word for living with her husband, and son, near and most important novelties of the day. the Phoenix Mills, had been found doud, with her closes burned almost entirely ners jury, it seems, that Mrs Devine, who to fainting spells for some time, that on burg ments to enigrate to-wards the setting Saturday night last, her husband, Peter Devine, and her son retired to bed leaving her to do some sawing, some time been recently arguing the question "Which in the night they had occasion to get up is the most elective agent in the reduction and all discasses of the skin, Old Sores, Tumors the corpse lying on the floor which was the first intimation any one had of the population of civilized countries.
